To Whom It May Concern:

At the regularly scheduled meeting of Orlando Memorial Unit 19 on October 11, 2017, the members endorsed Lois Stachelrodt for the position of Department Chaplain.

Lois' eligibility is through her father (Karl F. Fiesser) who served in the Korean War. Lois joined the American Legion Auxiliary in 1963 and during her 54 years of service, has held all offices from Sgt.-At-Arms through to President on the Junior and Senior levels in the unit and then on the District level. She served two terms at District (County) President in New Jersey.

Lois is presently serving as the Department of Florida Chaplain and during her term has visited a number of District and Unit Functions throughout the State. She is also presently serving as District 6 Chaplain and President of Unit 19.

Orlando Memorial Unit 19 highly recommends and is very happy and proud to endorse Lois Stachelrodt for the Office of Chaplain for the Department of Florida for the 2018-2019 year.

In His Service,
For God and Country.

Cathy Lindner, 1st Vice President

To Whom It May Concern:

The reason for the 1st Vice President Signature is because Lois is serving as President of her Unit and she feels that by signing her own endorsement, that it is a conflict of interest and is trying to avoid any issues.

Thank you for your understanding of having the 1st Vice President sign the endorsement.
