PRESIDENT'S MESSAGE

JANE HARDACRE

Hello all my COLORFUL Auxiliary members!

April ended with the ALA Department of Florida finance meeting. I would like to thank the Finance Committee members, the Risk & Compliance Chairman, and the Headquarters staff. This is a four-day business

meeting to prepare your Department's budget for the upcoming 2023-2024 year. We will be presenting this to the General Membership at Department Convention.

May came in with a visit to District 7. These members live in mostly rural areas. They work together as a Legion family with feeding the community, sponsoring children & youth events, and give back to their veterans! They are hard-working, patriotic members who color our world!

One Unit gathered cereal for the local school. Feeding children was no problem for them! Another Unit feeds the community of Polk & some of Highlands counties. When the FAMILY works together, the FAMILY thrives together. When the veterans of a community needed clothing and toiletries, one Unit said #colormethere by purchasing these items. Thank you, District 7 for coloring our world!

Next on the visitation schedule was District 14. This district is really working hard to strengthen the Units, and the District. They hold fundraisers for sick members who have to leave the Keys and drive to Miami for

treatment. They purchase poppies for distribution and then use the donated money to help our veterans and their families. Miami Units hold events for the local children, such as trunk & treat, Valentine's Day parties, and of course holiday gifts!

These dedicated members never forget our teachers, fire fighters, first responders, and law enforcement. They show their appreciation through cards, gifts, and food! Thank you for a "Let The Good Times Roll" visit with you all!

I wanted to take the time to talk about truly giving back. Unit 136 Pine Island was hit by Hurricane Ian. Both the post home, and the Legion Family members, suffered damage. Through your generous donations to the Auxiliary Emergency Fund and in-kind donations, members of this community were helped. Well...at the Children & Youth picnic in April, this Unit wanted to give back. In thanks, and gratitude to all who gave, this Unit voted to donate a check in the amount of \$1,355.00 made payable to the Department of Florida Auxiliary Emergency Fund!! Pine Island, you are a loving and generous, and strong group of members! Thank you, thank you, thank you!!

As my year is drawing to a close, I cannot thank you enough for saying #colormethere and taking this journey with me. My mentors, friends, and fellow members.....

Thank you for **COLORING** my world!!

Memorial Day Service to Honor the Fallen - May 29, 2023

Hosted by The American Legion Cemetery Corporation & The American Legion "U.S.S. Tampa" Post 5 Families

May 15, 2023 – The American Legion "U.S.S. Tampa" Post 5 invites the community to its Memorial Day event with family-friendly environment to show support for our military's sacrifices. The two-day event begins with Luminaries at 8:00 p.m., Sunday, May 28th and concludes Monday, May 29th with the Memorial Service from 11:00 a.m. to 12:00 p.m. The ceremonies are at the American Legion, "U.S.S. Tampa" Post 5 located at 3810 W. Kennedy Boulevard, Tampa, Florida 33609.

This year centers on "Be the One" to eliminate the stigma related to mental health treatment, and in turn, lower the number of veterans who die by suicide every day. We honor those who have fallen and are still in the battle for their lives. This focus is in collaboration on

the goals of the American Legion National Commander and Ellsworth "Tony" Williams (American Legion Post 5 member and Veterans Counseling Veterans founder). Veterans Counseling Veterans, Inc., (VCV) is a veteran-led nonprofit providing training, education, advocacy, mentorship, and service (TEAMS) to veterans and their families in the areas of mental wellness and suicide prevention.

The number of veterans who die by suicide every day is estimated at between 17 and 22. The American Legion has elevated Be the One to be its top priority, empowering veterans, servicemembers, their family members and civilians to act appropriately when a veteran may be at risk. This event intends to bring more awareness to the problem while providing resources to those who may be able to help save the life of a veteran.

Sunday's luminary observance requests that friends

and family come out any time after 8:00 p.m. and have a moment of silence at the cemetery after sunset. No official ceremony will be presented. The Luminaries will be left out for visitations throughout the night with no official service or ceremony. The sight of all the candles lit is breathtaking and a symbol that we will never forget for our tomorrow, they gave their today. Volunteers will set up starting at 5:30 p.m.

The Memorial Service is organized by the American Legion Cemetery Corporation President Alyse Duffy and presented by Terry Doan (American Legion Post 5 Member and Board Member of the Cemetery) as the Master of Ceremonies. The first guest speaker will be Emily Peake, District winner of the American Legion Oratorical Contest, a sophomore at Cambridge Christian School, and placed 3rd in the Department of Florida Oratorical Contest as the youngest contestant.

The second guest speaker will be Lt. Col. Jeremy "Scooby" J.C. Shoop (ret.) was a career Special Tactics Officer and served within Special Operations for three decades, the mainly as a plankholder with the 123rd Special Tactics Squadron, an Air Force Special Operations Command unit. The ceremony will include special guests from the Boys State and Girls State Delegations. The invocation will be performed by Chaplain (Colonel) Eric J. Albertson is the US Special Operations Command (USSOCOM) Command Chaplain as a special staff officer responsible for providing strategic guidance on spiritual, religious, and ethical matters pertaining to the force. Vocal tributes by Gail Cooper, American Legion Unit 5 member. The raising of the flags to full staff will still take place at the closing of the ceremony at 12:00pm (noon) to memorialize

those who gave their lives serving the United States of America.

Feel free to bring a flag Monday and show support by flag waving along Kennedy Boulevard. Wreath registration is available if your group would like to place a remembrance wreath during the Post Everlasting portion of the ceremony to be part of the Roll Call. If any group would like to place their organization's personalized remembrance wreath in the ceremony, bring it to the registration table between 10:00 a.m. to 10:45 a.m. on Memorial Day. All branches of the military will be represented, as well as the remembrance wreaths announcement.

Since 1922 the American Legion has been honoring the fallen with a Memorial Day Service. The event provides a venue for all ages to give thanks for our military's sacrifices. The significance of the cost our soldiers have come to bear to preserve our way of life and the freedoms granted by their choices will never be forgotten. We asked them to give their all...they did. They ask to be remembered one day a year, and we will.

CHAPLAIN

RUTH BURGESS

Many of our Units send a donation to the Scholarship Fund to honor a deceased member. Individuals also send donations to honor a loved one or friend who has passed. Donations should not be sent to the Department Chaplain. They should go directly to Auxiliary Headquarters accompanied by the Scholarship Fund Donation Form Used to Honor a Deceased Person Only. I have attached a scan of the form. If anyone wishes to honor a living person, there is a separate form. Both forms are available on the ALAFL.org website under the section named Resources for Unit Treasurers. I pray this will clear up the confusion. The Action Plan will be amended to correct its language.

"Yea, though I walk through the valley of the shadow of death, I will fear no evil: for thou art with me; thy rod and thy staff they comfort me." - Psalm 23:4

O God, who art the only source of health and healing, the spirit of calm and peace of this universe, grant unto us such a consciousness of your indwelling and surrounding presence that we may permit you to give us health and strength and peace. Amen. Lutheran Prayerbook

A COMMUNITY OF VOLUNTEERS SERVING VETERANS, MILITARY, AND THEIR FAMILIES

We know that military service is a sacrifice for the whole family, so ALA members quietly look for ways to ease the burden — whatever it takes to get that family back on their feet physically, mentally, socially, and vocationally. If we don't have the resources, we connect military families with our partners who do.

In honoring our veterans, one of our core values is to demonstrate and pass on respect for our country and our nation's flag. We promote patriotic youth programs, most notably the American Legion Auxiliary Girls State and Girls Nation programs, held regionally and nationally, along with education programs, contests, and scholarships in local school systems.

Making our communities better places in which to live is another core value put into action by American Legion Auxiliary members every day across the country. Whether hosting a stand down to bring vital health and support services to homeless veterans, or coordinating a send-off or welcome-home event for a deployed military unit, ALA members are continuously at work in their communities, demonstrating the compassion and heart we have for those who serve our country and protect our freedoms.

District 12 - The Vietnam Traveling Wall is a memorial that is a reminder of the sacrifices made by servicemen and servicewomen during the Vietnam war. Its purpose is to help heal and rekindle friendships and to allow people to visit their loved ones in their own town - instead of making the trip to Washington, D.C.

The Vietnam Traveling Wall will be displayed at Wickham Park in Melbourne, Florida from April 30-May 7, 2023. Several members of the Frank B. Huddleston American Legion #81 in Melbourne, Florida had the honor of escorting the Wall as it traveled to its place at Wickham Park. Other members participated in a Wreath ceremony at the site of the Wall. Members of the Legion - as well as Auxiliary, Sons, and Riders were in attendance to show respect for those who were involved in this war. Hundreds of people came out to take part in the ceremony and pay respect. Thousands will come to see the Wall...

DISTRICT 12

District 12 - Memorial Day and Flag Day made me think of how I can show my Americanism this year. So I would like to thank Jennifer(JT) Trefelner for the wonderful idea of a Flag Challenge.

I first thought I would handout 5 or 10 certificates, then I contemplated 25. But in the end, 100 was the magic number!! I started on a mission locate 100 businesses or homes that had American flags flying. I wrote those down and kept track of them at home. Driving back and forth to worker to the store, I looked for heroes in my home town of PalmBay and Melbourne, FL.

As my husband and I started giving out certificates,I saw smiles people's faces and knew how much the flag meant to them. Many shared stories of a loved one in the service. Some gave me flags that needed to be surrendered. I even told one woman that I would purchase a new flag for her and she nearly cried!

Some flag are large; some are small. Some are painted on buildings while others are on table tops. Any form of Americanism is awesome and appreciated! We love our Veterans for all they did for us!

I am still in the process of getting to my 100flag goal but I will complete it! I challenge any other auxiliary member do the same! Let's light up our world with the red, white, and blue! #colormethere

UNIT 62

Unit 62 - Southeast Florida Honor Flight had an amazing trip April 15. 78 veterans and guardians had an emotional day visiting all the memorials and Arlington National Cemetery. We had front row seats for the Changing of the Guard ceremony and despite the forecasts the weather was perfect and allowed for a successful day of honor. Afterwards Unit 62 presented a donation of \$3,500 to the Board members of Southeast Florida Honor Flight.

Unit 62 - Members of Unit 62 were a little rowdy on April 15. They were acting out a western murder mystery. One guest even won a 100 grand!!!! Dinner was provided with ticket purchase and monies raised will go to the Wreaths Across America fund.

UNIT 125

UNIT 217

Unit 217 - Unit 217, Quincy, honored one of its own on March 13th with a dinner: Ms. Ora Green for 60 years consecutive Auxiliary membership, all at Unit 217. She is a retired school teacher who taught 58 years with Gadsden Co. School System. She is a past Unit President and unit chairman of various programs. At her young age age of 94, she continues to attend meetings and serve when called upon. Pictured left to right: Shirley Crawford, Unit 217 President, Kathee Coughlin, Past Department President, Ms. Ora, Kaye Brown, District 2 President.

UNIT 241

Unit 241 - On May 12th at Hurlburt Air Force Field located in the Florida Panhandle hosted the retirement of the "MC-140H Talon II". Pictured: Kaye Brown (Unit 241) with her family; son-in-law Captain Jason Ayers who has flown this aircraft for approximately 12 years of his 16 years in the Air Force. Kaye proudly accompanied her family wearing the Friday T-Shirt.

UNIT 283

Unit 283 - April Showers bring May flowers!!!!!! What??? Well, a Military baby Shower on April 22nd in Lake City Florida brought quite a few new Military Moms to be, a little bit of sunshine. The VA at Lake City held a drive thru baby shower on that Saturday. There were many sponsors who donated items for the event.

Unit 283 donated crocheted baby blankets that were made by 2 of our unit members. Our unit also provided baby hats, mittens, bottle warmers and some baby bottles. Unit President Yvette Moore and member Suella Reynolds participated and helped hand out bags of items along with canned baby formula, pampers, baby wipes and numerous small items.

WAIT!! WAIT!! WAIT !! LETS BACKUP to the beginning...

As each car signed in, they were given a certificate and a tag was put on their windshield.

Blue Sticker (boy), pink sticker (girl), yellow sticker they didn't know yet. Next station was a shopping bag of items designated by blue, pink, yellow tissue paper. Next station was baby formula, bottles, and a bag with blankets, onesies, hats, newborn clothes. On to the next station which were big items.

A baby bath tub, car seats, booster seats, pampers and baby wipes. WOOH, almost to the end. The final tent had snacks for them for their trip back home. There were families that came all the way from Waycross GA for this wonderful event. Others when ask were from Tallahassee, Jacksonville, Gainesville, Lake City. What a great day we all had helping our military. Yes our unit is gearing up and collecting items for the next shower.

Unit 283 - On Saturday May 6th 2023, Unit 283 Legislative Chairman Yvette Moore and Suella Reynolds attended the PACT ACT Information Forum at the VY STAR Veterans Memorial Arena in Jacksonville. The PACT ACT (Promise to Address Comprehensive Toxins) is a historical new law that expands VA Health care and benefits for Veterans exposed to burn pits and other toxic substances.

During the forum, the speaker explained the burn pits as well as the other toxins that have been and are still affecting our military. In speaking of the burn pits he said that many do not realize that the smoke and toxins from these pits was not just on the ground up into the air and spread.

There are new presumptive illnesses that are being associated with Agent Orange that was still used a bit after the end of the Vietnam War.

There was quite a bit of good information given to those who attended as well as they had Veteran Service Officers there to help with the veterans who brought paperwork about their claims for medical conditions. It was a very informative power point and at the 5th District meeting on May 7th a report was given and the information shared

UNIT 283

Unit 283 - Fabulous Breakfast Crew

Once again our fabulous breakfast crew did an outstanding job, cooking and serving a buffet that was so yummy.

If you need any references to how good this breakfast buffet is just ask any of the First Responders who attend. You know they are there enjoying the breakfast by just seeing the Emergency response equipment in the parking lot early during breakfast hours.

Their breakfast buffet had 5 different stations. Let's start at the beginning. Yes, Linda will make your eggs to order, sunny side up, hard, over mediumetc. Linda has this down pat and as always with a smile.

Next let's move on to Gina and her delicious pancakes!! Write it down, plain, peanut butter, strawberry, chocolate, and blueberry or mix it up. No one makes Gina nervous if they want a multi-item pancake!!

Okay we finally made it to the buffet line. Get a plate or to go box because there's a ton of food to choose from.

FOLLOW ME DOWN THE LINE!!!!

Scrambled eggs, grits (cheese you can add), potatoes, corn beef hash, biscuits, sausage gravy, toast, bacon, sausage links or patties. I know it's a tough decision to make. Bet ya think that's the end.

Well you are mistaken!! I know you have to be thinking is there actually more to this buffet. Well yes there is. There's the breakfast pastry area, it changes from Sunday to Sunday. But now that you have all this food you need something to wash it all down. Lets see, milk, white or chocolate, orange juice, ice water and the life blood of many attending is the coffee area. Yes, Tony, as he refers to himself, the kitchen manager, keeps the coffee stocked and condiments filled. You know, none of this wonderful food for our patrons would be there if it weren't for our fabulous cooks in the kitchen keeping the fresh hot food coming. I know the servers and kitchen staff change from month to month, meal to meal. But our regulars are a constant. So if you are a member of Unit 283 and would like to volunteers our regulars would love the help. Many hands make the task lighter.

Thank you to our regular cooks, servers, helpers; Vicki, Linda, Patti, Gina, Heidi, Kelly, Tracy, and we can't forget Tony.

UNIT 291

Unit 291 - On May 8, 2023 American Legion Auxiliary Unit 291 of Steinhatchee celebrated Teachers Week for the Steinhatchee School. There are only 8 teachers in the school. At convention last year we purchased the Auxiliary insulated lunch bags to use this year. Each lunch bag contained an insulated cup, an Auxiliary cook book, lots of snacks and a thank you card with a gas card enclosed. Picture from left to right is Karen Tidwell, President Unit 291 and Jimmy Bray, Principle of the Steinhatchee School.

UNIT 356

Unit 356 - Unit 356 in Lynn Haven put on a second chance prom! What a great way of getting everyone dressed up and joining together in fellowship.

UNIT 382

Unit 382 - Post, Unit, Squadron! This makes us family! What a great way to work together for membership and to let our community know what we are all about. Way to go 382 Navarre. Thanks for showing us how working together works!
