Captain's Log

A

hooy Shipmates!

I am sure you have been busy cruising around your Districts bringing joy to our Veterans, Active Duty Families, and our Children & Youth.

I have been very busy also cruising and making Port Calls in some of the great Districts of The Department of Florida. On December 5th I began in 5th District with President Liz Hill, after a little rest, we were off to Palm Valley Post 233, great visit with members and a wonderful seafood gumbo dinner, yes that's when the food test began. Had a short tour of St. Augustine, very brief stop at Post 37, then on to Post 194, great visit with Auxiliary Members and Commander, had a chance to visit with the children that attends the after school center at the post and an 8 year old reciting the Gettysburg Address perfectly.

Attended the Pearl Harbor Remembrance Program on December 7, on board the Samuel Roberts Ship at May port Navy Base. Three survivors were in

attendance and honored. Lunch served at Post 316. Later a great dinner and show at Post 409. On Sunday at the 5th District Meeting I had the honor of presenting the Charter, and assisted President Liz Hill with installation of Officers of Unit 401. Congratulations and welcome to the Department of Florida.

Cruising right along to 6th District with President Marie Eatman, all began with a Grand welcome at Post 286 Color Guard formation with Bugler, what a big deal! Great dinner, visiting with members enjoyed was wonderful. A visit to Boogey Creek was so impressive and informative. Enjoyed a fantastic lunch with Unit President Peggy Hearlson and members of Unit 347, also a beautiful Birthday cake; tour of The Villages and a little shopping with PDP Diane Rousseau, and onto Post 219 for a short visit with members.

Enjoyed a great tour of Give Kids the World Village in Kissimmee, a fantastic Fantasy Land for ill kids and their families. Now we are off to Unit 10 for lunch and visit with members. Next was a hard hat tour of Lake Nona VA facility, yes we put on the lime vest, goggles, and hard hat, great tour if you can imagine what lots of steel frames, open walls and doorways will be wonderful and beautiful offices, treatment rooms, operating rooms, etc. I will return when it is finished and I can ooh! and ahh! Later Dinner at St. Cloud Unit 80, had a great time visiting with members.

A great tour of Arnold Palmer Children Hospital, then lunch and Bon Voyage at Unit 183 Fern Park; also enjoyed a mini cruise on a platoon with TK Wildrick as Captain and Tour Guide, that was a pleasant surprise!! What a sendoff!

Now I am off to 7th District, December 12 with President Pamela Snyder, at Post 4,

Auxiliary members were busy wrapping Christmas gifts for upcoming Children Christmas Party. Later attended general meeting with Unit 3. Tour of Bok Tower Gardens and the Pinewood Estate in Lake Wales very enjoyable also lunch Unit 339 President Barbara Day. Then on to Unit 71 with President Linda Anderson and Diane Anderson was waiting with Birthday cake and ice cream to serve, and oh yes I blew out the 4 candles what a treat! Dinner at Winter Haven Unit 8 with President Darlene Midlam and members. Enjoyed a breakfast with Bartow Unit 201 President E. Johnson and members, it was great meeting these Ladies. Then back to Lakeland Unit 4 for the Children's Christmas Party there was Santa and his Elf to pass out lots for presents for the

girls and boys. I sat on Santa's lap and told him I had been a real good girl!! But what happened to my present? I'm still waiting. I did get another Birthday cake.

Thanks to all for making my visits to your Districts very enjoyable, and keep up the Unity that I could feel. Wishing you a Merry Christmas and a Safe and Prosperous New Year.

Please pray for the Family of our deceased 1st Vice President Lois McFall and also for NEC Dennis Boland.

Continue to cruise for God and Country,

Captain Bailey

FROM THE SECRETARY

Girls State . . . The numbered applications have been mailed to Units we have received registration paperwork from. Remember you must have a minimum of 10 paid members and all quotas paid to register a girl for Girls State. Newly Chartered Units may participate the year they charter; however, they are required to pay quotas based on the number of members they charter with. Interested new Units should request an invoice along with registration paperwork from Department Headquarters.

It is very important that a Unit does not interview or tell a girl she has been selected for Girls State until they have the numbered application in their procession. In the past we have had Units tell girls they were going to Girls State when they did not have a numbered application and found out the program was full and had to go back and tell the girls they could not go. Save your Unit this embarrassment by following the rules.

Meet the deadline of March 10th! All completed applications are due back into Department by March 10th. Late applications will not be accepted. It is the Unit's responsibility to get these applications completed and signed by the student and parent . . . not the school! Do not leave them at the school and expect them to get them completed and return them to us by the deadline.

Familiarize yourself with the requirements for Girls State before you begin interviewing students. Every year we have problems because Units gave out incorrect information or were not familiar with the eligibility requirements. Our rules prohibit requiring citizenship for Girls State. You MAY NOT ASK if they are citizens. Remember, the Girls State Director has final say over a girl attending Girls State. We will not change the requirements because you selected an ineligible girl. There are no exceptions. If you do not follow the rules of eligibility your unit will not be allowed to send a girl to Girls State.

Do not tell a delegate she will be able to attend church while at Girls State because she will not. No delegate will be allowed to leave the program for any reason and that includes going to church. . There is no exception to this.

Girls State Packet Material . . . all delegates and alternates will be required to get their packet material prior to attending their orientation from the Department Girls State website. This new site will be ready in the next few days and the address is girlsstate.alafl.org . Units are not to print this material for the girls, just remind them to get it. The material will be available the first week in April.

Membership . . . All of sudden units are under the impression that members of the Auxiliary must belong to the unit associated with the post of the veteran they are joining under. This is not true. The veteran can join the post of their choice and the female and join the unit of her choice. They do not have to be the same. They can be in different states if they so desire. We have no idea how this got started, but we have had several calls regarding it.

We seem to have a problem in several units with illegal membership. Uncles do not provide eligibility, father-in laws do not provide eligibility and SAL membership cannot provide eligibility. Remember it is the Unit's responsibility to verify an applicant is eligible according to Nationals rules. No Unit can waive the rules. If we continue to get complaints, the

Department President will have no choice but call for a membership audit of your Unit. Clean up your house so Department doesn't have to.

Please double check you work when sending membership in for processing. We are getting a lot of duplicate payment for the same member, which tells me you are not marking your roster that someone has paid their dues and the recap number you submit it to Department.

New, renewal, rejoin and out of state transfers all require separate recaps and payment. Do not mix these on one recap or pay for them with one check.

If something is removed from your recap and returned to you with a credit; correct what is wrong, place on a new recap and use the credit to pay for it. Remember, credits issued for current dues can only be used for current dues. Credits issued for back dues can only be used for back dues.

Please do not send cash in the mail to pay for membership. It is not safe!

Donations . . . are very low this year, resulting in our hospital representatives having to cut back on the work they do for our veterans. Please look at your budget and make sure you are doing everything you can to support the many projects of the Department of Florida.

Several units have not paid their quotas yet for this year. See notice in this Communiqué to see if your Unit is on the list.

The Department President does not have a special project this year, which is why it is not on the donation Remittance Form. Do not write it in and so not use outdated forms. They will only be returned to you for correcting.

Tax and Incorporations . . . we must remind all Units of their responsibility to file their annual report with the IRS and to be incorporated with the State of Florida per Department's Constitution and Bylaws. All Units must have their 2012 annual report filed with the IRS and a copy of this report must be on file at Department Headquarters. If your Unit's income for the year was under \$50,000 you must file a 990-N on line. All other Units are to file a 990 or 990 EZ.

If your Unit has not incorporated, contact us at Department by email at secretary@alafl.org and provide us with the following information so we can prepare the forms for your Unit.

Leadership

The "Leader Ships" (aka Tug Boats) are tugging along!!

Members in several Districts came to recent ABC Schools to learn, listen, and participate ... and they were enthusiastic! The new "question and answer" format is being received with open arms and feedback has been great. It's amazing how many other questions get answered just by posing the initial questions to everyone in attendance. So ... if you haven't attended an ABC School yet this year, please encourage your District to have one ... or if you missed the one in your District, contact me for upcoming locations!

Leadership Correspondence Courses: At the beginning of the Auxiliary year during my presentation at Department Workshop, I stated that National was going to revamp the Correspondence Courses and break them down into several courses on different topics. However, that has not been done yet. National's website still has the Senior and Junior Leadership Correspondence Courses available. SO ... with that being said: I encourage all Senior and Junior members to participate in the online courses at www.alaforveterans.org. Once you have completed the course, please send your answer sheet plus the cover sheet to me for grading. I will then send you your Course Completion Card.

Mini-Workshops! It's so important that our members are 'trained' at the Unit level. Is "your Unit" doing Mini-Workshops at regular Unit meetings? If not, request one about a topic that you may want to know more about! A "Leader Ship Tug Boat Award" plaque will be presented at Department Convention to the Unit Leadership Chairman in each of the six membership groupings who submits the best overall narrative about Mini-Workshops held during the 2013-2014 year. The requirements are set forth in the Leadership Plan of Action – check it out!

Along that same line ... don't forget: When you have new members at a meeting and/or are discussing something new at a meeting, be sure to explain what it's about! For example, not everyone knows what "VA&R" and "AEF" stand for ... and not everyone knows who Josh is. You can never give too much information ... everyone can learn something at every meeting.

To sum it up, let's just say again that we all need to: Learn, Listen, Participate, Be Enthusiastic, Be Positive, Communicate With Others, Be A Mentor, Respect Others, and Stay Open To New Ideas!

Remember: "A smile is a curve that can get a lot of things straight."

Merry Christmas and a Happy, Healthy New Year to all!

In Our Hearts

Rose de Leon

We thought of you with love today,
But that is nothing new.
We thought about you yesterday.
And days before that too.
We think of you in silence.
We often speak your name.
Now all we have is memories.
And your picture in a frame.
Your memory is our keepsake.
With which we'll never part.
God has you in his keeping.
We have you in our heart.

Legislative News

As one year comes to a close and another begins we must be ever mindful of the work that lies ahead. I thank all units and districts who submitted mid-year reports. I am seeing an increase in legislative activity by our members and I could not be more proud. Together we are a force to be recognized and our voice needs to be heard in our local communities, in Tallahassee and all the way to Washington D.C.. Our veterans and active duty military and their families deserve our time and energy in supporting legislative activity that will make a positive impact in their lives, as well as opposing legislative agendas that would reduce benefits or in any way negatively impact their quality of life.

Keep up the good work. Make those calls, write those letters, send those emails, when the ALA joins with the rest of the American Legion family our voice will be heard.

"After climbing a great hill, one only finds that there are many more hills to climb."

Wishing everyone a blessed Holiday season and a meaningful and prosperous New Year!

Soldiers' Christmas

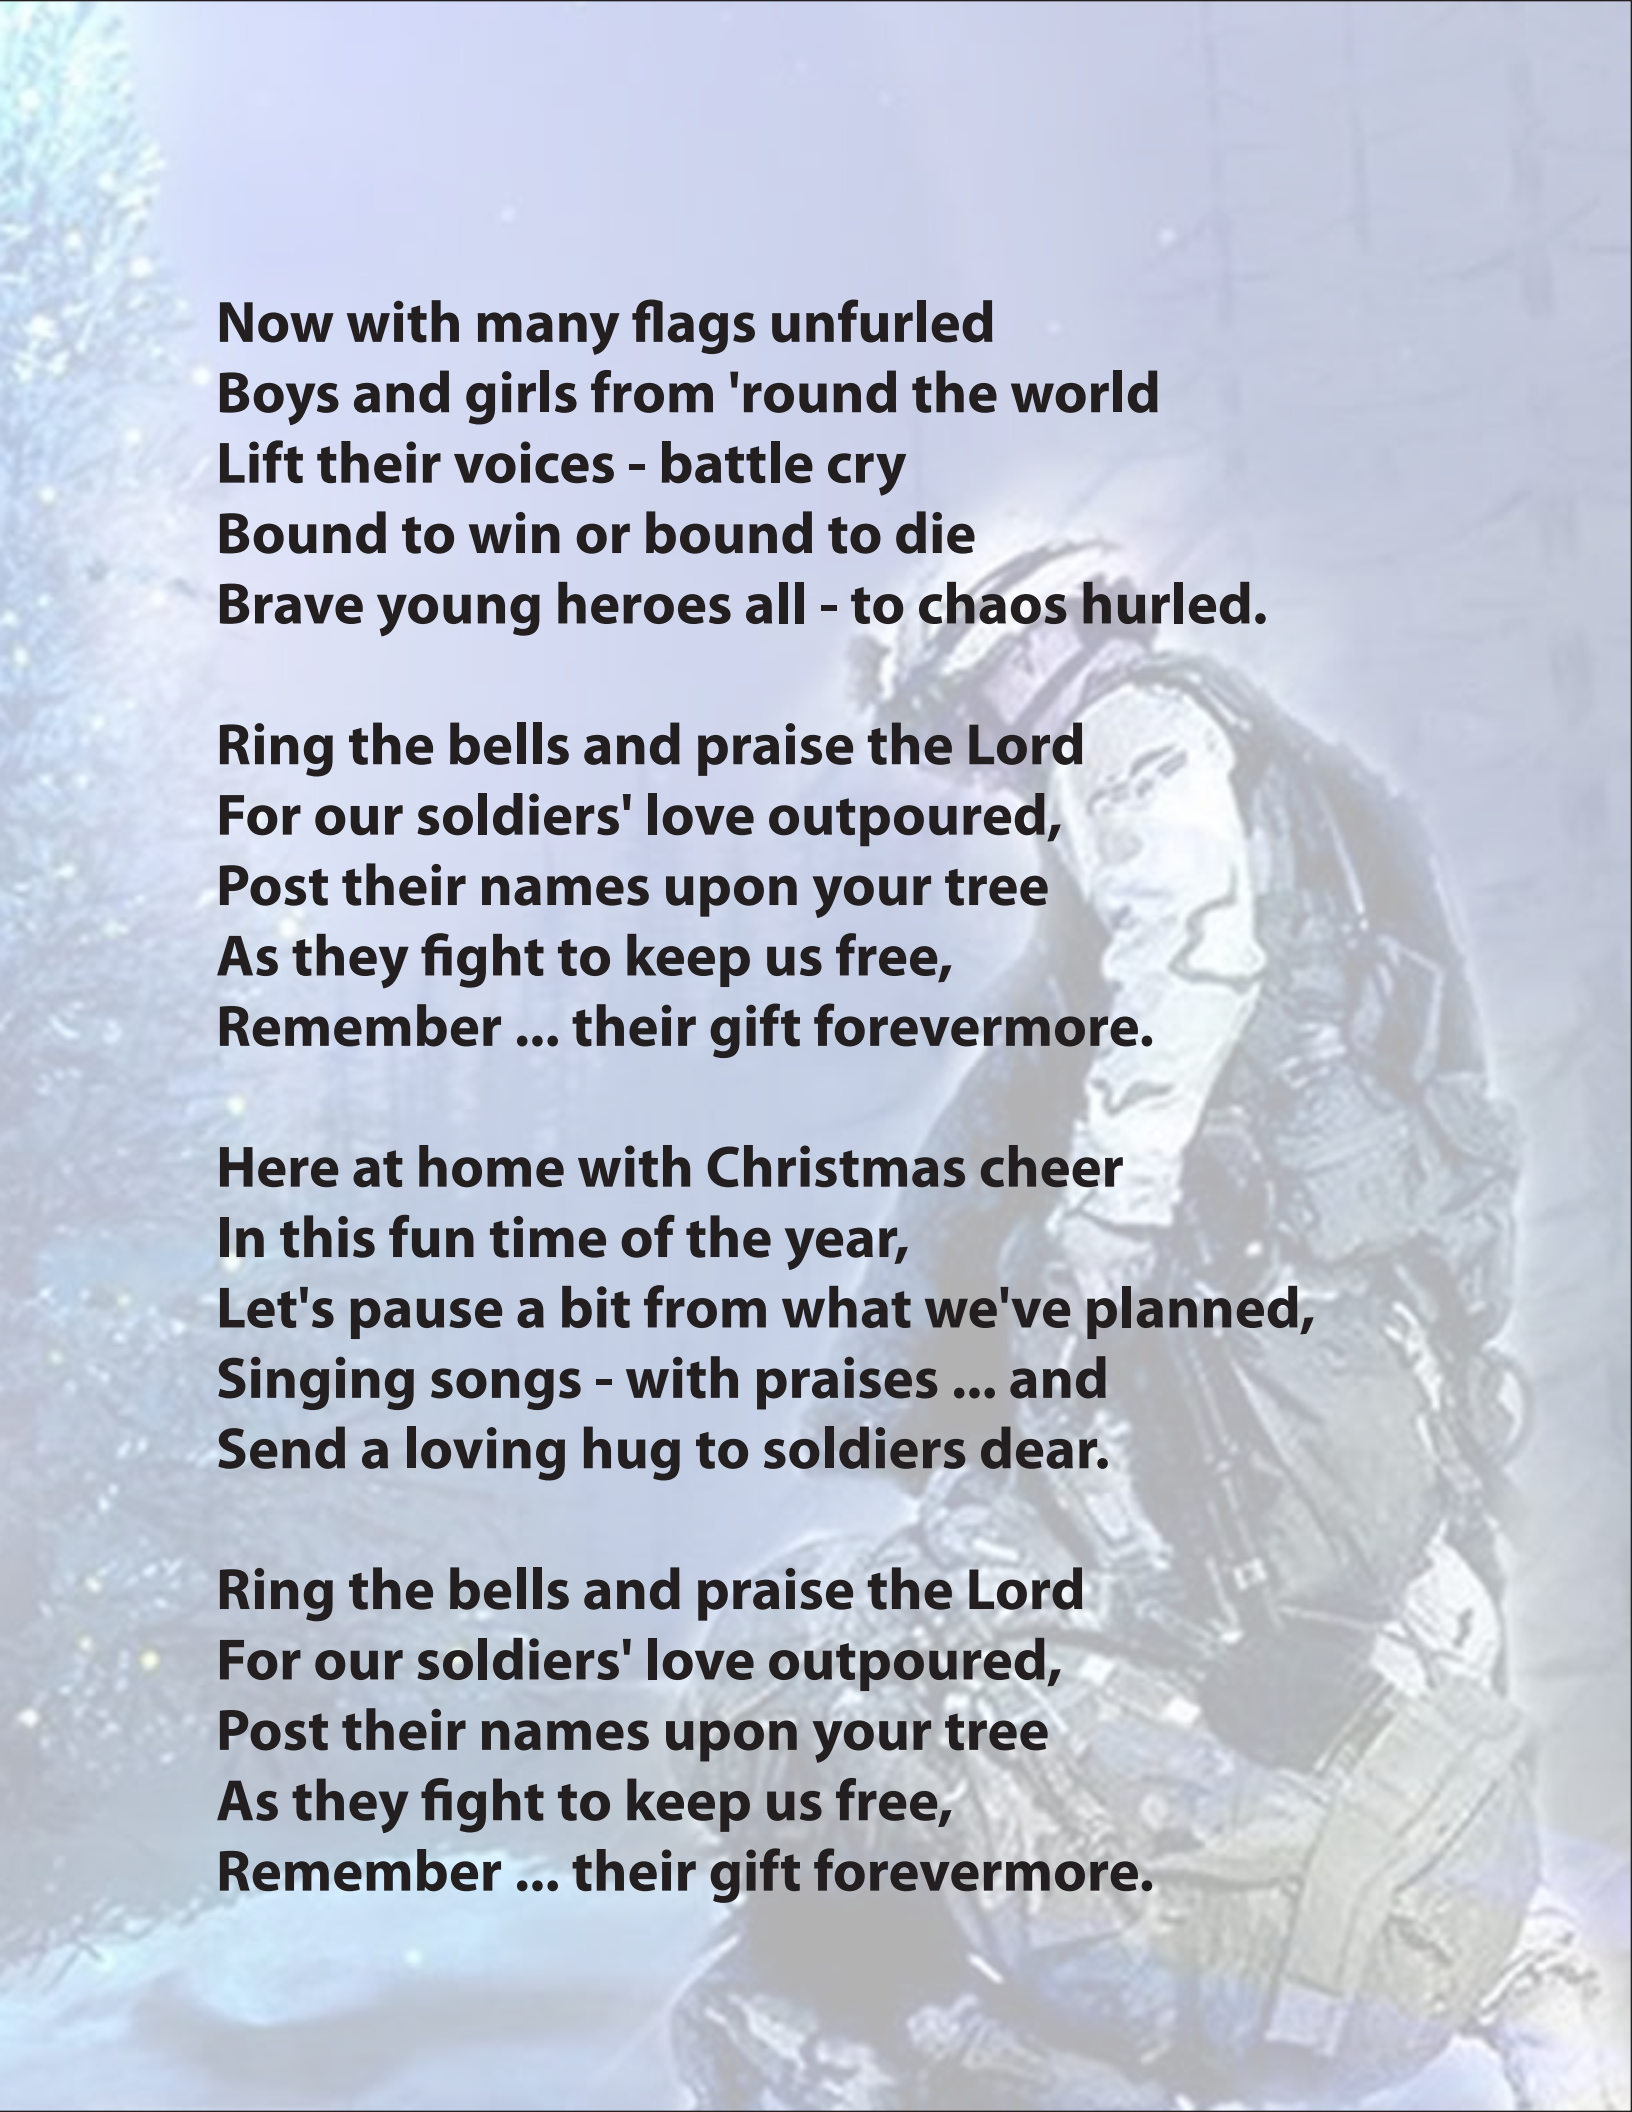

Ted L Glines

**Creeping through the silent night,
Things that move are things of fright,
Sleighbells never ringing now
Angels seldom singing, now
Nothing comes to make their season bright.**

**Ring the bells and praise the Lord
For our soldiers' love outpoured,
Post their names upon your tree
As they fight to keep us free,
Remember ... their gift forevermore.**

**Helicopters - guns and tanks
Moving now in guarded ranks,
Not a bit of Christmas cheer
That must wait 'til Home next year,
Since their only present is your "Thanks."**

**Ring the bells and praise the Lord
For our soldiers' love outpoured,
Post their names upon your tree
As they fight to keep us free,
Remember ... their gift forevermore.**

**Now with many flags unfurled
Boys and girls from 'round the world
Lift their voices - battle cry
Bound to win or bound to die
Brave young heroes all - to chaos hurled.**

**Ring the bells and praise the Lord
For our soldiers' love outpoured,
Post their names upon your tree
As they fight to keep us free,
Remember ... their gift forevermore.**

**Here at home with Christmas cheer
In this fun time of the year,
Let's pause a bit from what we've planned,
Singing songs - with praises ... and
Send a loving hug to soldiers dear.**

**Ring the bells and praise the Lord
For our soldiers' love outpoured,
Post their names upon your tree
As they fight to keep us free,
Remember ... their gift forevermore.**

Membership

HoHoHo, and Merry Christmas to all. 2013 is winding down and we have been flipping for membership. As of December 11th we are number 18th in the Nation out of 52 Departments and 6th in the Southern Division. Great job ladies! We currently stand at 64.16% and our next shore excursion is right around the corner in January and we don't have far to go to hit 70%. Take a minute and look over your roster and give a call to the members that you have seen in a while and wish them a Happy Holiday and remind them their dues are due. We all know keeping up with the holidays can be a very busy time and things can slip our mind. Remember, our membership gives us so many benefits. I want to wish you all a safe and happy holiday season.

Kelli Becraft
Department of Florida Membership Chairman

Community Service

As 2013 comes to an end and a new year begins, I'm sure that each and every Unit has completed at least one Community Service project. When you stop and think about it, there are things we do every day that help make our communities a better place to live. Lives are also enriched by the things we do, often without giving these things a second thought.

I'm sure that during the holiday season, many Units donated food to local food pantries. I know that Units have been participating in local parades and community holiday events. Many of you have been collecting toys to distribute throughout your towns. Other Units have been busy filling Christmas wish lists for senior citizens. All of these are great examples of Community Service, so please remember to log the hours and monetary values on your Community Service report.

Often we find that many of the people we are assisting through these activities are veterans. One Unit adopted two senior citizens through a local "Elves for Elders" program. Both of the recipients turned out to be WWII veterans.

Keep up the good work and remember that Community and Service are two words that seem to go hand-in-hand.
