PRESIDENT'S MESSAGE

JANE HARDACRE

Continue Our Legacy Of Respect C.O.L.O.R. is the Department of Florida's theme this year. Our Mission of Service Not Self is to support The American Legion and to honor the sacrifice of those who serve by enhancing the lives of our veterans, military, and their families. This year we are keeping

alive the legacy of those Auxiliary members, who came before us, by working the mission.

Each District is assigned a Past Department President and her theme. While working the mission in your Units, keep that theme in your minds and hearts. We all need to rededicate ourselves to our organization and the reason we joined. Work with your Legion Family to strengthen the Family while supporting our Military and their families.

Florida has a hashtag this year. It is **#ColorMeThere**.

This is how we are going to Continue Our Legacy Of Respect this year. If there is a need in your Post home, say #ColorMeThere and support them. If the Unit needs volunteers, say #ColorMeThere. If your community needs your assistance in any way, say #ColorMeThere. Our organization needs all of us to survive. We must put aside our differences, work together, and welcome EVERYONE!

We owe this to all our Veterans, past and present. We owe it to their families. We owe it to all the Auxiliary members who came before us. Remember the last section of our Preamble. We all say the words "to participate in and contribute to the accomplishment of the aims and purposes of The American Legion; to consecrate and sanctify our association by our devotion to mutual helpfulness."

As my special project this year, I have chosen The Gary Sinise Foundation Central Florida Chapter. Launched in August 2020, the Gary Sinise Foundation Central Florida

was the first of many chapters that will extend the philanthropy of Founder and Chairman, Gary Sinise.

Our focus is The Snowball Express. This program is solely dedicated to the children of our fallen heroes by providing fun experiences and resources in an emotionally safe environment. The program provides counseling and workshops for the children and their families.

Every December, they host a five-day experience for 1,750+ children at Walt Disney World. This is in our backyard! What a perfect pairing of our two organizations! Please research the Snowball Express and learn what a wonderful program this is for these military children. Let the state of Florida thank these children for COLORING OUR WORLD by supporting this charity.

I hope to see you after National Convention in Milwaukee. I am looking forward to meeting all of you and working the mission together!

Big or small, it's a gift,
one with the power to start
a mood-boosting chain reaction
in all those around you, while
making you feel instantly lighter.
In fact, it can turn a whole day
around – yours and someone else's.
And you don't need a

CHILDREN & YOUTH

ROBIN BURK

First off, I want to thank you for your support and best greetings for my election to 3rd Vice President, Department of Florida!

Since convention, I have heard from many and I am so happy to hear from you! I am enthusiastic to answer your questions and

provide guidance. However, it is you, the members that help me to do the best job that I can for our department. Your questions and suggestions open new opportunities that I certainly will share.

As you know, the Snowball Express is President Jane's featured charity this year. As I described at Workshop, I will be presenting an award to a Unit in each membership grouping recognizing the Unit that raises the most donations for the Snowball Express program. Please be sure to complete the annual department donation form by March 31st 2023. And, notate that it is for Snowball Express. So, put your thinking caps on and produce an exciting new fund-raiser to benefit the Snowball Express!

Please engage in other Children & Youth programs as well. If there is a concern about the cost of putting on a fund raiser, here's a couple of suggestions for low-cost activities:

Honoring Youth Heroes and Good Deed Awards – Make a contact with your local high schools, elementary and middle schools so you can be made aware of those children who shine! In conjunction with the Post, present a certificate of achievement to the student(s). Engage your Historian and Public Relations Chairman to take pictures and advertise the presentation ceremony.

Coordinate a visit to one of the children's hospitals, or a care facility in your area. The Emblem Sales catalog has several low-cost coloring books available that you could give to the children. And, being that it is the start of school, crayons are available at the big box stores, grocery stores and office supply stores at a fraction of the usual cost. Stock up!

Children are our future and it is most important that we support them, encourage them and educate them as to our patriotic principles.

It is truly an honor to serve as your Children & Youth Chairman.

CONSTITUTION & BYLAWS

LISA HOYLAND

What an honor it is to be your Department of Florida Constitution and Bylaws Chairman for 2022-2023! Somethings just go Better Together, and this month is Constitution and Bylaws month! It is a great time to review your Unit's Constitution and Bylaws

and Standing Rules. This year the Constitution and Bylaws Committee will be having a C&B Initiative for reading your Units Bylaws and Standing Rules. See Flyer.

All District Constitution & Bylaws Chairmen should have received a packet at the Dept Workshop. If you are serving this coming year as District Constitution & Bylaws Chairmen, please send me your contact information at cbylaws@alafl.org.

Valuable resources and tools.

Copy of Your Unit Bylaws and Standing Rules. National and Department of Florida Program Action Plans. National Constitution, Bylaws and Standing Rules Book: National Unit Guidebook, Department of Florida Unit Guidebook: Robert's Rules of Order Newly Revised 12th Edition Book: Robert's Rules for Dummies.

You can view the Constitution & Bylaws National Constitution, Bylaws and Standing Rules March 2022 UPDATE version by visiting the link on the Department of Florida program action page. The UPDATED version of the Department of Florida Constitution and Bylaws are in the new Unit Guides. This includes all changes that were made and approved at Dept. of Florida Convention.

If you need a sample copy of the unit Constitution and Bylaws or Sample Unit Standing Rules, you can find them in the American Legion Auxiliary Unit Guide.

Standing Rules are specific to the needs of your individual unit.

Remember to review your governing documents frequently and refer to them whenever there is a question about how something should be handled.

The Constitution and Bylaws should be reviewed at least once a year, but your Standing Rules can be reviewed more often.

Be sure to bring your C&B Unit book with you to all meeting for reference and provide a copy to each unit member. When a new member joins, give them a copy, especially if you will not hold an initiation ceremony for several months.

If you make any changes to your Standing Rules, please be specific, do not leave room for incorrect interpretation. Make sure the signature pages contain the signatures of the Unit President and either the C&BL Chairman or Secretary (or all 3) and date it and make sure that any action taken on these documents are recorded in your unit's minutes. If you are only making changes to the Unit Standing Rules, then include a front cover letter that states "Changes to Standing Rules only".

Please note that Units no longer must submit governing documents for APPROVAL to the Dept. of FL Constitution & Bylaws Chairman. However, it is recommended that you submit them via email to cbylaws@alafl.org for review to make sure the documents are not in conflict with National's Department's Constitution & Bylaws. Following approval by the Unit members at a meeting and signatures are affixed by the President and Secretary and/or Constitution & Bylaws Unit Chairman, you may send one set containing original signatures directly to ALA Dept. of FL, 1912A Lee Road, Orlando, FL 32810 for their files and to upload onto the Department of Florida website, you can also send me a copy via email.

Please like us on Facebook at ALA FL Constitution & Bylaws. I look forward to working with you on these very important governing documents. **#Colormethere**

NATIONAL SECURITY

LINDA KNOBLACH-HARKNESS

First, let me tell you how absolutely thrilled I am about being your National Security Chairman. I hope we have a fun-filled and productive year.

I want to answer a question that members have been asking, "Why is there not an award for

coupons this year?" This is a fair question. Based on the feedback I received, many members don't get the newspaper anymore so many units are not participating as much as they did in the past. Does that mean we should stop sending coupons? ABSOLUTELY NOT! Our military families appreciate your hard work, and we need to continue to support them with coupons. Just because there isn't an award doesn't mean the program is less vital.

I hope by now many of you have created your "Flat Members". If you don't know what I'm talking about,

please go to alafl.org/programs/national-security and check out the Program Action Plan and all the resources on that page. I just can't cover all the information in this article. But we will be having a ZOOM call every 2nd Tuesday of the month at 6:00 EST. You're invited to join any of the meetings that you can. If you can't stay for the entire meeting, that's ok. If you're eating dinner, that's ok too.

September is a big month for our National Security Program starting with Saturday, 9/11. Please take time to commemorate this day in some form or fashion. Maybe visit a firehouse, police station, or ambulance squad. Take them a thank you note, treats of some kind or help clean up the station. Don't forget to take your "Flat Member" and get pictures for your book. Maybe you can reach out to an office building that would allow you to do a "Stair Climb" (or a gym). This could be a fund raiser that your unit could do to raise money for one of

PAST PRESIDENTS PARLEY

KIM OAKS

My name is Kim Oaks and I have the honor to serve as this years Past Presidents Parley Department Chairman. Our Committee Members are Dara Oliver and Mary Tarnowski. We are looking forward to working with all of you.

I am the easel, lean on me. I am here to hold you up and help you as you paint the town for our veterans and work on our programs.

The purpose of the Past Presidents Parley committee is to utilize the experience and knowledge of past Auxiliary leaders for training and encouragement of future Auxiliary leaders. Through the Past Presidents Parley committee, members who have served as unit, district, department, and national presidents have an opportunity to continue in active service to the Auxiliary, helping ensure strong future leadership for the organization.

What can you do? Promote mentoring opportunities. PPP's can play an important part in mentoring of current members to develop knowledgeable leadership within the organization.

As former leaders, past presidents at all levels are encouraged to continue their support to the organization by accepting responsibility to contribute their experience, knowledge and wisdom.

There is so much information to share in achieving a stronger organization, at each level, by sustaining growth through positive actions. Past Presidents should always make themselves available to current officers as well as potential candidates for office. Their guidance and constructive feedback should help maintain continuity and good cooperation.

Why not offer to escort a new member to your meeting. Introduce them to the President and the other members.

Let's always remember to include our Junior's. They are members too.

Host a luncheon or tea party to honor our Past Presidents. Here's an idea for a PPP Luncheon, Dara Oliver is dressed in character of Department of Florida's first Auxiliary President, Mrs Harry Voorhis as hostess of the 12th District Past Presidents Parley luncheon. Have fun and be creative. Invite the Past Presidents to share some of their stories.

The training and experience of our Past Presidents can be highly useful in any activity needing special support or emphasis. Members of this committee model civility, loyalty and service not self as they actively work to build a strong future for the organization.

(Past Presidents Parley continued on Page 13 >>)

(<< Past Presidents Parley continued from Page 12)

Promote the activities of the Auxiliary, with special consideration to our female Veterans. Encourage a mission out-reach project of interest to our female veterans.

"The delicate balance of mentoring someone is not creating them in your image, but giving them the opportunity to create themselves."

-Steven Spielberg

Units are urged to continue to provide scholarships for student nurses. Our efforts in this area are important

and help to relieve the nursing shortage as well as improve the quality of health care.

Utilize our Past Presidents. Reach out to them for guidance and knowledge so that you can continue to work the mission of the ALA. Continue to be involved: you are a valuable member of the American Legion Auxiliary. Thank you for everything you do and thank you for saying color me there!

Members, you are the artists, painting the town for our veterans. **#colormethere**.

Greetings Artists, I am honored to serve as your Public Relations Chairman. Committee Members are Patricia Delgado and Patricia Grayshaw. We are your Easels, to help you through the PR program. What we reviewed at Workshop, the Key Program Points of PR: Media, Branding, and Visibility in the Community!

*Spread the word about the American Legion Auxiliary: A Community of Volunteers Serving Veterans, Military, and their Families.

*Encourage ALA members to be visible in their communities through valuable, distinct branding.

--legion-aux.org

If you were not able to attend Workshop, the video presentation for PR is available on Facebook group ALAFL Public Relations, you will find it under the media tab, also visit the files tab, for helpful documents.
