

Thank you for becoming a member of The American Legion Auxiliary , the largest and most patriotic veteran service organization in America! Today, our unit would like to invite you to renew your membership and transfer from Unit 400; the administrative “holding” unit where your membership is currently located at the National level.

By transferring, not only can you connect with other Auxiliary members, but a portion of your annual **dues will be kept local**, and you’ll become a part of the true strength of our organization.

Although transferring is not required, we hope that you decide to join one of our local units today.

If you have any questions, please feel free to contact our Department Membership chairman at membershipchairman@ala.fl.org .
