President's Message

Dee Bell

Welcome to the 2023-2024 American Legion Auxiliary year. Thank You for your membership and service in our amazing organization. The theme this year is "Bells in SERVICE" for our Veterans, Military families, Community and Children. The department color will be purple.

The ringing of bells have been a used as a symbol of joy, celebration, triumph and accomplishment for centuries. As Auxiliary members (clappers), your service will be heard throughout your units, communities, districts, and Florida with the ringing of bells.

#ringyourbell The hashtag is about you the members, your events, volunteering, the membership, your District & Units, the programs, 'your accomplishments and your SERVICE. Selflessness, Expectations, Respect, Values, ideals, Commitment and Excellence.

With our 4 pillars in mind (VA&R, Americanism, National Security, & Children & Youth), I encourage you to pledge yourself to our Mission of "Service Not Self." You have the ability to touch the lives of those we serve and "Be the One." There are many Purple Heart Cities across Florida that will be honoring recipients on Purple Heart Day, August 7. This is a day for Americans to remember and

honor the men and women who served our country and were wounded or killed while serving.

The Department of Florida had an amazing Girls State session this year with 276 remarkable girls in attendance, Thank you to the Units for interviewing and sponsoring such wonderful girls. They participated in this hands-on government program for 7 days with the assistance of 29 auxiliary member volunteers. 13 female State Troopers kept everyone on time, safe and secure. They debated and passed bills, campaigned for office, elected mock local and state officials, and made lifelong friends. I was honored to give the girls the G.S. Oath, attend the pep rally, and assist them with their bill writing.

Your Department Chairmen and District Presidents attended Boot Camp and Workshop in July. The chairmen developed inspiring programs for the units, which were presented at workshop. Don't miss your District School of Instruction where your District Chairmen will motivate you with these amazing programs. The District Presidents learned about their roles within your District. Thank You to the mentors, Jane Hardacre, Michele DeGennaro, Linda Teasley, and Mary Kelly Perkins for your knowledge and guidance. Thank You also Nana Lontakos for updating us on Risk and Compliance and wonderful support.

Bells IN SERVICE

Secretary

MARY KELLY-PERKINS

Thank you all for passing the amendment at our Department Convention to have a volunteer Department Secretary.

Please know that I am available to assist you with information pertaining to branding, emblem usage, and our programs and

new charters. I do not manage membership issues,

which goes to our Membership Coordinator, Patsy Sewell, her email address is membership@alafl.org.

Speaking of branding and emblem usage please remember that if the Unit is going to design shirts or any other type of clothing, including backpacks, aprons, coffee mugs etc. you must complete an Emblem Usage Request form which can be found on our Department website, alafl.org under Forms &

Continued on Page 4 >>

<< Continued from Page 4

Resources then Unit Forms.

The form must be completed, and a picture or drawing must be included. Regardless of the reason, if you are making your own personal item for personal use or for a fundraiser you must ask for permission. The American Legion owns our emblem and branding, and it is copyrighted. Once I receive the form I will either approve and forward it on to National or send it back to you to make corrections. Many Units think that just because their Legion Post uses the local shop to screen print or embroider

items that it is ok for the Auxiliary to do the same. Unfortunately, it is not.

I would also like to offer a suggestion and that would be to have each Unit create a secretary email so that I am not responding to personal emails which could end up in Spam.

You can reach me Monday through Friday from 8:30 am to 4:30 pm via email secretary@alafll.org or on the Department Secretary cell phone 407-451-0410.

Wishing you all a great Auxiliary year.

Secretary

"If it's happening now ...it will eventually become our History!"

The American Legion Auxiliary is full of rich history, all because someone took the time to write it down, document what happened, reported the events, and accumulated it together.

Don't feel as though being the Historian is going to be exhausting and that it's your entire responsibility to write everything that occurs, get every photo, collect every artifact, and gain a copy of keepsakes that happen this year! You can ask others to share, write, record, and collect on you and your Units/Districts behalf. Remember, "You Can't Be Everywhere!!"

Your history can instill a sense of identity and purpose as well as suggest goals that will honor and dignify for years to come.

New this year is the PEP - Program Engagement Form (formally known as the Programs Action Plan) check out the Historians PEP at www.ALAFLL.org and see all the awards that you may be eligible to apply for! Historians that love to take photos or put together a scrapbook - You may be surprised by what you see this year! "Ring those Bells!"

Here are some tips in writing a History:

- Be sure to start recording events as soon as your President is sworn in and keep it in chronological order. Include any theme, special project, or specifics and how it relates to the mission of the American Legion Auxiliary.
- Write the history in a third-person narrative. Your job is that of an intermediary – someone who witnessed the events and then describes them for the reader. Do not include your thoughts or comments on the events – only the occasion, the people involved, and what occurred.
- You can include current events that impact the American Legion Auxiliary (local and globally).

These events have a cause and effect on the Auxiliary, resulting in new or resurrected projects and programs.

- Unit/District meetings and events that are attended and be sure to include examples if they supported veterans, military, their families, and communities. Department President visitations to Units/Districts are also important. Should the National President visit your area, include that in your history and how she helped your Unit/Districts focus on the ALA mission.
- Include all member activities as part of the Unit/District history, NOT just activities of the President.
- Include awards that your Unit/District received, especially those that have been given by the Department or National organization and any received from the community.
- Record special events that occur during the year. Examples:
 - Declarations & Proclamations for Poppy month.
 - Big fundraisers for the National Veterans Creative Arts Festival, Be The One Campaign or AEF Florida Disaster Relief Fund.
 - Current events that affect the Auxiliary members and the Auxiliary's response to that event. For example, if there is a weather disaster, write about how your members went above and beyond to help in the community, etc.
 - Any time your Unit/District gets media coverage (i.e., a PSA on the radio or press release in the paper). Be sure to include the details in your history.
 - Pick out impressive statistics from other Committees & Programs or projects. Examples:
 - Your AEF funds greatly increase
 - The number of girls attending ALA FL Girls State
 - The amount of Juniors gained in membership.
 - Be sure to include the failures as well as the successes as we all learn from errors. For example, the Unit/District tried a new project, but it didn't go as well as hoped. You can include why the project failed as future members may see the value of the

Continued on Page 6 >>

project but make the necessary corrections to make it a success.

- Include all amendments and resolutions that were carried and those that didn't. Especially if your Unit/District submitted the possible change. If one didn't pass, include the discussion so that others may learn why it failed.
- End the history with information about your year-end to include possibly upcoming elections and anything important to the Unit/District as well as the Department Convention.

Once complete, you can present the Unit (or District) President a history for the year. It can be in written report form, in a book or a photo journal. Please share with the Department Historian a copy for its files and consider submitting for Department History awards.

I look forward to ringing our bells for History and assisting many Historians to record who we are, what we do and why we matter.

Leadership

EILEEN WILSON

Hi, my name is Eileen Wilson and I am your 2023-2024 Department Leadership Chairman. Leadership is something we all can do. As individual members we can mentor others by sharing information about the American Legion Auxiliary (ALA), who we are and why we exist; or mentor new Auxiliary members about

Auxiliary programs and projects. As Unit members we can attend District provided training such as School of Instruction, and Auxiliary Basic Concepts (ABC) school, or even take on-line classes through the ALA Academy. We should consider attending Department

Fall Conference and Department Convention. All of these offer opportunities to learn more about the ALA. Remember that District School of Instruction should be held within 30 days of Department Workshop, and don't forget to send your ABC school request form to me via electronic mail.

Date to remember:

Fall Conference will be held November 17-19, 2024. Hotel reservation can be made NOW.

"A leaders job is not to do the work for others, it's to help others figure out how to do it for themselves, to get things done and to succeed beyond what they thought possible"

Unit 283 - On Saturday May 27, 2023 members of Unit 283 were at the Memorial Day Celebration at the Jacksonville National Cemetery. The days leading up to this event, members of the community and veterans organizations placed small flags at the graves of the fallen. Not just at the national Cemetery but at other cemeteries in the area where veterans are interred. The Young Marines and the Young Seabeas Color Guard along with VFW, DAV, American Legion and Veterans Motorcycle Chapters lined the walkway and then Posted the Colors.

The main guest speaker spoke about Memorial Day and why it is so important. There was a placement of the wreath ceremony and as each groups name was called a wreath was placed at the front of the podium by a representative of that organization. A member of Unit 283 placed a wreath for our unit as well as the wreath for the American Legion Riders 283. After the wreath presentation there was a flyover as the Chaplain was finishing up the prayer. To end the event there was a 21 gun salute and the playing of taps. What a beautiful and memorable event. Let us Never Forget, Always say their Name!! All Gave Some and Some Gave All. *Submitted by: Sue Reynolds*
