Auxiliary Emergency Fund (AEF) Application Instructions for Hardship Assistance for American Legion Auxiliary (ALA) Members

An AEF grant may provide temporary assistance to eligible members during a time of financial crisis when no other source of aid is readily available to pay for past due expenses of shelter, basic household utilities and/or loss of income due to medical and/or employment reasons within the last 6 months. Grants may be awarded up to \$1,200 with the intent to help members who have suffered a financial setback and offer a helping hand to assist in reestablishing financial stability. One AEF grant (Hardship or Disaster) per grantee will be awarded in a 12-month period. Application must be received within 3 months of first delinquency notice. Applications are evaluated on a "CASE by CASE" basis.

Funding will **NOT** be granted to pay medical expenses, credit cards, taxes, insurances, cellular/TV services, animal care, car purchase/payment, and/or home/vehicle maintenance and/or repair, or any expenses not related to shelter and basic household utilities.

Basic criteria for qualification

- The applicant must be a current ALA member
- Applicant must have maintained annual ALA membership for three consecutive years (the current year and immediate past two years)
- Submit all current overdue mortgage statement, overdue utilities and documentation of loss of income
- Completed application and checklist must be sent to Finance@alafl.org and received within 3 months of first delinquency notice

Required application information

The application must be accurately and completely filled out with all necessary documentation to prevent delays in processing. Please explain in detail your current situation/emergency. Include all current basic household utility statements, bills, eviction notices, disconnection notices, and any other expenses you wish to be considered for funding, and documentation on loss of income. If the application is not complete, it may be returned for amendment, further explanation or more documentation.
