Mission Statement

In the spirit of Service, Not Self, the mission of the American Legion Auxiliary is to support The American Legion and to honor the sacrifice of those who serve by enhancing the lives of our veterans, military, and their families, both at home and abroad.

For God and Country, we advocate for veterans, educate our citizens, mentor youth, and promote patriotism, good citizenship, peace and security.

Vision Statement

The vision of The American Legion Auxiliary is to support The American Legion while becoming the premier service organization and foundation of every community providing support for our veterans, our military, and their families by shaping a positive future in an atmosphere of fellowship, patriotism, peace and security.

PRESIDENT'S MESSAGE

ANN KING-SMITH

This month, I'm going to forego writing about my travels and save that for a later date. This month, I want to leave plenty of room for some important information we all need to know so that we can successfully complete our Auxiliary year.

At the beginning of the year, when I chose my theme, "Florida ALA Strong," I had no idea how much real meaning that theme would have in the upcoming months. Who would, or could, have imagined that March and April would have been spent in isolation, as has been the case for many? I know that we are STRONG and that this is merely a minor setback for all the accomplishments we have yet to make.

There is so much we can continue to do from the comfort of our homes. The need is real for masks for our hospitals and our members. If you can sew, this is a great project to do. If you're someone that's not fearful of grocery or supply shopping, I'm sure you have elderly neighbors that could use your help. Please take this time to call all members and do Buddy Checks. In addition to checking on their well-being and needs, I'm sure they would welcome a friendly and caring voice.

Now is a great time to contact members that have not renewed. Grab a roster and start calling. First all, let them know that we are concerned about them. If you reach a member that is facing financial hardships right now, share information about the Auxiliary Emergency Fund. If they can't afford to pay their dues right now, get in touch with some other members that might be willing to chip in and cover an Auxiliary sister's dues. Now, more than ever, it's important to keep dues current, in case any member needs to apply for emergency funds.

I pray that each of you are safe and secure. We will come through this crisis, just as Americans have always done and we will be stronger because of it. I would like to close with some words from Eleanor Roosevelt, a very strong woman.

"You gain strength, courage, and confidence by every experience in which you really stop to look fear in the face. You are able to say to yourself, 'I lived through this horror. I can take the next thing that comes along.'"

**Department President, Ann King-Smith's
homecoming has been cancelled at this time.**

A new date has not been determined, if any. More information to come when available

GIRLS' NATION

KELLY CIRCLE, NATIONAL EXECUTIVE DIRECTOR

03/24/2020 ~ It was announced yesterday The American Legion has cancelled this year's Legion Boys Nation. We understand the difficulty of the decision and respect the careful thought and consideration that went into it. While our programs are very similar, the ALA has a slightly different set of parameters to consider. The contracts we have in place for ALA Girls Nation gives us a bit more time before we must make the final decision, so we are taking that time to consider our options and see if the COVID 19 curve flattens sooner rather than later. Our first concern is for the safety of the participants and the volunteers so we will be monitoring the situation closely.

ALA Girls Nation Chair, Wendy Riggle and ALA Girls Nation Program Manager, Elizabeth Sendelweck have been reaching out to ALA Girls State Directors across the country this week to get a sense of what is going on at the local level. The consensus is that most ALA Girls State program directors are taking a "wait and see" approach in hopes they will be able to give their girls that once-in-a-lifetime experience.

Some of the ALA Girls State Directors are exploring a possibility of an online version of their program this year. ALA National Headquarters will be working to help in any way to facilitate that option to every program as requested, including being test participants. We hope to send information on online meeting platforms later this week. If this is something your program is considering,

please email Wendy and Elizabeth. Elizabeth will act as a central repository of information and will share with all so we can learn and help each other.

This is a complex decision to make and we have no precedent to guide us which adds to the stress. Please know the NHQ staff will respect and support the decision you make. Do what is best for your program and your team. If a Department chooses to cancel their Girls State program for this year, that Department can still choose two delegates to send to Girls Nation.

We appreciate and respect the due diligence that ALA Girls State directors and their teams are taking regarding their programs. We couldn't be prouder of the conversations and your ability to see the bigger picture for your programs. We have faith that you will make the best decision possible when the time is right for each of your programs.

In the meantime, please feel free to reach out to ALA Girls Nation Chair, Wendy Riggle or ALA Girls Nation Program Manager, Elizabeth Sendelweck so we can continue to support you through every step of this process. Remember, we are all in this together and as a family will do all we can to ensure that our future leaders will still have the leadership opportunities that will start them down the path towards their best future.

GIRLS' STATE

JACKIE BOOTH, DIRECTOR

Dear Members and Units of the Department of Florida, After meeting with the President, Girls State Chairman and the Secretary of the Department of Florida. It is with tears and a heavy heart that we regret to inform you that:

American Legion Auxiliary Florida Girls State is cancelled for the 2020 session.

We sincerely appreciate the dedication of our Units and staff team of volunteers in promoting this fast paced, hands-on immersive environment where delegates learn about city, county, and state government. This is an amazing program. However, this year we are witnessing first-hand the COVID-19 pandemic that has spread worldwide. This decision is made in recognition of the responsibility that the organization has to the health and safety of the delegates, the staff team of volunteers and the public. We are always committed to providing a safe and healthy environment for all involved. We will gather again in 2021.

I always look forward to each Girls State session. When people ask why I love this program, I always tell them that it restores my faith in the future. I get to meet 300 young women that I know can and will change the world. Therefore, to all the delegates out there, you are the leaders of tomorrow. Your country, your state, your family and peers need your leadership now.

Please always remember that you have these gifts and continue to use them to the best of your ability.

The Department of Florida wants these young women to be able to claim their selection to the American Legion Auxiliary Florida Girls State on future resumes. We will provide more details and they become available. I am heartbroken that this years' selected delegates will not get to attend this session and we will not get to meet you inspiring young women. Always be proud that you were chosen as a delegate. Our units only choose the best candidates in the state of Florida.

KIM EDENS

Hey Y'all hope everyone is doing well. Well the end of 2019

Did NOT end well for us here in the panhandle. 6th of December there was a deadly terrorist attack here aboard NAS Pensacola where 3 young sailors lost their lives Ensign Joshua Kaleb Watson of Alabama, Airman Mohammed Sameh Haitham of St. Petersburg, Fl. And Airman Apprentice Cameron Scott Walters of Georgia. Along with 11 others that were wounded because of this cowardly attack.

I personally would like to Thank everyone that reached out to me. As many know my husband Western Area Commander John Edens works aboard NAS as an Instructor Pilot and it took several hours to find out if he was safe. Post 240 was made a safe haven for anyone in our community as we all waited on news about our fellow brothers and sisters. We had 3 news networks come to the Post for interview and get the word out for those that needed us.

The following day we open our Post to the First Responders to say Thank You and feed them. Continue Prayers for OUR community as we are still dealing. Only personal with a DOD Id is allowed on base until further notice.

Now on to happier news . We had a GREAT visit with Dept. President Ann King Smith and 12th District President Karen Humann. I do believe that they

brought all the rain and cold weather with them. Our district like all are continuing to grow our membership.

1st District has a lot of Male Spouses that have joined the Auxiliary and we all our welcoming them with open hearts and arms. We held our District meeting on 22 February and had a great turn out with a lot of first time members to attend and they all got some marti gras bead.

Big shout out to all the members of this great organization but especially here in district 1. I am so proud of each of them as some are new members and new as officers to their units. Each Unit are doing such amazing things with fundraisers and community services and taking care of OUR Veterans.

Some Units are still coming back for Hurricane Michael. They never gave up as a lot of them lost their homes and even their Post. Others are small and has worked hard to raise money for OUR Veterans. Others have to stepped to put New officers in place so they can continue our mission.

WE ARE 850 FLORIDA STRONG.

NEC BRIEFING

KELLY CIRCLE, NATIONAL EXECUTIVE DIRECTOR

Things are changing so quickly and so many questions are arising that I decided to send a mid-week update this week. I'm including Department Presidents and Department Secretaries on this briefing to facilitate rapid communication.

Questions are coming up regarding the possible cancelation of district and department conventions and what that means regarding elected officers. Please check your Constitution and Bylaws first for guidance. The National C&B states (highlighted for your convenience):

*Section 2. The National Convention shall elect the following term- limited national officers: National President, National Vice President, National Division Vice Presidents, National Chaplain, and National Historian. Each National Division Vice President shall serve without seniority. Such officers shall serve for one (1) term or **until their successors are elected**; a term shall start upon adjournment of the convention at which they are elected and end at the adjournment of the following National Convention.*

So, if the National Convention were to be postponed (and that is NOT being considered at this time), the current officers would remain in place until such time and election could be held. Please also look to your C&B to see if the convention can be held in an alternative format. If your C&B is silent on the topic, or even if it has a clause, check your state law for any limitations on convention format.

Update on NHQ staff: We are following the CDC, state and local advisories and policies, and the Legion's leniency on work schedules. Many staff are working from home, but the building is still open for business and we are conducting business as usual. We are asking members to refrain from visiting us in person for the next few weeks. Those who are out of the office have forwarded their phones and have access to email so I doubt many

members will even realize the difference.

In these uncertain times, anxiety can rise just because we are planners and now we can't really plan as things are changing so quickly. This is a great opportunity for us! We can do a hard reset and question everything we've always thought of as absolutes. We can get creative and adapt to a changing environment. For us at NHQ, we are taking this opportunity to test different online meeting options.

In addition to the change in our physical work environment, this pandemic has forced us to slow down. We all now have space to take a collective deep breath, reconsider our absolutes, and allow creative ideas to flow.

Please, allow those ideas to bubble up and write them down! Maybe you have ideas on how to make convention better, or a form easier to read, or a process to be more efficient. Write those ideas down and share them. This is truly the time to time "outside the box" and take the American Legion Auxiliary into the next century of service!

Thank you all for your hard work and dedication to our mission. Stay positive, stay healthy, and stay safe!

SECRETARY

PATTY MACDONALD

The American Legion Auxiliary, Department of Florida received correspondence from National regarding Unit meets, elections and emergencies and how to determine what to do. Included in the email is a flow chart to determine what a unit should do.

With this flow chart you would answer the questions to determine if you can do electronic meetings and elections or if the current officers stay in place until the National crisis is over.

Question number one is does your Constitution, Bylaws & Standing Rules have a provision for emergency operations? Most units in Florida do not have this in place.

Question two is does your state non-profit laws allow electronic meetings? The research we can find is the answer is yes.

Question three is are electronic meetings prohibited by your governing documents? If you do not have anything in your Constitution, Bylaws and Standing Rules the answer would be no.

Question four is does your governing documents require elections in a particular month (impacted by an emergency)? This means does your documents have a stated month in them required for elections. (ie: March, April, May etc) This does not include 90 days or 15 days per to convention. If the answer is no you keep the current officers in place.

With this being said if you follow the flow chart and you cannot do electronic meetings or elections this will include nominations or any other meeting. The unit cannot do votes with the Executive Committee either.

I know after reviewing this and units find they do not have anything in the C&B's that the unit is going to want to add them. The unit will have to wait until you can hold meetings again. The unit must vote the Unit Constitution, Bylaws and Standing Rule changes on.

District Constitutional Conferences are on hold at this time also. Once the pandemic is over the District Presidents will reschedule the Constitutional Conferences.

At this time Department Convention has not been cancelled and the date has not changed. This will be a decision by The American Legion and The American Legion Auxiliary Department of Florida will notify all Units when we hear something different.

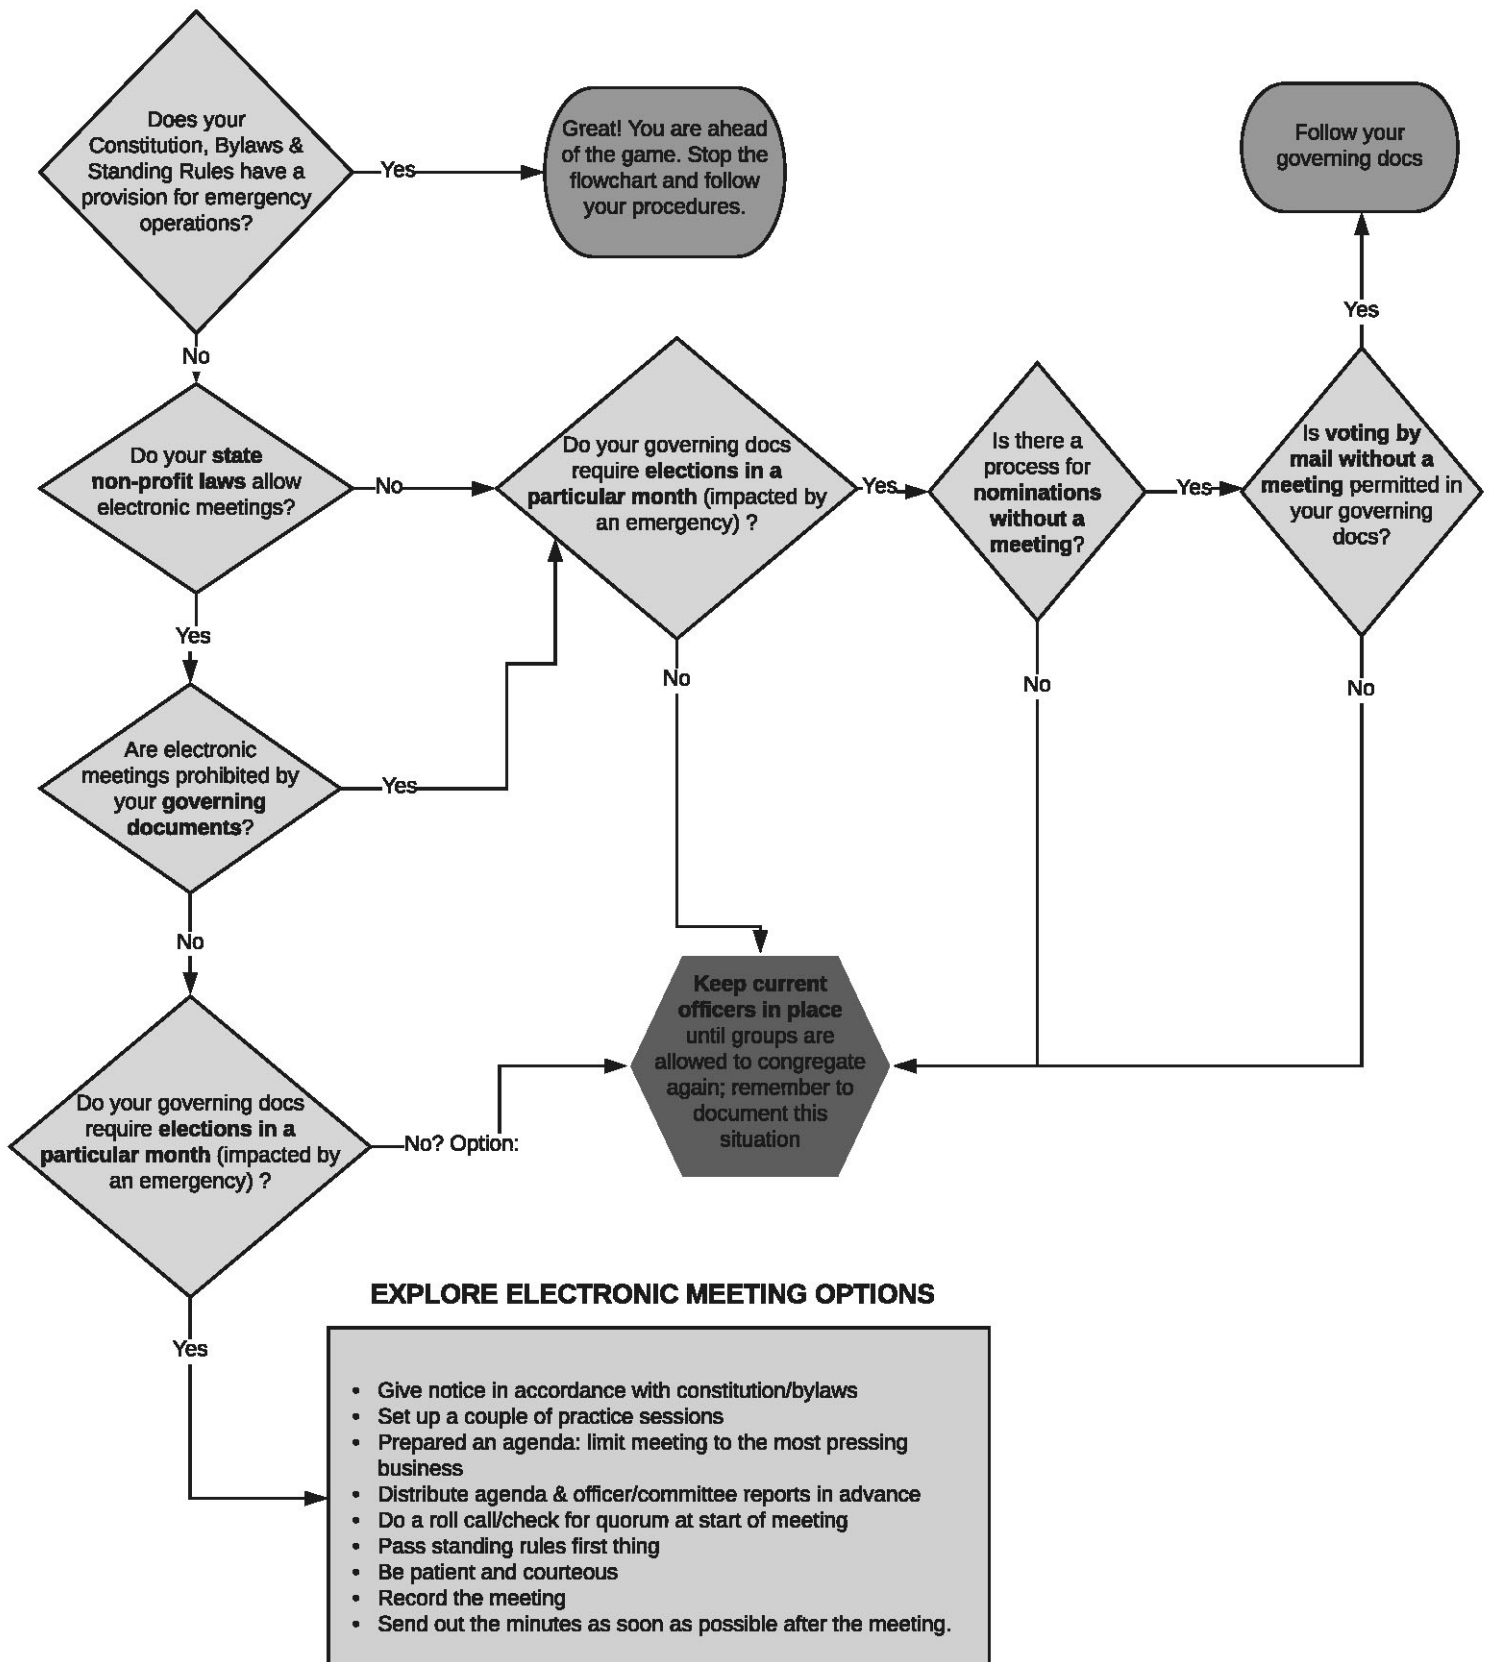

Units will still need to submit the 2021 dues form to Department Headquarters by April 15, 2020. National is not changing the date of when Departments have to submit this information. Please note the dues amount on the form must match the Units C&B's. I do compare the two. If they do not match I will submit to national what is in the C&B's. If an unit needs the form you can find it on our website at <https://alafl.org/wp-content/uploads/Unit-Dues-Information-Form-2021.pdf>.

Department Staff is still working remotely from home as the US President has continued the Social Distancing for another thirty days. You can reach each of us via email at the following email address: Department Secretary, Patty MacDonald email secretary@alafl.org; Department Treasurer, Brandi Seeber email treasurer@alafl.org and Department Membership Administrator, Kenyson Gardner email is membership@alafl.org. This is the best way to reach us. The Department office phones are being forwarded to a cell phone and we rotate who has the phone.

If you have any questions, please contact your District President or you can email me at Secretary@alafl.org.

With all that is going on right now please know our thoughts and prayers are with each and every one of you and your family. Remember to stay home and be nice to one another.

MEETINGS, ELECTIONS, AND EMERGENCIES

CHAPLAIN

LOIS STACHELRODT

I will admit right now that I am using some wording from the Department Chaplain of New York's note. The Prayer however is from my heart.

As your Department Chaplain, I felt it was time for a special Prayer to all members of Florida. Please share with your Districts and your Units. We need this time together and we are all in this together as a team.

The past several weeks have been a time of stress and uncertainty not only for our members, but for our armed forces, our veterans and the world as a whole. We have had to practice physical distancing and as members of the American Legion Family, we are not "wired" that way, we are geared to jump in and assist no matter the circumstances. Our Legion Family is very important so please stay safe and only go out when necessary. Please feel free to share with your family, friends and all members of the American Legion Family.

So here is my Prayer to all of you.

Heavenly Father,

We ask thy blessings to be placed on all First Responders who have been fighting this virus with unconditional love, even without fear of being infected themselves. They are the most dedicated, loyal and giving people in the world and they continue to persevere through the turmoil. Without them this may become worse. With them we are seeing the love and concern they have for all of us.

To our members who are struggling both financially and mentally, we are asking that you send them your love, guidance and wisdom to help them through the storm. We are asking that you wrap your loving arms around those who may have lost a loved one to this virus, and let them know that we are here to help them through the difficult times. Father, we also ask that you help those who have lost a loved one; not from the virus but from other causes and that we are here for them. Please wrap your loving arms around them and comfort them through their difficult time.

We also ask that you calm the stress levels and anxiety levels of those who are housebound and cannot get out greeting their friends or seeing family. Let them know that they are all thinking of them and love them. Please just wrap your loving arms around all of us as we go through this storm.

To our healthcare professionals, law enforcement professionals, Armed Forces, and our First Responders all over the world, we ask that you protect them from this virus and allow them to do their jobs, but mostly Father, we ask that you let them know that we are proud of them, love them, care about them and are praying for them every day. Please keep them safe.

To all the members of the American Legion Family, we ask that you keep them safe from this virus and keep us informed of how they are doing, please help us to check in on each other and make sure that they are safe and that their needs are met.

All this we ask in thy Holy Name,
Amen

As the springs begins to bloom, may our spirits also awaken to the beauty that surrounds us. May we remember our members as the Lord has chosen them to live in his kingdom. May we continue to pray for those who are less fortunate than us and who need our help. Let us dedicate ourselves to our beliefs and be loyal to our morales.

I am sending a huge apology to Holly Rewolwnski. Her name was mistakenly listed as deceased, however it was her husband who actually passed away. I am so sorry for your loss and apologize for the error. May the Lord lift you up and help you through this difficult time.

"REV UM UP"

Good Day All,

I hope this finds everyone safe and well. I send my thoughts and prayers out to each of you.

Yesterday April 3, 2020, President Ann King-Smith and I held a conference call with our Area Membership Chairmen to discuss many issues we are now facing. I would like to share the topics we discussed and give you information to help you along your way.

First, let me say WOW !!! Florida membership is really rocking !!! As of last Wednesday, Florida is less than 1% behind the Department of Puerto Rico first place. I know we can boost up a little energy during this time and put Florida where it belongsin First Place.

We understand that there may be questionable transfers. Please if you have documentation or charges pending on a transfer, do not process, hold until unit can meet again. (Remember that by National Rules you can not refuse a transfer or a new member without proper documentation of a charge.)

If your Standing Rules do not address voting on new members or transfers but you have been voting on them because "we've always done it," please process the memberships immediately.

You also should be working on the week of Caring and Sharing. With all the need in our communities right now, this is a good time for your Unit to be doing Buddy Checks. Call your members and check on them. If they have not renewed, this could be a good time to find out why not. It could be a hardship right now for them. You can check and see if you have a membership credit with Department by emailing the Department Treasurer, Brandi Seeber at treasurer@alafl.org. This could be a good way to help Unit members who can't afford to renew right now. If you have a credit the President of the Unit can call a special (emergency) meeting of the E-Board either by phone or email and get permission to use the credit to help pay Unit members in need dues. (Make sure when you are calling that it is really to just check in on them, let them know we care. Don't bring up renewals first off.)

CONSTITUTION & BYLAWS

CATHIE MCMULLIN

When I mentioned last August that many more changes would be coming through, I had no idea there would be so many. The following is a list of all of the changes which were made to our Preamble, Constitution and Bylaws:

1. Preamble (The American Legion changed "Great Wars" to "all wars"):
2. For God and Country, we associate ourselves together for the following purposes:

To uphold and defend the Constitution of the United States of America; to maintain law and order; to foster and perpetuate a one hundred percent Americanism; to preserve the memories and incidents of our associations during all wars; to inculcate a sense of individual obligation to the community, state and nation; to combat the autocracy of both the classes and the masses; to make right the master of might; to promote peace and goodwill on earth; to safeguard and transmit to posterity the principles of justice, freedom and democracy; to participate in and contribute to the accomplishment of the aims and purposes of The American Legion; to consecrate and sanctify our association by our devotion to mutual helpfulness.

The American Legion, with the approval of Congress, was able to expand the years of service required for eligibility to join The Legion to anyone who served April 6, 1917 to November 11, 1918 and any time after December 7, 1941. In addition, The American Legion changed "wives" to "spouses" under ALA Constitution – Article IV – Eligibility which permits male spouses of Veterans to join the American Legion Auxiliary. This prompted a resolution being passed at the 2019 National Convention removing all gender specific verbiage.

The changes mentioned in the above paragraph

affected:

Constitution – Article

II – NATURE

Section 1: American Legion Auxiliary Unit, Inc. is a civilian patriotic service organization that supports the mission of The American Legion.

Note: Previously stated "civilian patriotic service organization of women".

Constitution = Article IV – Eligibility:

"wives" has been changed to "spouses" to allow for male spouses of all Veterans.

See sample at www.alafl.org to review the suggested wording by National taking into account the years of service.

Bylaws:

Any gender specific verbiage such as she or her has been amended to allow for male Auxiliary members.

All of these changes have been incorporated in the Sample Constitution and Bylaws found at www.alafl.org > Programs > Constitution & Bylaws. It is formatted to enable downloading and inserting your Unit's information where applicable. Be sure to put your legal name and full address including your physical location, not just a P. O. Box.

To facilitate faster processing and to reduce postage expense, you may send your revised CBL to my email address for REVIEW ONLY. I CANNOT APPROVE EMAILED COPIES. You must send two copies of the Constitution, Bylaws and Standing Rules to my home address for approval. If you have any questions, please contact me at 610-715-2237 or at cblaws@alafl.org

District 2: ABC School Hosted by Unit 13

District 12: District 12, Unit 200 has received their Centennial Proclamation from the City of Satellite Beach. Holding it is Amy McGuinness, Treasurer, Jennifer Green, and Unit President Cheryl Rector.

Unit 318: Unit 318 Our Auxiliary held its annual 50/50 Pot of Gold progressive raffle on St. Patrick's day. It was a success raffle and our last event at the Post due to Covid19. We will be back stronger than ever. God Bless America!

Unit 5: The American Legion Auxiliary emphasizes protecting, caring for, and supporting children and youth, particularly those of veterans and military families. Show your support for military children during April – Month of the Military Child.

The Military Child's Table Setting Ceremony is a unique program to involve Auxiliary Junior members and younger Sons of The American Legion to honor the sacrifices of their military child friends and classmates. The ceremony is inspired by the POW/ MIA remembrance table ceremony. Our military answer the call to service every day as they defend freedom around the world. That service often comes at a great personal sacrifice, not only for the service member, but also for their children. American Legion U.S.S. Tampa Unit 5 every year for the month of April we set up a Military Child Table

The Military Child Table.

- The potted flowering plant symbolizing that a military child may flower and flourish where they are planted
- The hand spade recognizes that they may be transplanted to a new place in the world at a moment's notice.
- The birthday cake and unlit candles, along with the baseball and glove, and ballet slippers represent special occasions that are missed.
- The family photo depicting a child with his/her uniformed parent demonstrates our country's strength.
- The final touch to the table setting is the American flag to remind us that families are united in their commitment to national service, at home or away.

Remember our Military Children

Unit 5: On March 5th 2020 during our American Legion U.S.S. Tampa Post 5 Family monthly meeting many things were discuss. There was a draping of the Post Charter for our beloved Commander Bill Hamblin who passed away.

There was a special quest speaker from the City Council Luis Vera who came to honor the memory of the late patriot and Air Force and Vietnam Veteran Bill Hamblin. Bill was the Post Commander for American Legion Post 5, he was a man with a deep love for our nation - a passion that he shared with many. His work in promoting patriotism, love of country and civic involvement with our young people was a work of the heart. Luis presented a signed Commendation to the entire American Legion Post 5 Family in honor and remembrance of Bill which was singed by several members of Hillsborough City Council which included the Mayor Of Tampa Jane Castor.

In addition one of the Auxiliary unit members recognized for all she is doing for the Legion Family. However this member had to leave early and missed out on her announcement. On Thursday several members from the American Legion Family and s MacDill Airforce Base personnel came to together to discuss the celebration of life for Commander Bill.

After our meeting Bonnie O'Brien was presented with a special certificate for outstanding achievements for all her work with the Wreaths Across America program. Bonnie is unit 5 Sgt of Arms, and is always there at the Post Home helping out where she ever needed. She is an inspiration to the entire Family of American legion U.S.S. Tampa.

Unit 183: On February 22, 2020 we hosted our 1st Annual Challenge 22 walk and fundraiser in support of the efforts of this wonderful charity. We were honored to have 11 people join us on our inaugural walk with two service dogs! Commander Michael Browning even scored a wheelchair to push President Penny Kanbara through the 2.2 mile walk while her bad Achilles heals. It was a lovely day by the lake and we were honored to have members from Winter Garden Post 63 support us with their merchandise and information on Challenge 22 and the new RPM Protocols. We raised over \$500.00 with Jambalaya made by SAL member Joey Sewell and lots of raffle prizes donated by the community. The band has even donated their time to play every year so we can make this an annual event. Thanks to Kurt Gies, Americanism Chair for all his support.

Unit 273: Saturday, March 7 American Legion and Auxiliary Unit 273 Tampa Bay Troop packing saw Janice Hill's 3 Girls State picks helping pack boxes. They really dived in and accomplished a lot.

Unit 291: Even though we are not meeting and keeping socializing at a distance the Auxiliary Unit 291 is still working to help our community. Ursula Miller Vice President of the ladies Auxiliary was on a mission to get safety supplies for our local Sheriff Department. Ursula got with Brenda Sellers member of our Auxiliary and she made mask for all the deputies. Along with the mask she received a donation from Danny and Michelle McLeod of disposable gloves for each patrol car. They are still in need of sanitizer, Lysol, and rubbing alcohol if anyone can locate and donate or if we can purchase. Along with the safety supplies Ursula was able to get with a wholesaler a few weeks ago and the Auxiliary and the Legion was able to purchase toilet paper to be distributed to our local elderly community for those that can't get out and find this item. Thank you Brenda for your hard work making the mask and thank you Ursula for all your research and for picking up and delivering these items.
