President's Message

February started out with a whirlwind of activity. Ann King-Smith, 12th District President, started my District visit by taking me to the home of "Bill and Sadie" that had a fabulous train collection. What a delight to see so many trains. The day was filled with many additional treats, lunch with Unit 163 in Eau Gallie, a visit to the Liberty Bell Museum, a tea to honor female veterans with Unit 366 Barefoot Bay and Dinner with several Units from 12th District at Golden Corral.

Unit 22 Cocoa set up visits to the Volunteers of America Homeless Veterans Facility in Cocoa and the Female Homeless Veterans Facility in Cocoa. At the Volunteers of America Facility I met with two veterans who are going to college, they were both so proud of the fact that they were carrying "B" averages. At the Female Homeless Veterans Facility I met with these women and talked about their needs. Unit 22 is planning a special day for these ladies, they will come to Post 22 and have lunch and have the opportunity to have a manicure and pedicure. The Auxiliary members want to make these ladies feel that they are important. Thank you to Unit 117-Palm Bay for hosting a dinner that evening.

The next day I participated in a ribbon cutting for a NVHS homeless veteran's transition house in Melbourne and then toured a Homeless Veterans Transition Center in Melbourne. At this facility there were homeless veterans with families. It really tugs at your heart strings to see the young children in this situation. We have to rethink our list of needs for these facilities that have young children. A couple of the needs that we might not think about were pull-ups for young children; another request was for a pencil sharpener. Ann King-Smith was talking

notes and I know the members of 12th District will help meet those needs.

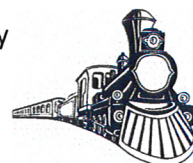

I ended my visit to 12th District with a dinner for WWII Veterans hosted by Unit 40 at Ft Pierce. One of the delights of the evening was a 99 year-old WWII veteran who danced most every dance that evening. He was amazing.

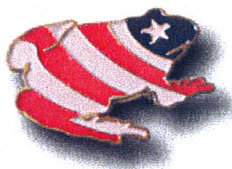

On Valentine's Day I attended a luncheon for female veterans at Unit 335-Hudson. They have been holding this luncheon for over 30 years. One of the female veterans present stated to me that they were the forgotten veterans. I assured her that the American Legion Auxiliary would never forget them.

I left Hudson and headed to 14th District. After picking up 14th District President, Beverly Evans, we headed to Unit 154 in Marathon for dinner. The next morning we started out for Key West. After arriving in Key West, that's when it all started falling apart. I had chest pains, went to the emergency room in Key West, they flew me by helicopter to Mount Sini Hospital in Miami Beach. I had a mild heart attack and they put a stint in one of my heart valves that had blockage.

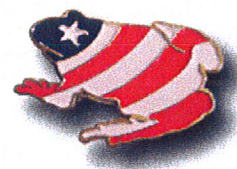

I want to thank everyone who called, e-mailed, sent cards and flowers. Your concern was so appreciated. I am feeling fine and will be continuing my District visits. For all of you that are saying, "She needs to stop smoking"...I have. I believe God has given me a "wake up call"

Chaplains Report

I want to thank all of you that sent cards and prayers our way while Bob and I were ill.

I am recovered (took two weeks) Bob is still not 100%, but better. In Psalms 73: 26 it says.

"My flesh and my heart may fail, but God is the strength of my heart and my portion forever."

Jeremiah 17: 14 – "Heal me, O Lord, and I will be healed; save me and I will be saved, for you are the One I praise". I believe the Lord healed me of this illness, so I may continue to serve.

I pray you are all well at this time.

Secretary's Desk

Girls State . . . The deadline for numbered applications has come and gone and Department is still missing many applications. If your Unit has not returned its numbered

application to Department you are at risk of losing your slot. Contact our office ASAP and make arrangements to get that application in immediately.

If your Unit is having a problem filling your spot, contact either your District GS Chairman or Headquarters and we will help find an alternate in your area to fill it.

Do not mail paper copies of the applications to Department. We will only accept the original cardstock application mailed to the Unit.

We still have several openings as of this writing. If your unit would like to sponsor your alternate and we already have her completed application, mail a check for \$350 to Department with the name of your alternate and we will change her to a delegate. ***Please wait for confirmation from our office that an opening was still available when your money arrived before you tell your alternate.***

The packet material will be available the second week of April on the Department web site under Girls State. Please notify your delegates and alternates to go to the site and pull the information off. They are to bring the material to the Orientation. Any student that does not provide is with an email address will receive a hard copy of the packet.

Elections . . . may be held not more than sixty days nor less than fifteen days prior to Department Convention per Article V, Sec. 6 of the Department Bylaws. This means your unit elections may not be held before April 8th or after May 23rd.

I must remind you of rulings of the National Judge Advocate of The American Legion pertaining to elections. No condition can be placed on running for office. Any member in good standing can run for any office.

When asked if a dual member can hold office in both the Auxiliary and the Legion his response was; **"No**

woman member of both a Legion Post and an Auxiliary Unit shall hold office at the same time in both organizations." Explaining it creates a conflict of interest because you cannot give 100% to two masters.

There are no absent-t ballots unless the unit's constitution & bylaws clearly outlines the parameters for allowing them.

The floor must be opened for nominations the night of elections unless the unit's constitution & bylaws clearly state it is closed prior to election night.

Elections must be held on a regular meeting night unless the unit's constitution & bylaws specify otherwise.

IRS Update . . . All Units should have 2011 990Ns filed. Copies of this report being accepted by the IRS must be on file at Department. If your Unit has not filed or is having trouble filing, it is the Unit's responsibility to contact the IRS at 877-829-5500. You must identify yourself as an officer of the Unit for someone to speak with you. **WE CANNOT DO THIS FOR YOU!!!** The IRS will not speak to me regarding problems in your Unit. I do not belong there and am not an officer of your Unit.

Corporation Renewals . . . We must remind Units that you must renew your corporation through Sunbiz.org by May 1st or face a penalty. If you do not have the ability to renew online contact Department and we will be happy to do it for you and invoice the Unit. The cost to renew is \$61.25.

Membership . . . no member can transfer at this time without 2012 dues paid. If their 2013 dues are not paid they must pay the old Unit before they transfer.

A transfer is not a new member. Remember, if they have an ID # they go with renewals not new members. Out of state transfers are on a separate recap.

Donations must be received by April 30th to be counted for the 2012-13 administrative year. This goes for child welfare, Special Olympics as well as all the projects we raise money for. Any money received after the 30th will be reflected on next year's reports.

Secretary-Treasurer

Legislative

Dear Members, I had the privilege of attending the Washington DC Conference and get up close and personal with our Congressional Representatives from Florida. However before going "to the Hill" I spent two days preparing to discuss the needs of our veterans, service members and their families. I encourage you to contact your area Representatives and our 2 Florida Senators to discuss the following legislative priorities for this 113th Congress.

Military Sexual Trauma

Oppose any further increases in TRICARE fees, including prescription drug fees

Stolen Valor Act (HR258/S210)

Claims Backlog

Disabled Veterans Tax/Widows Tax (HR333/HR303/HR32)

DOL-VETS and TAP(Transition Assistance Program)

End Veteran Homelessness

Quality Education through Post 9/11 GI Bill: *Student-veterans should be allowed in-state tuition rates regardless of residency status (HR357/S257)*

Military to Civilian Credentialing: *The skills learned in the military should translate to civilian equivalent.*

The American Flag (HJRES19): *Safeguard our nation's flag from physical desecration.*

The American Legion has published these priorities on their website at www.legion.org/legislative. The website lists more information than I can list here so please refer to the website for more details and to find out how to contact your congressmen. With the sequestration many cuts have already been implemented. Our veterans and service members and their families need your voice.

Be sure to complete the Unit Year-end Report and send to your District Chairman by April 15th. District Chairman complete the District Year-end Report and send to me by May 1st. The forms are available on the Auxiliary website under Plan and Reports. Or email me and I will send them to you. legislative@alaf1.org

Nancy Anderson
