President's Message

TREVA KAY WILDRICK

OK GOOGLE... In May, the first Saturday is the Kentucky Derby. The second Sunday in May is Mother's Day. Old Saying: April Showers Bring May Flowers. Flowers are natural fireworks in extreme slow motion.

- Old Joke: What do Mayflowers bring?
Answer: Pilgrims.
- May is filled with "43-Months". To name a few: ALS Awareness; Barbeque, Blood Pressure, Cystic Fibrosis Awareness, Hamburger, International Mediterranean Diet, Loaded Potato, Mental Health Awareness, Military Appreciation, Salad, Salsa, Skin Cancer, National Smile, Stroke Awareness and Water Safety.
- The Birthstone is Emerald, which signifies love and success.
- The Birth Flower is the Lily of the Valley - humility, chastity, sweetness, purity and is said to bring luck in love.

The start of 15th District visit found the 3 Amigo's at Post 138 Tampa on Sunday March 18th. We enjoyed a grand Breakfast and met with President Kathy and several members. I also had the special opportunity to pin 2 young Jr members. Next, we were escorted to Post 139 Tampa where we were greeted by several members and we heard lots of stories of the great events and successes they had. My visit was strictly timed as I had an invitation to Gold Star Tea hosted by Unit 5 Tampa. What a fantastic turn-out of members from both District 15 as well as District 16. Upon arrival, the selection of a beautiful tea cup and saucer was the first order of business. The buffet of finger sandwiches and delicious desserts was bountiful. There were many Gold Star mothers as distinguished guests, most of whom were members of the American Legion Auxiliary. Each Mother shared their heartfelt stories of their fallen heroes - mostly happy and proud memories but many of us would be seen with tissues shedding tears for their losses... I had an

opportunity to address these wonderful ladies and thanked them for their courage and perseverance.

Monday we all met at Post 148 Riverview for Breakfast, cooked to order by the SAL, home for District President Georgia McKenzie. Again, we enjoyed our visit with the members in attendance and hearing the activities they have accomplished. From there, we went on to Post 26 Plant City and visited with President Pam and Secretary Diane. They told us the history behind the Post namesake, Norman McLeod and the story behind the corner display honoring the Fire Wagon "History of the American Flags". We visited in the 'refurbished' Auxiliary room and reminisced the previous years' memorabilia and activities. We ended our visit with coffee and most delicious strawberry shortcake - of course I tried both types of strawberry toppings... PS: Thank You for the surprise gift - a jar of homemade Strawberry Preserves. I have been thoroughly enjoying my breakfast Bagels while camping these past few weeks!!!

Tuesday found us at Post 5 Tampa with Unit President Rosemary Hamlin organizing a lovely breakfast buffet. I toured the Post and visited with Patty Delgado along with several other members. I was presented a handcrafted wreath out of doggy-printed cloth and (2) paperweights - hand-painted rocks: one with ALA Logo and the other with logo of K-9's for Warriors. Beautiful! The Legionnaires and SAL entourage went on to visit Post 111. I stayed awhile longer as Unit 111 President Connie was already in attendance. All the Auxiliary members gathered around the table and shared further stories about their activities and events supporting Auxiliary programs and our protocols. Then, President Mary from Unit 248 West Tampa escorted me to her Post where the "Bingo" ladies were enjoying the afternoon. The Unit is small but mighty - they collect donations for a food pantry and supplies for the local school. Among the several items on display was a Certificate of Appreciation presented from James Haley VA Hospital to Mary McColgan recognizing her tireless efforts in Honor of Social Work Month - March 2018. Congratulations!! The day ended with dinner at Post 334 North Tampa. This Post hosts a Flea Market every weekend with vendors' tents along the perimeter. Thank You ladies for the delicious dinner and for ALL your efforts supporting our

veterans. I enjoyed the 2nd price of carrot cake as my mid-night snack...

Wednesday, we traveled to Town and Country Post 152 Tampa, home of PDP Mary Kelly Perkins. After coffee and doughnuts, The 3 Amigos addressed the members speaking of membership, programs, history, charities and the Legion Family. Thank You Mary for your hospitality!! Our next stop was Post 147 Gunn Hwy Memorial. We were met by several Legion and Auxiliary members and enjoyed a lovely lunch, with plenty of homemade desserts and ice cream! The ladies are very busy making BEAUTIFUL lap robes from the yarn donated by other Unit members. They are also very busy making plarn (yarn from plastic bags) and crocheting mats for our homeless veterans. I 'helped' with the next batch by delivering the huge bag of collected yarn and prepared/cut plastic strips. Great job ladies and thank you for your valuable time and creativity! That evening Bernie and I went to Post 148 for some relaxation. I joined the weekly BINGO and Bernie visited with the Sons. My ticket was drawn as the "Queen" for the evening and as luck would have it, G58 was a popular number drawn throughout the evening. Just so you know, every \$1 won was eventually returned/played for the next game. What great fun our table had and much laughter was shared!!

On Thursday we ventured to Brooksville, Post 99. What a beautiful old building! Although there is not an Auxiliary currently, the Post Adjutant is very excited about the possibility in the very near future! From there, the Legion Family entourage went to Post 186 Spring Hill for lunch. Again, Mary and the members outdid themselves with the feast provided. I had an opportunity to visit with all the members - fulfilling my 'social butterfly' duties as Bernie says.

Friday, the Legion Family entourage gathered at James A Haley VA Hospital meeting up with our representative, Ann Sankowski. We had a tour of the facility including the CLC, Hospice and Swim/Pool Therapy. As we were ending our tour, our guide explained the new technology in the poly-prosthetics field. Just then, advancing down the hall were 2 therapists and a US Marine adorned with his new legs, learning to use the mechanics. It was such a thrill to see him, although I am sure it was a challenge for him; draining his strength. When we got closer, a vibrant round of applause was given and we asked his permission for photos while he gladly shared his story. Later that afternoon, we went to the Veterans Memorial Park and for a guided tour of each tribute. We ended our District visit with an infamous SAL Fish Fry dinner at Riverview Post 148. What a great crowd!! There were many Auxiliary and Sons members enjoying great food and comradery. The Unit presented me a

gift - a beautiful wooden kaleidoscope in the shape of an egg. Then they overwhelmed me with a check to K-9's for Warriors in the amount of \$1000! I simply burst into happy tears. Bernie and I stayed and enjoyed the entertainment by dancing the night away. Thank You District 15 'Domestic Doves' for such a wonderful visit and sharing your time and kindness!!

Saturday, the Madam President Vehicle was seen leaving the campground at 4am traveling to Jacksonville, Unit 88 for the 5th District ABC School. There were over 40 members in attendance, 7 were newbies!! It was an honor to be their Instructor. After introductions all around, we began.

By the time we broke for lunch, we had everyone participating with the questions and answers. A quick end of session survey showed both the newbies and seasoned members learned much and would bring a friend the next time. Unit 88 presented me with a check for K-9's for Warriors.

Afterwards, I was driving south I-95 to Titusville Post 1 for the Eastern Area Ball. Bernie had already 'set-up' the camper and our furbabies were making friends at every chance available. After a quick change to Western attire we were 'off to the ball'. There were several Department Chairmen and Officers in attendance, along with PDP's Peggy Hearlson, Erna Schwabe, Diane Rousseau and Pat Donohue. The food was terrific, the entertainment lively and everyone had a great time! We had a great breakfast at the Post and then headed back to Fern Park.

District 17 visits started on Wednesday, March 28th. Meeting President Toni Ellsworth at Post 267 Ormond Beach, we traveled to Palatka, Post 45 for lunch. President Donna, Kaye and other members were busy making plarn for the mats for veterans. Along with Diane and Pat, we discussed other activities the Unit has accomplished and their ideas for fundraising. They gave me a copy of the Legion Family Newsletter, The 45 Informer. It is filled with upcoming events to promote the Legion within the community - great job!!

Next we visited South Daytona, Unit 361. President Linda and her members provided a delightful "Pig Buffet" and the Pig-themed centerpieces on the tables were adorable. There were members from Unit 17 New Smyrna Beach and they had designed the cutest T-Shirt for District Membership. Bernie was visiting with other members in the 'Social Club' and it is certainly a small world. There were his 2nd cousins from the Syracuse area and did they share some childhood stories! As we gathered for photos, President Toni presented gifts: Harley Angel Wings earrings and pendant set and a beautiful R/W/B crystal Heart Pendant from the District. Then, Unit 361 presented a \$1000 check for K-9's for Warriors. Thank You for your hard work and generosity!

Our next scheduled visit was Unit 270 Port Orange, home of PDP Shirley Fraser. I had heard of their "Sticks and Stones" and was excited to participate. What Fun!! It is a spin-off of Bingo with popsicle sticks and ornamental glass pebbles. \$1 a stick, cover those 3 numbers and BINGO! Great idea and VERY popular with the members and guests! If you get a chance to visit, try the Wings - Taster!!

Thursday we returned to Ormond Beach and volunteered at the Jewish Foundation for their Jerry Doliner Food Bank. I met the founder, Gloria and she definitely runs a very organized operation. After setting up the tables with bakery items, fruit and produce, pounds of potatoes, loaves of bread, boxes of hams and grocery bags over-filled with other canned-goods, boxed cereals and other miscellaneous items we were ready to provide 'carry-assistance' for the 200+ families. The local paper and news crews were there interviewing families and taking general photos of the food-line. Many have been coming for several years and are very grateful for the assistance.

We hated to leave; however, our scheduled appointment to the PRRC was coming up fast. This is a VA Wellness Center in Port Orange. It was the Alumni & Grads Get-Together - an open forum of how the program succeeds and family members added as well. Our guide, Anne Barriero, Recreation Therapy, stated some of these Veterans are submitting their Art and Music at an upcoming Festival at the local Museum. The program 'teaches' our Veterans to do laundry, cook meals, dress appropriately for work / job interviews, etc. And from the stories shared, I believe the program is very successful!

We went back to Post 267 Ormond Beach for Taco Lunch. Then we were off to Emory Bennett Daytona Beach and met Erna Schwabe. We had a great tour with Donna and met several veterans along the way. Then we went to Holly Hill and President Chickie had a lovely table of snacks (especially the crackers with nuts and squash - he he). I enjoyed visiting with the members and then we gathered for our group photo - Ta Da!! We all had different pig-mask/signs - too fun!

Friday was a Girls State meeting day outside of Gainesville at Sylvia Fidler's ranch home. Director Theresa, Assistant Director Jackie, Admin Joan and I worked through the agenda to prepare for the upcoming session. Thank You again Sylvia for your hospitality. I am VERY excited for this year's program - GIRLS STATE IS GREAT!!

Saturday, Bernie and I went to Edgewater Post 285, home of Historian Eleanor Amato. We were also joined

by Sherry Wingard and their husbands. It was a delight to meet President Dora Lee and her sister, Jean. What a fantastic breakfast! Afterwards, I was presented a \$1000 check for K-9's for Warriors which represented the accumulated proceeds from their Breakfasts and tips. WOW!! Thank You Bunches!!

Easter Sunday was spent with Mom and Dad. We enjoyed a Sunday Brunch and caught up with our Family long-distance. I hope everyone had a joyful holiday, too.

Our plans changed due to our doggy-sitter. We could not participate on the FL Unity Legacy Run. Sooo, we adjusted our schedule and visited the Panhandle Districts 1 and 2. Bernie was able to get campsites in Pensacola, then Ft. Walton then Panama City and finally Tallahassee. Thanks to Tee Maxile, Linda Knoblach-Harkness and Muriel Kweyama we had a wonderful visit.

We arrived on Saturday, April 7th at Avalon RV Park. Our camp neighbors were a US Marine family with 2 young boys that loved fishing in the small pond behind our sites. We headed to Post 240 Pensacola for Breakfast on Sunday and ran into a fellow Legion College classmate, Dave Viechec. They were having a Car Show and Fish Fry that afternoon. We also visited Post 340 Pensacola and met several ALR members after their meeting. Warning, these folks are very good at Billiards - the walls were filled with trophies. I had a JoAnn's coupon that would expire and didn't want to miss the opportunity to purchase the material for the Girls State City banners, sooo "OK Googled" to the nearest location...

Monday started our official visit with Past District President Linda Knoblach-Harkness escorting to New Horizons for a tour of the Workshop and Facilities. This program is a project initiated by Unit 42 many years ago that supports our children with special needs. The Workshop has separate rooms for Art / Reading / Music and then the great Hall has movie time and other activities. The New Horizons Living Center has double occupancy rooms and common dining halls. These participants definitely have a routine with their specific purpose and are a delight to visit.

We went to Post 340 Pensacola for a meet and greet with President Kathy and several members. President Kathy presented me with a photo album depicting the events the Unit had throughout the year - great idea! We had a round-table discussion of the program events and reporting thereof. We also discussed upcoming nominated officers and some of the new ideas they have and would like to try. I hope they hold the Mister Miss Poppy contest again - looked like loads of fun, raising lots of money too!

Tuesday we traveled to Post 193 Pensacola, home of PDP Gerrie Bailey. President Bessie arranged a lovely

Continued on Page 6 ⇒

meet and greet and then lunch was served to the community veterans. I offered to help but soon realized I was slowing-up the works. Great Job to All - I know Gerrie was smiling down at us!! Our next stop was to the 'Little Legion' Post 378 Gulf Breeze. We enjoyed a soda while wishing Happy Birthday to Unit President Carrie. She was preparing for a presentation to Fisher House for the proceeds from the Legion Family sponsored Shamrock Run- Congratulations! Next we were off to Unit 240 Pensacola, home of PDP Edie Herrington for their Unit meeting. President Kim held a great meeting and I enjoyed hearing about their activities, fundraisers and donations. They are working a special project for a Homeless Female Veterans Transitional Home co-founded through Catholic Charities. They are sponsoring a room with a Poppy theme. I wish these heroes success for their upcoming year of transitional housing!

Wednesday found us moving to Ft. Walton to the Fred Gannon State Park. Fortunately, we were able to set-up early and then change to attend the Services for Larry Carpenter. The Celebration of Life at Niceville Post 221 was well attended and it was a pleasure to meet Pat's and Larry's family members. Bernie and I also had the pleasure of pinning their grandchildren, Nora and Wyatt. Thank You Tee for being there for Pat!! That afternoon we traveled to Post 75 Crestview where we met several Auxiliary members. They have Wii-Bowling Tournaments and Dart Tournaments, packing the house for each. Thanks Bunches for the 'Bottle Centerpiece' idea...

Thursday had a full agenda. We started at Post 235 Ft. Walton Beach, home of PDP Olga 'OT' Terrell with President Tee Maxile and Linda, along with Unit President Debbie, Secretary Shari and Manager Lisa. What an awesome group of women and the list of accomplishments is impressive! The Hall dedicated to OT is beautifully done and the other renovations are in the works.

We enjoyed our Pizza Bread for lunch and will definitely try them for Bernie. Next, we were off to Destin Post 296. President Corlene has a great team of "go-getter" members. They have Breakfasts and help with Dinners, a Yard/Garage Sale which supported an Adopted Family for Thanksgiving and Christmas. They are working to revitalize BINGO and they are planning for Wreaths Across America! We had to end our visit as they were going into an Executive meeting and we had to get along to our next scheduled visit to Post 382 Navarre. However, the traffic on SR 98 had another adventure in mind... The 20-mile distance took over 2-hours!! Fortunately, they all understood as it is 'normal'. Upon arrival we had a great time visiting with President McKenzie and the other members. They are very active hosting an Octoberfest

with Bavarian Food; Kids Parties decorating the Hall for Christmas and Easter as well as supporting the Riders with their Ride for Claus - A Toy Drive. Keep up the Great Work Ladies!!

Friday found us moving the camper to Post 392 Panama City. Thank You President Vicki for arranging our stay! We had a warm welcoming as we all gathered under the awning and the furbabies were in full social tail-wagging mode. We had scheduled a meet and greet at Post 375 Southport with Linda and Jane. President Wanda had 11 members in attendance. We discussed their activities and successes in supporting the Legion Family. We answered questions regarding compliance, protocol and education of our programs. They are very interested in hosting an ABC School and Jane has offered her time to be the Instructor. Then, we were back to Post 356 for their Fish Dinner - Yummy!! We enjoyed an adult-beverage and joined in the Karaoke entertainment for a short-while. We met all the Auxiliary members and they also shared their favorite stories of the activities in which they participated.

Saturday we were up and at'em for a meeting at Post 402 Panama City Beach. They actually share a building with a VFW. President Linda explained this is their 2nd year anniversary. They are co-sponsors of a 5K Run in October the Gary Snead Snowball Express, raising over \$10K for Fire Department Equipment. They also sponsor \$100 monthly for Food For Kids program. They also sent \$500 to Department for K-9's For Warriors. Thank You ladies for an awesome job!! As it was getting close to set-up time for BINGO, we said our good-byes and I am looking forward to hearing greater achievements from this Unit next year...

We made it back to Post 392 Panama City to welcome the FL Unity Legacy Riders. It was a great pleasure to see Tina Kirchoff and she shared many of the Unit's accomplishments. The Unit President was on the Legacy Ride and shared her experience. We had a lovely meet and greet with the members and a group photo including the portrait of their beloved secretary. They also presented me with a gift of ceramic ducks - too cute!!

We returned to Post 356 for the SAL Steak Night. Bernie was able to visit with the Squadron members and I had the pleasure of meeting more Auxiliary members! Thank You to President Tee and Linda for showing me your kindness and hospitality and your total patience and understanding while we visited your District Units and Members. It was totally ducky!!

Sunday we packed up and traveled to Tallahassee to Big Oak RV Park. We met PDP Kathee Coughlin for dinner at Salty Dawg, a local establishment known for their Wings.

We were joined by Dept. Commander Steve and Western Area Commander Jim Brennan and his wife, Pat. Thanks Bunches - it was a fun place and great food!

Monday I met District President Muriel Kweyama and Unit 13 Tallahassee at Longhorn for Luncheon Meet and Greet. President Nell was a gracious hostess and we had 18 members in attendance. I met and visited with everyone. Nell Carlisle was a great Historian and had presented President Nell with several books of photos and Unit histories, including the listing of Past Presidents and Girls State attendees. Gayle is very active with Veteran activities. Currently, she is selling donated Orchids for projects supporting our Veterans. That evening we met at Havana Library for the Unit 84 Havana joint dinner meet and greet. They also had a special guest, Caleb Wilson, the Oratorical winner from FL who made it to the semi-finals at National - Congratulations! Unfortunately, Steve and Bernie were held up at previous Post visits so we made a plate for them.

Tuesday President Muriel took me on several tours; we went to the Tallahassee VA Center and met Lillie and Mary from Unit 217 Quincy serving coffee and doughnuts for our Veterans. We had a tour with VA Police Officer Keyona Foust, a female veteran. By the end of the tour she had an application in hand... Next, we were off to the National Guard Armory for lunch. They had several veterans from Honor Flight in attendance as well as the local representative for the Vet Center, another program offered through the VA for our veterans. Our next stop was the Tallahassee National Cemetery and a tour provided by Director Raymond Miller. What a privilege to see the photos and the "behind the scenes" as well as plans for the next 100-years. Thank You for special considerations for our heroes and their families. From there we went to Carrabelle to meet Unit 82 Lanark for dinner at the Fisherman's Wife Restaurant. President Suzanna had 7 other members in attendance and we had such a great time sharing stories of their events this year. The nominated officers are ready to make a difference again next year for their community and students. Thank You for your outstanding efforts and volunteerism!

Wednesday, we went to Golf Club at Quincy for luncheon meet and greet with Units 217 Quincy, 100 Marianna and 241 Sneads. What a lovely time sharing stories and accomplishments. The items on the buffet lunch were delicious. Each Unit also presented a gift - Thank You all for your kindness!! We ended our District 2 visit as we started, a quite dinner at Golden Corral with Kathee, Jim, Pat, Steve and Bernie. We thoroughly enjoyed our time and hated having to leave Thursday.

Friday I traveled to Delray Beach to attend the Services

and Celebration of Life for our dear friend, Linda Grevera. She was a great asset to the American Legion Auxiliary, most recently our Department Legislative Chairman with her picture on the cover of the National Auxiliary Magazine and Representative for VA Hospital in West Palm Beach. She was the Department Chairman for National Security this term. Her brother, Paul, shared the top 3 things to remember Linda: her passion for serving/helping by giving back; she showed the meaning of a servant's heart of doing without expecting reward and lastly to know your dreams and then go get them. Thank You Linda for being such a great example of a true leader, we will miss you.

Saturday was a day filled with District Picnics throughout Florida. I attended the 6th District Picnic hosted by Old Glory Post 183, home of the 3 Amigo's. The weather decided to cooperate and we had a good turnout of members from the District as well as several others from Department. We had a surprise guest; Carol Baldwin, the National Eastern Division VA&R Chairman. She had a presentation from the National VA&R Creative Arts Festival which was held in Buffalo, NY - a buffalo-shaped cutting-board as a Thank-You for the donation. Too cool!! Also, President Paula from Unit 80 St. Cloud presented a check for K-9's for Warriors - Thank You for your generosity ladies! All the proceeds for the Picnic and other donations presented were for Boys and Girls State Transportation. I don't know the totals at this time, but I do know the Strawberries were a great success!!! Thanks to ALL for participating and donating generously!!

Two things define You. Your patience when you have nothing and your attitude when you have everything. Dream on Dreamer and Do You!!

ELEANOR AMATO

HISTORIAN ELEANOR AMATO VISITS AMERICAN LEGION AUXILIARY USS TAMPA UNIT 5

During my recent visit to the American Legion USS Tampa Post 5 for the rededication and anniversary of the sinking of their name sake US Coast Guard Cutter Tampa, I had the privilege of a tour of the home for the American Legion Auxiliary Unit 5. I was taken back by the wall of honor of every president since the beginning of Unit 5 in 1921. Pictured above is President O. N. Bie (1921-1922) and on the right a sample of the "Wall of Honor".

President Bie led the charge to purchase the adjacent 2 acres of land in 1920. According to legion lore she couldn't stomach the notion of a homeless WWI veteran being buried in a pauper's grave. At the time, the cemetery was on the outskirts of town, but now it is near one of Tampa's busiest intersections.

The bone white tombstones march toward a line of oaks. This is sacred ground and is protected. Care of the cemetery falls to the American Legion Cemetery Corp. founded in the 70s. This truly is a site to see. Thank you Rosemary Hamblin for the great tour.

All units have a great history, contacted me with your information. Remember, I am here for you, Eleanor Amato, Department of Florida Historian.

As we remember those who have left us, let us not forget those who gave our rights to us. Without those Veterans who have served, are still serving and those who gave the ultimate sacrifice we would not be able to speak and fight for what we believe in. Always remember that our Heavenly Father is caring for all the Veterans and for everyone in the world.

Greeting from Department Headquarters! We have been busy at Department with Girls State, District Constitutional Conference and Department Convention. I want to provide you information on these items.

Girls State:

We have closed registration, and at this time all the delegates and alternates are busy working on their government questionnaire and attending orientations. Remember, all approved delegates and alternates must attend an orientation to qualify for Girls State.! The dates for orientations are located on our website, www.alafl.org, under Quick links, Girls State. They are also on the website calendar.

District Constitutional Conferences:

District Constitutional Conferences are coming up, and most dates have been set. I will be mailing the voting strength out 10 days prior to the conference. Each unit will receive an envelope and a copy of all units voting strength will be sent to the District President. If you can attend the District Constitutional Conference in the district you are a member of, they would love to see you. The dates for the Constitutional Conference are located on the calendar, on Department website, and also included in this newsletter.

Department Convention:

Department Convention is fast approaching, and Department is working hard preparing for it! The Call to Convention will be sent out to all the units along with the agenda, and also placed on our website. The Call for Pages and the Call for Colors will be going out and also placed on the website. We hope to see many units and district participating in the call for colors and call for pages. This year, we will be voting electronically at Convention. How exciting that is going to be! We will also have a special National Guest visit us.

LIT Products and Services Exclusively for Legion Families

The Legion families in this Department are very fortunate to be part of something that has been around over half a century - the Legionnaire Insurance Trust (LIT). The Department joined with the other forty-nine (49) Departments that make-up the LIT. The LIT is this

Department's sponsored insurance program. Make no mistake, the broad range of insurance products and services found under the LIT umbrella are your products and services. These products and services are not available to just anyone - other veterans included - but only to members of this Department's Legion family.

The LIT's products and services are continually reviewed and updated (plus new programs added) so that you have access to the best selection possible. The oversight of the LIT is done by a Board of Directors - with one Trust Director from each participating Department. This helps make sure you are getting the best possible coverage from the Legionnaire Insurance Trust program.

Through the LIT, your Department sponsors a broad range of insurance products and services ranging from the "no-cost" AD&D to HOSPITAL HELP to CANCER CARE to Emergency Assistance + (EA+) to Medicare Supplement and more - so one or more will likely

fill a need in your family's insurance portfolio.

The best way to buy insurance is to shop, compare, and then purchase the coverage from a source you trust. We invite you to compare this Department's endorsed products with any on the market. Then you can buy with the confidence of over fifty (50) years of continuous service to Legion families behind the LIT. Buying through the LIT also helps support your Department's programs and services.

To learn more about your Department's insurance products and services please call the LIT's administrator at (800) 235-6943 or check-out the programs at www.theLIT.com. Either way, there will be no hard-sell or obligation to buy when you do.
