President's Message

Dee Bell

Hi Florida Bells,
Hurricane Idalia has past, but the aftermath is still effecting Florida residents and members. The winds, rain, flooding affected Legion family members and friends in the 16th, 15th, 3rd, 4th, and 5th Districts. The hardest hit being Perry and Madison

in the big bend area of Florida. The National and Department Auxiliary Emergency Fund Disaster Relief Fund can assist those effected by a natural disaster such as fire, flood, hurricane, tornado etc. If you need assistance, please don't hesitate to apply at www.alafl.org and www.legion-aux.org We continue to keep these members in our thoughts and prayers.

Your Unit is in full swing planning events, fundraisers, and service projects. They will support, assist, promote, and raise awareness to the needs of our veterans, military families, communities and our children. Your Unit needs and wants your input and your involvement. Help ring those Bells and celebrate your SERVICE and how your unit can Be The One.

American Legion Auxiliary Fall Conference is November 17-19. This is your opportunity learn, ask questions, know who and where to go for help, meet our National President Lisa Williams and have some fun. Our National Executive Committeeman, Jane Hardacre will update you on National Convention happenings. Chairmanship and Officer Breakouts will be Friday morning and afternoon. District Presidents will be ringing their Bells with presentation boards focusing on how units incorporated "Be The One" into their programs. Please send pictures and articles to your District President for these boards. General Session will be on Saturday. Join us as we celebrate auxiliary presidents, and legion and sons commanders at all levels on Saturday night. Presidents & Commanders Dinner is a Murder Mystery Night, Death of a Ganster with an Italian Buffet.

Thank You to the 5th District American Legion Riders, American Legion Family Post 283 and 5th District President for the honor and privilege to participate in the POW/MIA 7 Bridges Ride. This was my first Legion Riders ride and first time on a bike, AWESOME Yvette Moore The ceremony at the National POW/MIA Museum was inspiring. Visiting the National Cemetery with Julie, Sue, Latoya and Karen where the 5th District family has sponsored a memorial, and seeing and hearing the bell tower was a real treat.

Children & Youth

LINDA KNOBLACH-HARKNESS

As I'm getting my bearings as Children and Youth Chairman, I'm learning so much. Thank you all for your help and guidance. Let me start by saying thank you for your enthusiasm for Camp Boggy Creek and making quilts, afghans, and Boggy Bears. Because of your generosity, I will

not be able to accept ANY at the Fall Conference. PLEASE DO NOT BRING THEM. I would hate to tell you that I can't take them. My hope is that as members are making their way to visit Camp Boggy Creek, they will check with units on their travel route to see if units have items to be delivered. Thank you for your understanding.

We had a great first Zoom Meeting with Jaqualine

Boykin from the Camp and we learned why we support this camp. I posted the overview in the files section on the Facebook page for you to read.

This month we will have Penny Samon from United Through Reading join our meeting. Here is a little excerpt from their website...

United Through Reading strengthens military families' literacy, emotional bonds, and well-being through the power of reading together at every age, no matter the distance. Deployments and frequent separations are a reality for military families. In fact, every year, more than 100,000 military parents deploy leaving nearly 250,000 children at home. That's millions of bedtime stories missed each year by military children. United Through Reading knows that hearing a parent's voice and seeing their face is a truly unique experience that cannot be replaced. That's why their "story time video recordings" can be watched on-demand with their own copy of the book, whenever the child misses their service member. Being read to by a parent helps military children feel like their parents are closer to home, reducing stress and anxiety levels and making it easier to cope while their parents are away.

UTR's "story time video recordings" also have many developmental benefits for military children. The shared read aloud experience expands their literacy, vocabulary, and imagination. Through these story time video recordings, service members are also able to maintain close emotional bonds with their families at home, reducing feelings of separation or loneliness and helping them reintegrate to home life when they return.

United Through Reading's **free program** is available to all branches of the military, regardless of duty status,

including Veterans. Sounds like a great program for our military Children as well as for the grandchildren of our Veterans here in Florida.

Additionally, I wanted to give you a brief introduction to our National Children and Youth Chairman Coral May Grout. Her membership is through the service of my late father (Charles E. Children and Youth Linda Knoblach-Harkness Grout) and grandfather (Stanislas Laplante). She is a retired Superintendent of Schools and retired consultant for the Massachusetts Department of Elementary and Secondary Education. She earned her doctorate in Education Planning, Research and Administration from UMASS-Amherst and holds degrees from Mount Holyoke College (A.B.) and Boston College (M.Ed.). She has been fortunate to serve as Department President (3 times), National Historian, NEC (2 years), National Secretary (2 years), and has held National Chairmanships for Education (twice), Legislative, Constitution & Bylaws, Public Relations, Americanism, Juniors, Leadership, Community Service, and Public Relations.

Her favorite pastimes are taking care of her two cats, Missy Meow (14) and Chloe (7); traveling anywhere and everywhere; golf; and walking. Her happy place is sitting along the ocean. I know you are looking forward to working with Coral May as much as I am. I'm excited to see your Children and Youth activities posted on our Facebook page and in the Liberty Bell. We should be getting some good ones from Trunk or Treats from around the Department of Florida.

As always, if you have any questions or suggestions, please feel free to contact me.

LISA HOYLAND

Our Phone Bells aka District Membership Chairman have been very busy presenting membership during the School of Instruction classes across the state. Thank you for your passion, knowledge, and excitement that you bring to our Clappers aka members. Clappers it takes all of us to reach our goals. My challenge to our clappers this year is to **JUST ASK!** Ask a family member, a friend or co-worker and see if they are eligible to join our great organization. Our members make this organization what it is and in-turn that makes potential members want to join us to work our mission. Let Ring Bells Loud across our state!

ALAMIS

What is ALAMIS and how can it help the unit? ALAMIS is the American Legion Auxiliary Management Information System. It is used by units, districts/divisions, and departments to manage members, units, departments, and leadership information. Each unit is allowed to designate up to two users for login access.

ALAMIS User Tiers

District Access (\$10.00 Each) - Only District Membership Chairman or District President can have District Access.

Unit View Access (\$10.00 Each) View Only – make no changes.

Unit Write Access (15.00 Each) - Update records and enter New Membership Applications.

Unit Full Access (\$20.00 Each) – Allows Unit to process their own membership: Must attend training and Unit MUST have debit/credit card. This saves the unit on postage, checks and will enable the Unit to renew and remit dues online making the process much quicker and efficient.

You will need to complete the ALAMIS User Request that can be located under the Forms and Resources

section on the Department website at www.alafl.org; once submitted, Department will contact National, the user(s) will then receive an email once setup and the unit will receive an invoice from Department.

How can this help your Unit?

You can add new members and receive a membership ID number instantly. You can make updates, perform searches, view a member's continuous year of membership, view many reports, and export the information to perform mailings, create labels or email communication. Some of the reports that are available include membership roster, unit paid dues roster, unit unpaid dues roster, unit dues paid online and more.

We are doing great with our membership renewals so far! As of September 13. We are at 19.64% of our goal with 7,687 paid members. That is 867 up compared to this time last year! National sent out on September 15th paper renewal reminders via USPS so hopefully this will help in keeping the Southern Division in first place. Our next Department Goal is Christmas Bells with a target of 75% by December 1st.

Don't forget the "Take Action Liberty Bell" Department Membership award is fast approaching and will be awarded to the Unit President and Membership Chairman in each membership grouping with the highest percentage in membership received by the Department and processed the week prior to the Department Fall Conference.

Districts Don't Forget Your Membership Challenges!

National Security

DAWN DAVIS

To begin with, I am so very excited and honored to be your National Security Chairman for the year. I thank each and every one of you who continue to work the mission to BE THE ONE to support the emotional and social needs of active, reserve, and transitioning military

servicemembers and their families along with Law Enforcement, Fire, and First Responders. You are so very appreciated, and I have been extremely impressed and awed with the work I have seen across the Department.

There are a multitude of ways for you to support Department President Dee Bell's theme of "Bells in Service." The National Security Program will "salute with bells" as we share our voice and actions of support. However, this program is huge, so where should you start? Begin with the Program Engagement Plan at alafl.org to see a full list of ideas of how you can BE THE ONE to help. My number one piece of advice for the "where do I even start?" question is to look at the calendar and see what special days there are to be recognized each month. It's a simple way to begin your plan for your unit.

For example, September was a busy month for National Security as there were a lot of important dates (with numerous activities to support the mission).

September dates:

- National Suicide Prevention Month
- National Service Dog Month
- Sept. 2 V-J Day (Victory over Japan)
- Sept. 11 Patriot Day
- Sept. 18 (USAF) Birthday
- Sept. 15 (3rd Friday in September) National POW/ MIA Recognition Day

- Sept. 24 (last Sunday in September) National Gold Star Mother's Day

I really enjoyed seeing everyone post pictures of events and projects that occurred last month. However, no matter what is done, big or small, it is always appreciated. How were you able to BE THE ONE in September? Did you...post on Social Media (with your hashtags, of course)... send in a newsletter article to the Liberty Bell?...count your hours? Every moment counts!! Please make sure and show us what you did (and will do) to ring the bells with both your Unit and Legion Family.

Besides important dates, there are other ways to work the mission. Here are few activities/organizations that are a great way for you to start:

- Support active-duty military families by working with an installation Family Readiness Group (FRG). Contact the Family Readiness Center on your nearby military installation for more information.
- Greet servicemembers and families as they deploy and/or return from a deployment.
- Thank a hero: Bring cards, gift baskets, food, or letters of appreciation to our heroes (fire stations, military installations, etc). Or invite them for a meal at your Unit/Post. Don't forget Active Duty that are away from home and may not have anywhere to go on a holiday.
- Troop Care Boxes and care packages for our service dogs—they are heroes too!
- Celebrate various military dates & holidays by posting on Social Media or writing thank you cards
- Sign-up for Operation Homefront or collect items for the USO

Another way to show your support is to create your Flat Bell (check alafl.org/national-security). I'm super

Continued on Page 8 >>

excited for this fun Chairman Project as it highlights our Legion Family as we work our mission together throughout Florida. Please start posting pictures of your flat bells to showcase the great journey they go on this year (#salutewithbells, #thankahero, #LegionFamily, #BeTheOne).

Additionally, take the time to learn from one another. Each month, I host a National Security Zoom meeting (third Monday at 6pmCST/7pmEST). During this time, we exchange ideas and educate others on ways to support this program. Also, there is a featured event and/or guest that is an expert in a particular part of our program. He/She is there to help guide us and answer

questions we may have. The focus for many of the zoom meetings this year will be on supporting the emotional and social needs of active, reserve, and transitioning military servicemembers and their families, and the guests will be there to show us what we can do to work that mission.

Finally, remember that I am here to support you. If you need something or have a question, please let me know. Please Be The One and keep ringing those bells for our active, reserve, and transitioning military servicemembers and their families along with Law Enforcement, Fire, and First Responders. I look forward to working with you this year.

Greetings Bellwethers and Bells in Service, I know the Florida delegates to National Convention, had a fantastic time from listening to the National Chairmen reports and special speakers, to camaraderie shared. If you were not able to attend, you can view the entire playlist on YouTube @

AmericanLegionAux, click the tab playlists, and you will see 2023 National Convention (7 videos).

Speaking of National, from www.legion-aux.org: 2023-2024 ALA National President Lisa Williamson will be going above and beyond in her role as national president, by not only helping to raise awareness about the Be the One initiative, but also to raise funds for the American Legion Auxiliary's greatest need — Spirit of Youth (SOY) Scholarships. Beginning in fiscal year 2024, the ALA will increase the number of SOY scholarships by 49, bringing the total number of scholarships awarded to 67. This will bring the total amount awarded to \$100,000, the most the Auxiliary has ever awarded for SOY scholarships.

Our Southern Division Public Relations Chairman is Charlotte Purdy from Arkansas. I have uploaded her newsletter to the Files tab on our Facebook page ALAFL Public Relations. Take time to read, learn, and get inspired "We are the cheerleaders and mentors. We need to stay in

touch with our members via social media, text messages, bulletins, and phone calls." – Purdy. Also check out the Events tab, do you see your event on the list? Make sure to create an event on your unit page (make it public) and share it to ALAFL Public Relations.

Keep your social media pages positive and active with information shared from Department and National leadership. Read The Liberty Bell and Auxiliary magazine to stay up to date. You will find articles that you can share in your unit and district meetings. On a personal note, 5th District Leadership Chairman Robbin Walker, read the "ALA Mentoring is a Necessity" article from Auxiliary magazine, August issue, page 38, in our recent district meeting, and everyone enjoyed it. "I am a big fan of The Voice, I was impressed from the time they auditioned to the final performances. These artists had been mentored along the way by incredible music artists. This is the same thing we do as ALA mentors. We should see a better final performance than when the ALA member began their leadership journey in the ALA."

Visit the Media Templates page on the ALA National page to plan out your year of service, www.legion-aux.org/Member/Resources/Media-Templates.

The American Legion Family has new brand marks, for guidelines and files, visit www.legion.org/brand.

As a reminder, when sharing pictures to social media or writing an article, include...Who? What? Where? When?

Born in Puerto Rico in 1920, Mr. Juan was one of nine children, with five of the six brothers having served in the U.S. military during both WWII and Korean War. Assigned to the 65th Infantry in August 1945 in the waning days of WWII, he remained in Puerto Rico for his tour of duty achieving the occupational series of Rifleman. In speaking with him during the event, he conveyed that a highlight of his tour was being a part of the protection detail for General Eisenhower during his stop in Puerto Rico. During the ceremony, Tammy Zell, Unit 138 Vice President, introduced Mr. Juan and provided a brief synopsis of his service, the service of his brothers, and the famed history of the 65th Infantry. She also presented him with a U.S. Flag to be flown on his flagpole at his home in South Tampa. Following that, Post Commander Andrew Davis presented Mr. Juan with a U.S. Flag that had previously been flown over US Central Command on MacDill Air Force Base, along with a hand-crafted

wooden flag case and a certificate of appreciation for his dedication and service to this country. The ceremony was attended by a number of Mr. Juan's extended family, along with members of the Legionnaires, Auxiliary, and Sons of the American Legion being represented. Refreshments were served afterward, giving everyone a chance to personally meet him and shake his hand. In speaking with Mr. Juan after the ceremony, one attendee had asked him "what was in his water" that he attributed to his longevity. His reply was quite simply, "Hope".!

provided on-the-spot screenings to over 40 people, most of which received their results that very same day. Along with that unique health outreach, inside the post there were tables set up with volunteers from various organizations providing a wide variety of health information and swag. One of the highlight fundraisers was the t-shirt sale in which the shirts were emblazoned with "Save the Motor Boating". In spite of the serious topic, Unit 138 members, along with other members of the Post family made the day fun and inviting for the local community. UNIT 283

Unit 283 - On August 26, 2023 Auxiliary Unit 283 went to the Honor Flight Orientation for the 22 Veterans who were going on the flight to Washington DC. The reason for us attending was to present each veteran with a lap blanket for their flight. Not knowing if the veteran may get cold on the flight or the weather in DC might be.

Unit 283 stepped up and delivered the lap blankets after a request was made for them. The blankets were crocheted and sewn by 2 of our unit members. VA&R Chair Sue Reynolds and co-chair Carmen Roden delivered and passed out the blankets to the veterans who are very deserving. What a moving ceremony from the very beginning until the ending.

There were many volunteers who arrived at the Jacksonville Airport to see the veterans and their guardian off to DC at 5:00 A.M. There were also volunteers who were at the airport when the plane arrived back in Jacksonville around 10:30 P.M. What a full day these deserving veterans had and their guardians who assisted them. Another Honor Flight will be arranged in the Spring and Auxiliary Unit 283 hopes to be able to attend the orientation and once again deliver to those veterans a lap blanket. It was our HONOR to meet and hand them the blankets. We Don't Know Them All But We Owe Them All for their service to our country. *Submitted by: Sue Reynolds*

There were a total of 4 large bags of flags that were ceremonially disposed of and quite a few members attended to help but to learn the proper way to retire a worn, torn flag. . *Submitted by: Carmen Roden*

Unit 372 - Supporting Our Troops: American Legion Auxiliary Unit 372's Donation Drive

Recognizing the importance of standing by those who protect our nation, the American Legion Auxiliary Unit 372 embarked on a heartwarming mission to support our troops overseas through a dedicated donation drive.

The American Legion Auxiliary Unit 372, a community organization known for its commitment to veterans, active-duty military personnel, and their families, has taken the initiative to uplift the spirits of those serving far from home. With unwavering determination, they have undertaken a noble cause by collecting donations to send a powerful message of gratitude and solidarity to the troops abroad. Through the dedication of its members and the overwhelming support from the local community, the Auxiliary Unit has accumulated a remarkable donation valued at \$800. The items collected through this initiative will directly translate into practical support for overseas troops.

The impact of this effort is not only seen in the intention behind it, but also in the tangible results achieved. Currently, in Mandarin, the American Legion Post 372 is working on building a permanent home that will allow for these acts of giving and service to thrive and bring aid to more veterans and their families in need.
