President's Message

MICHELE DEGENNARO

Welcome to "The Winning Hand" and a New Auxiliary Year. I am proud and honored to serve as your Department President this year and to all the members, thank you for this opportunity. This year **We're All In!**

We're "All In" for our veterans, military families, communities, and children & youth. **We're All In"**, with The American Legion, Sons of the American Legion and Riders of the American Legion to work together as a family. **We're "All In"** to ourselves that we may be the best examples of members that we can be and **We're "All In"** to our organization so we may continue these great works well into the next 100 years.

Through a casino theme, every member is encouraged to go **"ALL In!** Each District is a different dazzling casino. Try to embrace and incorporate the theme of your casino into your District and Unit meetings, events, and fundraisers. Our Membership Chairman Dee Bell says, "We will **"STRIKE IT RICH for MEMBERSHIP"** this year. And by using the theme, you will energize, motivate and en**RICH** our membership."

Due to the late date of Convention, the year started before Installation. In early June I had the privilege of attending this year's Girls State session. I spent three days in Tallahassee attending the "last supper", helping with registration, addressing the assembly on Auxiliary & Girls State facts, and then administering the oath at opening ceremonies. What an Awesome experience. Thank you to ALL the volunteers that help make this program such a HUGE success.

Before heading to Orlando for Convention I had the pleasure of participating in the 10th Anniversary of the Safety Harbor 4th of July Patriotic Parade, sponsored by Unit 238. It was a stellar event with the community lined up along the parade route

waving American Flags and adorning their best red, white, and blue apparel.

Immediately following, Parade Chairman Ruth Burgess and I were off to the Gazebo for the Santa's Patriotic Ceremony, where Ruth and I addressed the crowd. Oh how proud I was to be an American!

Installation of Officers and District Presidents seemed to go off without a hitch. Thanks to PDP, Irma Wehrli and the Installing Team. Great job and thank you all. The moment installation ended, from Facebook to Twitter, emails and texts... the word was out and Florida was **"ALL In!"**

With only two short weeks in between, the Department Chairman were hard at work at Boot Camp. Arriving on Thursday and going "All In" until Sunday, the Chairmen worked on their Program Action Plans, display boards, PowerPoints and Presentations. It was a long busy weekend, but we still found time for fun and comradery when the District Presidents arrived on Saturday. What a great experience for all.

The first week in August we will be heading to The Players Club (aka) Department Workshop! Join us for a weekend of fun and learning as we go "All In" for our veterans, military families, community, and children & youth! There you will have an opportunity to learn about the ALA Programs, meet your Department Officers and Chairmen, and take back to the Units handouts and brochures.

For those of you who could not make Installation, I want you to know I am All in for this position and the coming year and I Thank you.... for going **"All in"** with me!

CHARLOTTE BASS

Greetings,

First, I would like to say that I am honored and excited to be your 2018-2019 Department Education Chairman.

August is a busy month for teachers, parents, and students as they are preparing for the new school year. Our "Give 10 to Education" Program is vital to helping our students get a successful start to their school year. Many parents can't afford to supply their children with all of the supplies needed to begin the school year, having some of the burden fall on the teachers. Teachers have to pay for these supplies out of their own pocket. On average teachers spend \$500.00 out of pocket and 1 out of 10 spend \$1,000.00 or more. Budget cuts across the school districts are requiring parents and teachers to purchase items that weren't on "Back to School" lists before, (example: copy paper, wet wipes, paper towels, hand sanitizer just to name a few.) Also, the elementary school clinics are in need of clothing, shoes, socks and underwear for those little ones that have accidents and parents haven't brought in a change of clothes. Check with your local schools to see what their needs are.

Collecting Box Tops for Education is also an excellent way to help support your local schools.

Schools get \$0.10 cents for every Box Top Collected. Our next major event for Education is American Education Week, November 12-16th, 2018. This is a time when we honor the individuals who are making schools great for every child. This week is not only dedicated to teachers but also the office staff, custodial staff, principals, bus drivers and school board. I have listed below just a couple of ideas, but for additional ideas you can go to the National Website, alaforveterans.org and NEA.org (American Education Week Activities Tool Kit.) Some Ideas for this week are:

- Gift Basket of goodies (candy, cookies, any baked goods) for all personnel at the school, along with thank you cards)
- Have your Juniors make thank you cards for bus drivers and give them to the bus driver when they get on the bus. Juniors can also make thank you cards for teachers and other support staff.
- Provide a breakfast for the staff and teachers (doughnuts are always welcome.)
- Take muffins/doughnuts/other baked goods to the local School Board.

Don't forget to promote our Scholarships. Please check for the deadlines on alafl.org and alaforveterans.org

Mid-year reports:

- Unit Reports to District Chairman: December 1st, 2018
- District Mid -Year Reports Due to Department Chairman: December 15th , 2018.

Please see the Program Action Plans for details on reporting

Thank you for all that you do,

Charlotte Bass Department Education Chairman

Constitution & Bylaws

LINDA KNOBLACH-HARKNESS

A new year has begun and it's time to talk Constitution and Bylaws (no groaning).

I know this can seem like a daunting task. I understand that updating a legal document could be intimidating. But never fear! You are not alone! We are "All In" to ensure every unit's Constitution and Bylaws are updated and that all units are compliant with Department.

First, let me make it very clear, I'm here to help you. If you need help, have questions or need to talk through some concepts that you might not have a thorough grasp on, I'm committed to helping you, but I can't do anything without you.

Let's start by knowing what in our unit's ruling documents.

Many of our units have updated and approved Constitution and Bylaws and Standing Rules, but do our members know what these documents really are? Do they know these are the "rules" of the unit? Do our officers know that one of the best ways to avoid conflict and promote goodwill is to follow the unit's Constitution and Bylaws? So, get those Constitution and Bylaws out, find a nice quiet place to read them (get a nice big drink of something because it will be some dry reading, but worth it) and get to know your Unit's governing documents and start utilizing them.

If you think changes are needed so your unit can operate better, suggest them to your Unit's

Constitution and Bylaws chairman. This is every member's document, not just the officers. In fact, I believe it is every unit member's responsibility to know the basics of what is in their presiding documents.

To help us all have a better understanding, I have a few pointers:

1. Don't put off updating your documents (it won't make it easier)
2. The Constitution and Bylaws should be changed about every 10 years. However, if changes are needed, make sure that what is in the Constitution/Bylaws will not change for many years.
3. The Standing Rules can be changed as the unit needs change. For example, Meeting Day and Time.
4. Don't go it alone. If you need help or have questions, I can be reached at cblaws@alafl.org or call me 484-264-7890

So be "All In"- In compliance and In the know.

I'm honored to be this year's Constitution and Bylaws Chairman and I personally want to thank my predecessors for all they have contributed to helping all of us have a better understanding of these very important documents.

PATTY MACDONALD

Hello from Department Headquarters. What a great Convention we just had! It was wonderful to see some many people come together for our organization. Congratulations to all the new Department Officers, Chairman, and District Presidents. I want to thank all the units and individuals who made a donation to the 2017-2018 Department President Project, K-9 for Warriors. A large amount of money was donated for a good cause. The 2018-2019 Department President Michele DeGennaro project is Final Salute. Final Salute assists homeless female veterans. They have done wonderful work in Florida and all the money raised will stay in Florida. The National Presidents project is the ALA Foundation with an emphasis on Female Homeless Veterans.

The 2019 membership recap sheet is located on the website at www.alafl.org under Quicklinks- Forms & Resources. You will see that the recap sheet has the National dues increase and the Department special assessment that was voted on at Department Convention. Please use this recap sheet for 2019 dues. If you are paying back dues the 2018 membership recap sheet is still on the website as well. For 2018 dues, you will submit \$16.50 for each senior member. For 2019 dues, you will submit \$21.50 for each senior member and \$4.25 for each junior member.

Headquarters sent each Unit a Unit Chairman form to complete and send to the District President

and a copy to headquarters. If you didn't receive the form, you can find it located on our website under Quicklinks- Forms & Resources - Unit Forms. If you haven't sent this form in please do so, as it will help District and Department chairmen get in touch with Unit chairmen.

Our annual Workshop will be August 3rd -August 5th , 2018 and our theme is "Player's Club". Once workshop is completed, all the Department Chairman Program Action Plans will be placed on our website for download. If a Unit or individual would like a hard copy mailed to them, they can send a check to Department Headquarters in the amount of \$25.00 payable to ALA Dept of Florida. Please note in the memo line or include a letter stating you are requesting the printed Program Action Plans and where you would like it mailed.

Fall Conference is approaching soon. The dates are November 1st - November 4th , 2018. I will have a flyer on our website soon and will have more information in the next newsletter.

I look forward to working with all of you this year. Remember, **"We're All In"**.

BECKY GRIPTON

Hello, August! A new fiscal year is upon us already. How time flies when you're having fun.

Congratulations to President TK for a great year and to all of you for your efforts in contributing to the Department President's Project making it a great success for K9 for Warriors. In total, our American Legion Auxiliary, Department of Florida collected over \$105,000.00 in donations for charities and our poppy/scholarship program alone! This is a great success and you should give yourself a well-deserved pat on the back. Florida's dedication to veterans and their families is truly astounding! I am so blessed to be a part of this organization.

A very big welcome to all our 2018-2019 Department Officers, Chairmen, Special Appointments and District Presidents! I look forward to working with you under our new leadership, President Michele DeGennaro as we all live out this year's mantra and go "All In"! I'm anticipating all the exciting new things to come this year and the impact we will have as an organization.

There are a few items I'd like to address as we close out our 2017-2018 year and move into the new:

♦ **2019 Dues Changes.** At Convention, a \$2 senior member special assessment resolution for the 2019 membership year was adopted. This means that when paying 2019 membership dues, you will submit \$21.50 for each senior member and \$4.25 for each junior member. If you have already submitted membership for 2019 to Department without the special assessment included, don't worry! We will not return your membership! We

will simply send you a membership memo informing you of the \$2 shortage and we will add this shortage to your MCR (Membership Credit Report.) As normal, you will need to pay your MCR if the final balance is an amount owed or if your final MCR amount is a credit, you can use it to pay for any future membership recap you send in. *Don't forget to use our new 2019 recap forms that are on the website.

♦ **2019 Online Renewal Payments.** Units who receive credits on their MCR from members who have paid National online for their membership, will see the whole credit received from National on their MCR and then a separate line item deduction from their credit for the \$2 special assessment. It will be clearly labeled on the memo lines what each entry is for and will include the usual special membership memo for each transaction that month with the list of each member that has paid.

♦ **Reminder!** The \$2 special assessment that was passed was not a direct increase to your members' dues. You cannot collect or require members to pay an additional \$2 fee for their membership. This assessment is affecting only what Units send to Department. Unit members will only pay their established Unit dues. Most Units have already adjusted their dues to reflect the new increases from National & Department. However, Units who feel they need to increase their membership dues and have not yet done so, may still change their 2019 dues after following the proper steps and submitting a \$30 fee to be paid to National. (The steps includes voting, updating standing rules, etc. and there

are additional guidelines that apply. Please contact our Department Secretary if you have any questions regarding this process.)

you will receive an invoice included with your report.

♦ **2017-2018 Final MCR.** The final 17-18 MCR report will be sent out to each Unit by August 15th and will include a check if your MCR included a credit as it's final balance. If your MCR report is a final balance owed to Department, your MCR balance will be closed out to our Accounts Receivables and

Please check out our website www.alafl.org for all our new applicable 2018-2019 forms. Please contact me at (407) 293-7411 or treasurer@alafl.org if you have any questions or need further clarity or as questions arise throughout the year. **I look forward to a wonderful new year!**

Spreading a culture of goodwill, each and every member is a **VIP** (very important player) in Florida and should be treated as one. Each district is a dazzling casino. I encourage the districts and

units to incorporate your casino theme into your meetings, events and fundraisers. Let's make it a fun-filled exciting **enRICHing** year while going All IN for our veterans, military families, communities and children and youth. The first target date is September 15, 2018, Blossoming Winnings. Let's get off to a great year as we **RENEW, RETAIN, REJOIN, and RECRUIT** as **We go ALL IN!**

Children & Youth

JANE HARDACRE

Constitution Week is the commemoration of America's most important document. It is celebrated annually during the week of September 17-23, 2018. This celebration of the Constitution was started by the Daughters of the American Revolution. In 1955, DAR petitioned Congress to set aside September 17-23 annually to be dedicated for the observance of Constitution Week. The resolution was later adopted by the U.S. Congress and signed into

public law on August 2, 1956, by President Dwight D. Eisenhower.

"Star Spangled Kids" is an ALA program to educate children and youth on the history of the United States from the aspect of patriotism, Americanism and the U.S. Constitution. **September 17th is Constitution Day (Citizenship Day).**

Contact your local schools now for Constitution Week.

- Offer to make a "Star Spangled" presentation to your local schools. Invite post members to help students learn how their military service was meaningful in defending the U.S. Constitution.
- Distribute pocket copies of the U.S. Constitution for school children and/or Juniors.
- Distribute patriotic coloring books pages for children in primary grades.
- Hold a scavenger hunt where children find information relating to the Constitution.
- Encourage high school-aged students to use their knowledge of the U.S. Constitution by participating in The American Legion Oratorical Contest.

For more information on "Star Spangled Kids", visit National's website under Children and Youth program @ www.alaforveterans.org.

Legislative

SHIRLEY FASHANO

I am thrilled to be your Department Legislative Chair. Together we will make a difference on issues concerning veterans, women, military life, national security and patriotism. The only way we can do this is by encouraging and empowering ourselves to be more knowledgeable in order to take action on The American Legion's legislative priorities. Here are just a few of the ways we can do this:

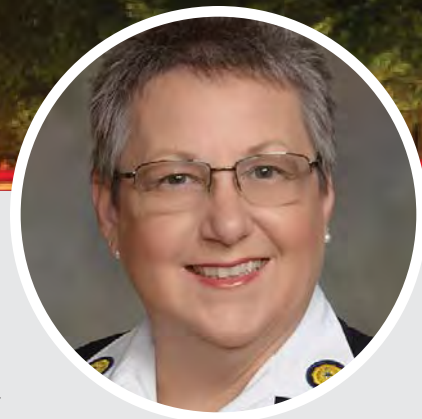

Subscribe to The American Legion's **Legislative Action Alerts** to receive notifications. When they call on Legion Family members to take immediate action on legislative issues you will be notified. It's very easy visit www.capwiz.com/legion/mlm/signup to subscribe.

Another way is the American Legion's **Legislative Update and e-newsletters** this will keep you informed on recurring veteran, military, budget and funding, healthcare, patriotism, and awareness

issues. You will go to www.legion.org to subscribe.

Finally you can order a copy of the **ALA Legislative Advocacy Guide** through Department Headquarters or download from their website at www.alaforveterans.org Follow the suggestions and guidelines to help build legislative awareness within your American Legion family and your community.

This is a wonderful and exciting year for all of us, as Elections are in November. Always remember we are a non-partisan Legislative team fighting for our Veterans. We must keep an eye on our elected officials, hold them accountable for their actions towards the American Veterans. We must stay politically connected to our government.

National Security

RHONDA BRAILEY-MAURER

Let's not gamble on Disasters, let's get prepared!

I know you're probably enjoying your summer, and don't really want to think about the hurricane season, but we are in it. Are you prepared for whatever Mother Nature throws at us? Well here's a thought, the Community Emergency Response Team (CERT) training programs are going on now in and around the state. Contact your local Fire Departments to find out if they are doing any or if they know where one is being held in your community. It's an opportunity of "doing the greatest good for the greatest number of people".

How many units are participating in Blood Drives? This is also a National Security program, in most states the American Red Cross runs this program, but here in Florida we have OneBlood. If you would like to find out more about hosting a blood drive, contact www.oneblood.org. Remember, each whole blood donation has the potential to save up to three lives.

I'm ready to go "**ALL IN**" and help where I am needed, just let me now, I'm here for you.
