President's Message

Dee Bell

Hello Members,

Thank You for your membership in the American Legion Auxiliary. My theme, "Bells In SERVICE" has a special meaning to me. The letter **S Selflessness** means to give to others without looking for personal gain.

If you give time, money, or things to others without expecting something in return.

Every member makes their own contribution to the success of their Unit. Paying your yearly dues, volunteering, making an in-kind donation for a drive, helping to decorate the post home, accepting a position of leadership, wearing your branded clothing in your community, becoming a chairman, baking for a bake sale, thanking a veteran - these and many other opportunities are ways you can make a difference. No matter what your level of participation is, you are valued by our organization, and I hope you feel appreciated by your Unit.

By now, most of the installations have been done. Thank you to the District Presidents and the installations teams for an awesome job. Although just a ceremony, installations make the Unit members and officers feel special. Congratulations to all 2023-2024 "Bells in SERVICE" Unit officers. #ringyourbell and have a great year.

Most of the District Schools of Instruction have been completed, and the Program Engagement Plans have been distributed to the Units. If not already done, appoint passionate Unit chairmen and develop your program plans for the year. Please remember to read through the Program Engagement Plan including the year-end report.

Purple Heart Day was observed throughout Florida on August 7. I had the honor of attending two of those ceremonies. Florida has been designated as a Purple

Heart state, along with 40 of the 67 counties and 83 cities also have this designation. The purpose is to express our gratitude to the sons and daughters of our communities who were either wounded or killed in combat defending the freedoms enjoyed by all Americans.

August 23-31 was National Convention, held in Charlotte, N.C. 33 elected delegates and alternates represented the Department of Florida.

Patriot Day, September 11, gives all of us the opportunity to reflect on the devastating terror attacks that took the lives of almost 3000 innocent people. We remember those we lost and give thanks and honor to the brave first responders who put their life on the line. Take a moment to reflect on what we stand for as a nation and how as Auxiliary members we can make a difference.

POW/MIA Recognition Day is September 15, the purpose of the day is to ensure that Americans remember to stand behind those who serve and to do everything we can do to account for those who have never returned. Ceremonies, Rides, and dedications will be held throughout Florida. Units are encouraged to use the POW/MIA Empty Chair verbiage included in the 2023 Unit meeting agenda. Lest We Never Forget.

Children & Youth

LINDA KNOBLACH-HARKNESS

Are you ready for a new and exciting year in S.E.R.V.I.C.E. for our Children and Youth? I'm eager to be working with each of you as you #ringyourbell.

Every American Legion Auxiliary Unit should have a Children and Youth Chairman. It is the responsibility of the Children and Youth Chairman to help lead the unit to achieve two primary goals of the Children and Youth program within our community: (1) Care and protection of children of veterans and military; (2) Improved conditions for all children.

As you know, this program has many opportunities to serve our Children and Youth including Special Olympics, John Hopkins All Childrens Hospital, American Legion Child Welfare Fund and Camp Boggy Creek to name just a few. However, you are not limited to these. Your unit's members' ideas and talents are the only

limitations for helping our youth.

I want to encourage our members to find, recognize and reward the positive actions of our children and youth by nominating "heroes" for the Youth Hero Award and the Good Deed Award. It's important that we magnify the good since it seems the squeaky wheels get all the grease. You can find out how to do this at Children and Youth Committee (<https://member.legion-aux.org/member/committees/children-and-youth>) and the form link is Youth Hero/Good Deed Award Nomination - Formstack (https://legion-aux.formstack.com/forms/youth_hero_good_deed_award_nomination).

We have a QR code that will take you to our Children and Youth alafl.org website where

Continued on Page 5 >>

you can find information about the program along with ideas.

We also have our Facebook page <https://www.facebook.com/groups/284391979759337/> ALA FL Children and Youth, where I will be posting information. I urge you to post your Children and Youth activities on this page. We all want to see what you are doing.

On the second Thursday of each month, we will be having a ZOOM Meeting. September 14th is our first meeting and Jaqualine Boykin from Camp Boggy Creek will be our guest speaker. Please join us at 7:00 EST. Email me with your email address so I can add you to

the distribution list for the ZOOM link at childrenyouth@alafl.org.

This year I ask the question “Who will bell the cat?” This question comes from a fable about a group of mice who were being terrorized by a cat. The group decided that if they put a bell on the cat, the mice would be warned and thereby avoiding harm. Great Idea! Here was the problem, no mouse would help execute the plan. No one would VOLUNTEER. How many great ideas fail because no one stepped up? So... “Who will bell the cat for our Children and Youth?”

Your involvement makes a difference to our Children and Youth!

Community Service

BRIDGETTE GREENE

As we approach 9/11 Day, let us all do so with the mindset of serving in our communities. That can be doing a good deed for a veteran, military family, or a community event. There are so many ways we as auxiliary members can show who we are, why we matter and what we do. We already do the

work and know the impact we can make. Include your Legion Post family in the 9/11 Day and make this a day of uplifting others while fulfilling the American Legion Auxiliary mission of Service not Self. Any good deed counts...acts of service, charity, or kindness.

Make sure to use the following hashtags #ringyourbell #IWillFor911Day and include your unit number so we can track our organization number of posts/good deeds.

And, do not forget to “pass it on” by inviting your family and friends to also sign up for a good deed on 9/11 Day using your hashtag. HELP REKINDLE THE SPIRIT OF UNITY AND SERVICE IN AMERICA. Make a pledge to volunteer, donate, or do another good deed on 9/11 Day. Make the pledge at 911Day.org and do not forget to use the hashtag #ringyourbell #IWillFor911Day and include your unit number. We are a Community of Volunteers!

Public Relations

VIRNA LUKE

Greetings Bellwethers and Bells In Service, I see your social media postings, flyers, and news articles. You're kicking off the year with a loud RING! As mentioned at Workshop, Public Relations (PR) Chairmen, consider yourself "Bellwethers" – it's a person or group of people who tend to

create, influence, or set trends. And that is what we do when we share Who we are, What we do, and Why we matter. It's important to let the public know of your unit's activities. With that being said, wear your branded attire to all events, fundraisers, patriotic events, distributing poppies, and in your community. And make sure to have membership applications in your pocket. You can purchase branded attire at emblem.legion.org/Auxiliary/

[departments/35/](#).

With September here and November around the corner, make sure to visit The National American Legion Auxiliary website, to view Media Templates for POW/MIA Day and Veterans Day, visit www.legion-aux.org/Member/Resources/Media-Templates.

This is a great way to get your goodwill story published, if you hold an event, invite the media, take good pictures, make a list of attendees, so you can include and thank those present when you do your after event article.

Speaking of events, Department of Florida is holding Florida's 3rd Annual Seven Bridges POW/MIA Remembrance Day Ride & Ceremony on September 16, 2023 in Jacksonville, flyer available in the newsletter. Join the ride KSU 10:30 AM ET and/or ceremony at 1:00 PM ET.

Need help making flyers for your events, there are two free apps I personally use, they are both available for desktop and mobile for FREE. Make sure to create a user

profile so you can save your work for later use. Again, I personally only use the free versions, the apps are Canva.com and Postermywall.com.

Now that you made your flyer, take advantage of the "create an event" feature on Facebook. This will help to promote your event and allow members and friends to invite their friends. It also sends reminders -FREE- to those that clicked on your event. Share the event on ALAFL Public Relations, this will be published on the news feed and appear in the events tab. Also, the event page will help gauge how many people to expect.

When sharing pictures to social media or writing an article, include...Who? What? Where? When? Why? How? tell your story. If the platform allows tag @alauxflorida, @alaforveterans, and #RingYourBell. Follow us on Instagram, Twitter, and TikTok, user @alauxflorida.

As a reminder articles/photos that you would like to be considered for The Department Newsletter "The Liberty Bell", it's due by the 15th of each month. Submit your article/photo at alafl.org/submit.

Veterans Affairs & Rehabilitation

ROBIN BURK

A new Auxiliary year always brings innovative ideas and enthusiasm for our programs! Many of our resources are dedicated to the VA Medical Centers and nursing homes. But, what if you don't live close to a facility where you can help?

All of us live near independent nursing homes and assisted care facilities. Did you know there are Veterans and their spouses at these homes? They too can benefit from the attention and help that we can provide as Auxiliary members.

Living in an extended care facility can be lonely. Most residents just want to talk with someone, share happy memories, talk about their grandkids! Auxiliary members visiting a long-term care facility will certainly brighten the day of many residents!

Scope out facilities in your area. Maybe you have a parent or friend in a long-term care facility. Start there! Ask at the front desk for the Activities Director. Have a chat with them about how many Veterans and/or their spouses live there. What kinds of things can we do for Veterans and their spouses at their facility? Holidays are a fun time to visit the homes. However, your visit does not have to be on the exact date of the holiday. Plan an event: Ice Cream social, Cookie Party, Christmas caroling, Card party, Pet Parade. Think outside the box!

Be sure to confirm what foods you can bring (sugar-free?). Because of dietary restrictions and safety, the facility may want to supply the food. Be creative by making up gift bags with small items such as pens, notepad, pocket pack of tissues, small flashlight, blank greeting cards for residents to send notes to their friends and family (don't forget a few stamps!), And of course, Auxiliary items such as flag pins are always a

Continued on Page 8 >>

<< Continued from Page 7

big hit! Puzzle books are great, too. Before your visit, have members sign "thinking of you" or holiday greeting cards to give to the residents. Ask the director for suggestions.

On patriotic holidays, you might want to include the Riders in your visit. Residents love to see a parade of motorcycles! For many, it brings back great memories.

With permission, please take pictures.

This is a project that can continue on a regular basis throughout the year. Residents will look forward to your visits! Don't forget to keep your volunteer worksheet with you so you can record your hours and contributions in real time. Have a wonderful time with this project. The possibilities are endless! #ringyourbell
