

The Ribbiting News Communique

Volume 1 Issue 3
October 2011

Can you believe that the holidays are just around the corner! I hope everyone is planning something special for our veterans, our military families, and our communities ... there are a lot of folks that need our assistance ... let's get out there and show them that we are here for them.

Plan Ahead. November is always busy – with Veterans Day on 11/11/11 ☺; National Education Week is November 13th to 18th... take food over to the teachers ... they love to receive goodies; and Thanksgiving. The “Calendar of Activities” in the Unit Guide (pages 59 & 60) shows the following for the next few months: November – Membership; December – VA&R; January – Legislative and National Security; February – Americanism. All Units are urged to follow this calendar and schedule some program, talk, round-table discussion or special meeting in keeping with the subject for the month.

Homeless Veterans. As you know, my special project this year is Homeless Veterans ... and I've asked everyone to report to me what you are doing for our homeless heroes so that I can brag about your activities in this Ribbiting News. I haven't received anything new to brag about. ☹ I know things are being done

because they have been mentioned to me in my travels. PLEASE send me the information and details by email or regular mail on what you're doing ... otherwise, I can't brag about you ... and I do want to share your stories with everyone!

I can brag about the fact that I, along with several other members of the 6th District, helped at the Orlando Stand Down held on September 24th. It was such a rewarding experience ... and it really can't be put into words. I was a “Battle Buddy” and assisted several homeless veterans go through the Stand Down system – brought them to the areas they requested assistance with – medical, legal, housing, etc. It was great chatting with them along the way. Everyone needs to experience a Stand Down ... so I encourage everyone to do so. It's an experience you'll never forget and one that you'll want to experience over and over again. ☺

Membership: Please ... Please ... Please, get members to pay their 2012 dues ... go see those who haven't paid – personal contact is always better and gets better results ... and recruit new members. We must “Leap” in membership to make the goals and to be at least 100% by the end of the year. I know that the Department of Florida can do this. ☺

My activities: Since my last Leap To Success Message to you, here's a quick rundown on things that I've done: attended the roast of Past National Commander Clarence Hill held at Post 222 in Fort Lauderdale ... attended the pre-dedication reception and tour held for the new Malcom Randall VAMC Bed Tower in Gainesville – what a great addition ... attended a wonderful Past

President's Parley luncheon hosted by Unit 142 in Pompano Beach honoring 40 years of service of Marion Broadhead ☺ ... assisted with the Ride 2 Recovery Seminole Cyclefest – that I believe doubled in size from last year! ... attended the National Presidents' & Secretaries' Conference in Indianapolis ... and was pampered over and over again during my "official visit" to the mighty 16th District. I'm not going to give details in The Ribbiting News on my official visits. However, I do want to extend a BIG THANK YOU to 16th District President Stephena (Cox) Vergara {yes, she just got married!} and everyone in the 16th District who made my visit fantastic.

Miscellaneous: Have you checked out the Department website and the National website? There is a lot of information out there that we all need to know. Would you like to attend an upcoming Mission Training? Have you ordered your "Honoring Their Service" Commemorative Button? Please take the time to check out the information on the websites ... you'll be amazed. OK, I'm off and leaping. Have to go to meetings, finish planning Fall Conference, host the National President for the first few days of the Ride 2 Recovery Florida Challenge, and continue on with my official visits.

Reflections

The American Legion Auxiliary has one great purpose, "to contribute to the accomplishment of the aims and purposes of the American Legion". We achieve this by working the programs that benefit our Veterans, children & youth and our communities. Sometimes we work these programs independently and other times we accomplish our program goals by working together as a Legion Family.

It is a rewarding experience to see a program or event come together with the "Legion Family" working together. I have seen firsthand Units and Posts working side by side to benefit those in need.

What happens when difficulties arise and cooperation between Units and Posts does not exist? Both organizations are damaged. Membership is discouraged, why would anyone want to belong to an organization where there is internal strife. What do we do if we find ourselves in this situation?

If possible we should open up lines of communications. We should try and see the situation from various points of view. If you only look at a situation from your point of

view, chances are you are not going to come up with an effective solution.

If the Legion has a Post home and the Auxiliary meets in that Post Home, we are the guest and we cannot tell the Legion how to operate their Post Home. They in turn cannot tell us how to spend our money or run our organization. The Unit or the Post can request assistance from Department. If there is a situation that cannot be resolved and the tension is disruptive, the Auxiliary does not have to meet in the Post Home.

This column is being written to address problems that have been brought to Departments attention over the last few months. Working together as a Legion Family does not apply to just Units and Posts, it should start at Department and District Levels. Both the Auxiliary and the Legion have our strengths and our weaknesses; we should adopt the strength of each other and create a much stronger "Legion Family"

Girls State . . . Normally I would begin this message with something about the Girls State mailing being ready to go out and some instructions with regard to that, however, we are not able to meet our November 1st deadline for mailing the Girls State registration packet and the reason is we have been unable to lock dates in with FSU. The original dates we have already put out in the Plan of Action are not good because FSU does not have academic space for our needs during the week. The alternative dates we gave them; they have academic space but no housing. We have been working diligently to solve the problem but it has forced us to reach out to FAMU to see if they are able to accommodate our needs for this year. As soon as this is resolved we will get the information out to all Units.

The Department Web Site . . . hopefully you have checked out the new Department Web site. Ryan Gonzalez with The American Legion designed our new site and worked very hard to make it not only beautiful but user friendly for our members. We are still working on it adding forms, guidebooks and updates on a regular basis, but it is coming together nicely. The home page has a "Friday Report" about half way done the right side where you can get current membership figures for your unit every Friday. The Coloring takes a bit getting used to, however as you move your mouse around you will notice the items turn white for you to choose what you need to click. Watch for more exciting changes to come in the near future.

Department Staff . . . I am please to announce that we are finally fully staffed at Department. Virginia Wallace was hired as Membership Coordinator. Virginia was in the process of joining our staff prior to Convention when it was decided the Finance Committee would take responsibility of replacing the staff. She remained on as a temp employee and interviewed with the other applicants for the position. Her loyalty paid-off as she was ultimately offered the position full time on October 4, 2011. Virginia is a 2-year member of E-Unit 109 in Ocoee. E mail all membership issues to membership@alafl.org and Virginia's telephone extension is 245.

Emily Lozada's resume was received among the 1,100 plus we received from Work Force Central Florida for the Receptionist position. Clearly impressing both the Finance Committee and myself Emily was offered the position of Administrative Assistant to include all reception responsibilities on October 4th as well. Emily has no eligibility for membership in our organization but does have a deep passion for our mission and is eager to learn. All Communiqué messages should be emailed to Emily at adminasst@alafl.org and Emily's telephone extension is 244.

Ladies, please understand it will be a lengthy training process as these new employees learn our organization as well as their job. Please welcome them and be patient as them as they learn how best to serve you.

★ ★ NATIONAL SECURITY ★ ★

Wow! Over 15 named storms this year so far. The challenge that Mother Nature has given us is a big one. Being prepared for disasters is urgent. Have a plan and make sure it works. Check in on your neighbors and assist in any way that you can. Have your Preparedness kits ready and assist in your communities by informing people of what should be in the kits. Offer assistance in any way that you can.

With the Holidays rapidly approaching, now is the time to get with your Family Readiness Groups in your communities to assist our Military Families. Adopt a military Family and be there to assist them if they need. This is a good time to show support by using the Yellow Ribbon Program and displaying the ribbons in

your community showing support of our Troops.

Display Blue Star and Gold Star Banners in your home Post. Welcome the families of servicemen and women who are protecting this great Country and defending our freedom into your Posts.

Please keep me informed of your Districts and units Activities so we can give a wonderful National Security report at Fall Conference. Please send me your e-mail address for National Security Chairman.

Chaplain's Report

It's that time of year again, when everyone is busy. The Holidays are coming, so let's remember the needy. You know I always pray for Wisdom and there is a scripture telling us that the Lord gives us wisdom. This is what it says: Then shalt thou understand the fear of the Lord, and find the knowledge of God. For the Lord giveth wisdom; out of his mouth cometh knowledge and understanding. He layeth up sound wisdom for the righteous; he is a buckler to them that walk up rightly. PROVERBS 2:5-7

So with wisdom we will have knowledge and understanding, not just in educational thing, but we need Knowledge and Understanding when dealing with Veterans and their families..

Americanism

Wow! What an Amazing Workshop. I am so excited to serve as your Americanism Chairman this year and I know we will LEAP to Success as we Learn, Educate and Apply Patriotism the entire yearlong! During Workshop, so many of you asked such great questions however, one in particular asked if the American Legion Auxiliary supported the “**Stars for our Troops Project**” For those of you who do not know the “Stars for our Troops Project” takes your old, tattered and worn out American Flags and turns them into a prized possession for an American Soldier at home, on base or overseas. Volunteers cut each embroidered star from the flag, dispose of the stripes properly, and place each star into a tiny plastic bag with a card”

After doing some research I thought I would go right to the top so, I contacted American Legion National Headquarters and....**Here is the response!**

Dear Ms. DeGennaro:

Thank you for taking time to write National Headquarters with your question regarding the removal of the stars from the canton of unserviceable flags. I am the staff member responsible for flag education and etiquette. The American Legion's National Americanism Commission does not subscribe to the practice of cutting the United States flag into individual pieces prior to its proper disposal no matter what the reason or occasion may be. The Commission is of the opinion that when the flag is no longer a fitting emblem for display it should be disposed in its entirety, preferably by burning. The flag began as a whole; therefore, it is to be disposed of as a whole. With our thanks for your membership and patriotic concern.

Sincerely,
MICHAEL D. BUSS

Deputy Director
American Legion National Headquarters
Americanism and Children & Youth Division

After speaking with President Diane, it is her feeling that “the American Legion Auxiliary should follow the advice of the American Legion's National Americanism Commission.” I hope this clears up any confusion regarding this matter.
