To Whom It May Concern:

When we speak of this person, it is with great respect. She has shown outstanding leadership in having served as our president for the last five years. She has entertained dignitaries, has attended all special meetings, conferences, conventions, and attended National Conferences. Julia has also served on the Girl State staff as City Advisor. She is an attribute to our great organization and so it is with great pride that we, Unit 159, place into nomination for District 8 President, the name of Julia Flint Griffith.

Respectfully,

Rita Burke
