Good morning, We the Unit of Saint James City 136 are herby submitting a letter of endorsement for Angee Romere for District 13 President.

Angee is eligible through her father who served in the United States Navy, Vietnam.

She comes from a large military family that also includes,
Grandfather- Navy, Uncle- Marine,2 Uncles-Navy, Uncle-Army.

In 2001 Angee graduated the police academy and became the first full time female patrolman on Bluffton City Police Department. Angee was also a crime victim advocate for women and children during her time with the police department. Her next adventure brought her to Florida with her three children in 2011. Angee is an amazing, and caring Mother and now a Bama (Grandma) as well, she is so proud of her children and her grandchildren and their accomplishments.

Angee became a member of ALA Unit 136 in 2011, she became a life member in 2019 (PUFL). She is a member of Post 136 honor guard. She is also a member of VFW post 4353, A Daughter of Amvets, & a member of Moose Lodge Chapter 1843.

Angee has served as Unit 136 President for 4 years. Through those four years she has done so much good for our unit, she is a great mentor and is not afraid to dig in when needed. She believes in "Service Not Self". When she is asked her moto is

"I Got You". She is always willing to help any of the officers and fellow unit members, she takes the time to explain things so that they understand.

Some of the Chairmanships that Angee has been involved in are:
District Chairmanships- Education & Community Service
Unit Chairmanships- VA&R, Leadership, assisted with Historian, Public Relations, Cavalcade of memories, National Security, & is currently one of the admins for our unit Facebook page.

Angee's prime focus is on 100% Membership, she believes that we need to focus on bringing in more junior membership, she believes the youth are our future and we need to stay focused on them. Without them, we will not reach another 100 years.

Angee Romero is a great asset to the American Legion Auxiliary and for this reason we as Unit 136 look to endorse Angee Romero for District 13 President. We look forward to continuing support and encouragement, as we encourage her on her new endeavors.

For God and Country,

Tracy L Wentz
1st Vice President
