

Centennial Cavalcade of Memories Program Action Plan 2019 – 2020

What an exciting year to be part of the American Legion Auxiliary. We turn 100 years **STRONG** in November because of the women who came before us. These are the same ones that fought for our right to vote. What amazing stock we come from!!!

Shadow Boxes

As part of Cavalcade of Memories this year, President Ann has requested that we remember that we are “Florida Strong”. She had an idea that we create *shadow boxes* this year. Ideally, we would like each veteran to have one at the entrance to their rooms at our VA residences. What a lovely gift for their families at some point.

If this isn’t feasible, maybe a shadow box showing the history of your unit for the last 100 years.

100th Birthday Celebrations

Please capture all your Centennial Birthday celebrations.

Honor Flight Celebrations

Our Department President’s special project is Honor Flight. There are nine (9) hubs in Florida. Honor Flight Network is a non-profit organization created solely to honor America’s veterans for all their sacrifices. Please capture the excitement of participating with Honor Flight throughout the year.

Junior and Senior Scrapbooks

This year we will accept digital scrapbooks **ONLY**. The cost of sending them and mailing them back has become prohibitive. If you prefer to do a scrapbook instead of a shadow box, please place them on a jump drive
