President's Message

TREVA KAY WILDRICK

OK GOOGLE... In June, the holidays include Flag Day, Fathers' Day, Juneteenth and Paul Bunyan Day. It is the Month for National Rose, National Dairy, African-American Music, National Ice Tea and National Candy.

The Birthstone is Pearl; it has long been a symbol of purity. The ancient Greeks believed that pearls were the hardened tears of joy from Aphrodite, the goddess of love.

The Birth Flower is the Rose - with more meanings than one can count! A pink rose means perfect happiness, while a red rose means "I love you." A white rose signifies innocence and purity, while a yellow rose conveys jealousy or a decrease in love. A bouquet of roses means sincere gratitude, whereas a single rose amplifies the meaning of the color (a single red rose means "I REALLY love you").

It falls within the Zodiac signs of Gemini and Cancer.

The last week of April found me visiting District 14 - the Keys and Mainland. We arrived at Unit 154 Marathon on Wednesday afternoon and the Commander showed Bernie where we could set-up the camper. Thanks to District President Nettie, we were successful in hooking up the electric. Just in time for Bar Bingo. Nice crowd and we had a great time! Bernie and I both won a round too. Thursday we headed off to Key West, taking in the signs of devastation and re-building. Bernie and I had last visited the Keys 10 years ago on vacation. Bernie was recently part of the relief effort with Commander Steve after Hurricane Irma and pointed out the different areas of mass destruction and shared his reactions to the first-hand visions. Our first stop was Post 28 Key West and we had a delightful visit with Amy, a new member and bartender that afternoon. She shared their recent activities lunches, dinners and outdoor market. They host a very clever Movie Night: announced with a marque in the lounge, popcorn and other movie food offered and the movie is shown outdoors on the wall - ample seating and parking available! They were preparing for a Mother's Day raffle with a beautiful bicycle and baskets as prizes - Good Luck!! Next we were off to Post 168. Although it was under major reconstruction, the foreman allowed Bernie and I to peek inside and he gave us somewhat of a tour and shared the history of grandeur. Just looking around at the balcony, stage and décor you could tell this was a great place in its time. I have NO doubt this will be a Grand Post once again. That evening

we returned to Marathon Post 154 for Show Me the Money game. Needless to say, Bernie and I played all the previous evening's winnings, having great fun returning every dollar. We had a delicious dinner during the break, meeting and visiting with everyone, taking a few of the desserts back to the game for snacking... For a Post Home and members seriously set back by Irma, they have not lost their spirit. They have their Philly Subs dinners weekly, a USO show, Wrestling and planning another Christmas in June. They have a collection of Beanie's for \$5 to support the Troops. You can also purchase for the local Sheriff to use for the kids in time of duress. I was disappointed that I would not be around for May 5th as they were planning a Cinco de Derby Day and having a Salsa Contest. I could certainly bring the chips.

Friday we packed the camper and headed to Twin Lakes RV Park and Resort in Davie, FL for the visit to 9th District. We stopped at Post 43 Homestead meeting the Post Commander, Unit President along with several other members. I was given a tour of the Post with the beautiful wood works; the Unit does lots of little things consistently, giving the members a sense of grounding, especially while they were the 'home base for supplies after Irma. Riders from Post 103 were also there, dodging the storm on their way heading home. As we were scheduled for a dinner at South Miami 31, we had to cut our stay short and battled mother-nature via Highway 95. District President Linda had arranged a lovely reception and we met several members from both Unit 31 and Unit 98 Coral Gables. The seafood dinner was delicious and the chocolate covered strawberries were a real treat! Linda shared about their Teddy Bear Program and the memorial the Unit dedicated to the Post. They have been host to some movie stars and production crews - too cool!! I look forward to another chance to visit again!

Saturday found me at the griddle outdoors preparing 'Camping Breakfast' for Bernie. Then we went exploring and popped in to Post 321 Cooper City. Surprise to President Shawn; she had also stopped by to do some Unit paperwork. We would be back again, but needed to run along to Post 142 Pompano Beach for dinner and karaoke. President Gail was a perfect hostess giving me the complete tour. It was great to see Reggie again and I

Continued on Page 4 ➡

met sooo many members, including 2 of their brand new and recent transfer members. Dinner was most delicious and we enjoyed having our turns at the mike.

Sunday we were at Post 180 Ft. Lauderdale for meet and greet Breakfast. Hostess Unit President Helen was just as lovely as always. District President Joanne did a great job arranging several Units to come for the breakfast: Unit 365 Sunrise, Unit 321 Cooper City, Unit 142 Pompano Beach, Unit 162 Deerfield Beach, Unit 157 Margate and Unit 36 Ft. Lauderdale. What an awesome round table of ladies - lots of great stories shared and we definitely filled that Hall with laughter!! A GIANT Thank You to Candace for my Mary Poppins Cookie - I can't bring myself to eat it, it is really very special! As we were having such a great time, it was sad to break-up to carry on with other commitments. Post 321 Cooper City was hosting a Veterans Benefits Program by Larry Roberts. Bernie and I had heard the presentation at the FL Legion College we attended, but it never hurts to have a second chance to hear about benefits available for our Veterans. Thank You again Shawn for the beautiful Purple Orchid - I have always wanted one but not brave enough to try on my own. Sunday evening was open so Bernie treated me to visit a local attraction, the Flamingo Gardens. We were greeted by a full-plumed Peacock leading the way around the front gardens, with other parrots and exotic birds. I enjoyed the otters, the bear and of course the Flamingoes; ending with a quick stroll through the gift shop and a souvenir, naturally...

Monday, Bernie and I met the girls for lunch at Tijuana Taxi - yummy Mexican. Then we were off to Sandy Nininger to play Poker with the Veterans. What a great afternoon visiting with our heroes. I had a lovely time with a WWII Navy Major Nurse, recently celebrating her 107th birthday! I filled-in for a few hands at the Poker table - Shawn dealt me one winning hand. Then it was time for snacks and cake. Thank You ladies for your valuable time volunteering - it was truly a memorable afternoon. That evening, President Joanne took us to Unit 92 Hollywood for dinner and we were joined by Unit 304 Dania. Again, these ladies are very busy with all sorts of activities; the homemade dinner was delicious and I love hearing your stories. Did you know - one of their members was a former Playboy Bunny - Dolores Kirby. The best part of these visits is the new found friendships, priceless. I look forward to seeing you all at Convention! We even had impromptu entertainment - one of the Unit members is assisting the regular karaoke DJ while he has knee surgery. Soo, we had to test drive the new speakers and equipment 'buttons'. I have never seen so many women with such shocked looks when you turn the buttons lower and proceed to sing with a male voice - too funny! I wish

Dave the DJ well with his surgery and a speedy recovery.

Tuesday President Joanne and I went to lunch before going to the VA Medical Center in Sunrise for their annual Volunteers Meeting. We heard from the American Legion, VFW and DAV representatives for issues and suggestions. It was great to see Monica Grey again. Bernie and I went to dinner at the infamous Kelly's Landing for their Tuesday night dinner special - 2 Maine Lobsters. We met great people on either side of our seats and gave them applications to join by the time we were ready to leave.

Wednesday we were off to Unit 310 Hallandale for a meet and greet lunch. We had members from Unit 209 Dania Beach attend as well. Bernie was also able to speak with several SAL members too. What a neat Post home - complete with the resident cat. Here is another Unit that works hard making sure all the little things are done right. The menu included my favorites: Chicken salad and Egg salad sandwiches, snacks and a giant platter of assorted desserts. Thank You for your hospitality and a terrific visit! That evening we met at 157 Margate for Spaghetti Dinner. I met several members around the lounge and enjoyed the tour of the Post and the stories behind the memorabilia. We had quite a table for dinner including Past Department President Pearl McIntyre and Bill along with Denise and Jamie Grinis. I now understand why there were so many in attendance for dinner - the sauce was homemade and quite delicious! The portions were plenty, I did ask for another to take home, excellent for lunch. Thank You President Joanne for a wonderful visit - you are all such "dear deers".

Friday Bernie and I were participants in the Children & Youth Golf Tournament held in Lady Lake Harbor Hills Golf and Country Club. We had great weather, not too hot. We were paired with Tom and Anita Soeder - what fun we had. Several times our shots were side-by-side making them easy to find. Thanks to everyone who played and donated generously - I believe the event was a success!

I hope you take time to attend your District Constitutional Conferences. I am looking forward to seeing you at our Department Convention in July - our National President Diane Duscheck will be visiting us at that time.

100 Year Anniversary Committee

ERNA SCHWABE

Thanks for your dedication to the ALA's 100th.

A reflection and perspective: Our ALA history timeline and the nation's history timeline are quite interesting.

When the Legion and ALA were founded in 1919, no one then would have imagined that the organizations would be around for 100 years because WWI was only known as the World War – it was the “war to end all wars”.

Therefore, when the Legion and ALA were founded, the organizational life expectancy of the Legion was essentially the life expectancy of the WW I veterans, and the organizational life expectancy of the ALA was essentially the life expectancy of the granddaughters of WWI veterans (there was no eligibility criteria then stating “direct descendants thereof...”).

Sadly, since our country's founding going back to the end of the Revolutionary War in 1776, the United States has been at war 225 years of

our 242 years as a nation: 93% of our country's existence.

Therefore, no U.S. president can truly be characterized as a peacetime president; each can technically be considered a “war president”.

The U.S. has never gone a decade without war. The only time the U.S. went five years without war was between 1935 and 1940 during the isolationist period of the Great Depression.

The bombing of Pearl Harbor changed history forever after that. The War on Terror, the longest war in the history of the USA, is in its 17th year. When the ALA completes the first administrative year of the start of the ALA's next century, we'll be marking the 20-year anniversary of entering the War on Terror.

We can be the visionaries looking to strengthen the ALA so it can flourish in the future while celebrating the ALA's 100-yr history. **As history foretells, the mission of the ALA will surely be needed for another 100 years!**

Rhonda Maurer Receives Prestigious Awards

Rhonda was surprised when she recently received the President's Volunteer Service Award and lapel pin at the USO Central Florida Tampa's Volunteer Appreciation Event on May 5th.

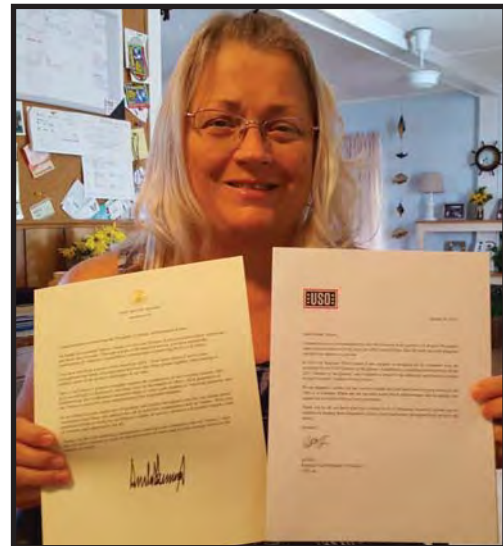

In addition, she received a letter from Regional Vice President USO, Jeff Hill congratulating her on her nomination for volunteer of the Quarter. Look close, Rhonda Maurer received congratulation on receiving the President's Lifetime Achievement Award for her 4000 hours of service from the President of the United States, President Donald Trump.

Rhonda is a member of the American Legion Auxiliary Unit 273 Madeira Beach, District 16 since 2012. She signed up shortly after her Army WWII Veteran father passed away. She grew up knowing about the USO and watching the Bob Hope Morale shows that was about the only thing that her Dad ever talked about that related to the service.

After her first two years with the Auxiliary and getting involved with just about every program, then Unit President, Cathy Larkin-Richards called her and asked if she wanted to ride over to the USO to delivery blankets. Needless to say, she went. In July 2014, they both signed up and went through orientation and training.

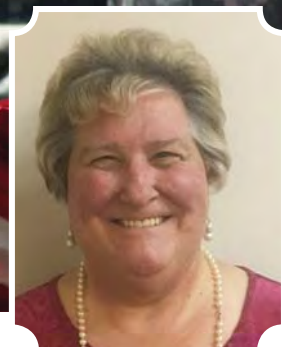

Totally committed, Rhonda just knew this was what she was meant to do. After volunteering for many morale events and working at the welcome center (home base) at the Tampa International Airport, she co-chair the USO's Gift

Wrapping Fundraiser for the last 3 years during the holidays, and now has the opportunity to co-lead in another new program called "United Through Reading". It has been everything she dreamed of and more. She loves serving our Military and their families.

Hi, I hope you have been following me on the American Legion Auxiliary Department of Florida Membership page on Facebook. If you have not done so yet, please go to Facebook and look up the previous title. Put in a friend request and I will answer it.

Also, In case you haven't, I will recap for you. We are working very hard to be number one in the NATION in membership. At this writing we are NO.1. We still have till 30 days before National Convention, to STAY NO. 1 and make Madam President TJ pleased as a peacock or blushing as a flamingo.

I have challenged all the Districts to make their membership at close of book, June 20th, 100%.

If ALL of them make 100%, I will give a VERY SPECIAL GIFT to each District President and District Membership Chairman. I know they are the middle man, but I am hoping their helpful cheering section, their wonderful ideas and their past experience will pass on some incentive to the units to keep moving forward.

As they continue helping the ALA Department of Florida in "Catching Rays, Creating Brighter Futures", the shining stars of the units are the backbone of our organization. If you believe in the mission of our organization, you can't help but pass it on.

ANN KING-SMITH

As I sit here writing this final VA&R article for the June issue of The Kaleidoscope, it's hard to imagine that it's June already and that this Auxiliary year is coming to a close. Where did the time go? It seems like only yesterday that we were welcoming President T.K. and joining her while "Catching Rays and Creating Brighter Futures" I immediately loved this theme and was determined to use those RAYS to make FUTURES BRIGHTER for our Florida veterans.

Wrapping up a year's end is always filled with dueling emotions.....happy and sad. Happy about all the wonderful things we have accomplished for our veterans but sad to see the time come to an end. But...the great news is that there is no "sad" for ALA members because there is no end for the work we do for our veterans. Thanks to dedicated members, who are dedicated to our mission, our veterans will be cared for.

We will continue to have loyal and dedicated representatives at our VA Medical Centers, Nursing Homes and Clinics. We will continue to remember that we are here to remember the service of ALL veterans, not only the veterans

that have families or live inside four walls. We will continue to care for our homeless and misplaced veterans by holding Stand Downs in as many communities as possible. We will continue to visit our veterans in VA Nursing Homes, delivering cheer (and maybe costume jewelry) each time we come.

Although they may have forgotten their life as a soldier, we will never forget. We will continue to volunteer at our VA Clinics and do whatever we can to make each veteran comfortable during their visits. We will continue to bring a special love and care for our female veterans, remembering the possible traumas they may have suffered.

During my visits throughout Florida this year, I have been so touched by the way each of you have opened your hearts for our veterans. It has been a wonderful experience for me and I have learned so much from you about various ways you show you care for those that have served. Thank you to each and every one of you for all you do. May God bless and reward you for all your labors of love.

The Best on Earth - A Veteran Tribute

If someone has done military service,
They earn the title "veteran," and more;
They earn our deep respect and admiration;
That they are special no one can ignore.

They sacrificed the comforts we enjoy;
The list is long of all the things they gave.
Our veterans are extraordinary people;
They're loyal, dedicated, true and brave.

When terror and invasion were real threats,
They showed us they could handle any storm.
We owe our freedoms and our very lives
To our veterans, who served in uniform.

Our veterans should be celebrities;
They're exceptional; no other group compares.
We're grateful for the many things they've done;
They're always in our hearts and in our prayers.

We owe our veterans support and friendship;
Let no one ever question what they're worth.
These men and women served us and our country,
Our veterans—the very best on earth.

"Kaleidoscope"...coined in 1817 by Scottish inventor, David Brewster. The word is derived from the ancient Greek (kalos) "beautiful, beauty", (eidos) "that which is seen: form, shape" and (skopeō), "to look to, to examine", hence "observation of beautiful forms."

From his invention's terminology, I turn to you to use YOUR kaleidoscope as a periscope to find service women for nomination for the "Servicewoman of The Year" award for the 2018 year.

Past National President, Mary Davis, **has extended the time frame** for submission of the 2018 nominations. Can we, in Florida, fill all these vacancies with nominees from our Marine Corps, Navy, Coast Guard, Army, Air Force, and Reservists?

We have many active duty servicewomen.

Scour your Unit and District for one or more who are doing special activities in their community and job positions. **This award could greatly benefit their military career!** If you even get a lead, contact me as soon as possible.

Let's take our outstanding ladies to National!
