PRESIDENT'S MESSAGE

JANE HARDACRE

WOW! Florida is holding steady at number #1 in the Nation for membership! Keep on reaching out to your members via texts, emails, phone calls, and in person! We can do this together!!

January ended with a visit to District 9. These Units have really stepped up

when the Legion asked for help. Several Unit members stepped up when the Unit was struggling. They took officer positions, updated Unit paperwork, and said #colormethere when the Commanders needed them.

They took over functions that the Legion could no longer complete. For example: dinners, 50/50 drawings, working bingos, and "This is your life." This ceremony honors Post Legionnaires while they are still on this earth. It is a way to show RESPECT to those men and women who work the Mission at the post level.

The ALA teaches school children about flag etiquette and writing cards to Post members. It is a wonderful way to engage our youth and bridge the gap. These Units sponsored families for Christmas, gave supplies to the homeless in their communities, and answered the call for Hurricane Ian Relief efforts.

The 9th District Legion Family works the Mission together. They take care of our veterans, children, and communities when a need arises! The visits ended with the Annual Four Chaplains Ceremony. What a beautiful tribute to these four heroes!

During the month, Margate #157 lost their president and her mother in a traffic accident. Please pray for the family and the Unit. I have no doubt that the district will be there for the Legion Family and assist in any way possible. It was a huge loss, but they colored our world while they were on this earth!

Next was a visit to the 16th District where this group of ALA members never forget the Mission. We cleaned

a house where four veterans lived. The organization is called "Heaven on Earth for Veterans." We packed bags for Fisher House residents, Bay Pines VA hospital and the Domiciliary veterans. We assembled "You are loved" cards that have been handed out to veterans all over the world!

Units involve their communities in our Mission. One Unit offered their hall as a meeting place for a local crocheting group. They ended up with 6 new members with this simple project! Another Unit adopted 28 families from Pinellas Hope. I am so proud to be a member of this Mighty District!

Next, I was on The American Legion Riders summit. The Riders meet every year to perfect their Legion protocol, fundraising efforts, reports, and food serving handling. This group is our most visible facet to the family and we need to work together with them. They may participate in different ways than the Auxiliary does but we must keep in mind two important things:

- 1. They are a part of the FAMILY! All riders must be a member of the Legion, Auxiliary, and Sons of The American Legion. They have the same rights we do.**
- 2. They work the Mission in their own way. Embrace your ALA riders! Include them in your functions and help them in theirs.**

Lastly, I participated in Unit #137 Jacksonville's Annual Polar Plunge! Yes, it was cold.....but all those years swimming in Lake Superior as a kid came in handy. We have 7 brave participants from each facet of the family and raised \$2,000 for The Gary Sinise Foundation of Central Florida's Snowball Express. Thank you to Unit #137 and Squadron #137 for your love, support, and friendship! Thank you for coloring our world!

***** YEAR END REPORTS are due April 1st to your District Chairman. Please reach out to your District President if you need assistance. Show the world how we are COLORING Our World! DEADLINES ARE REAL!**

AMERICANISM

ROBIN WALTROUS

It is so hard to believe that we are already more than half way through the Auxiliary year. I hope you all are having as great a year as I have been. However as we get closer to the end of the year that can only mean one thing, reporting season is upon us.

When writing your reports and narratives please keep in mind that almost everything we do as part of the Auxiliary can be counted in the Americanism program. Please work with the other chairman in your units to divide those hours, events and monies so that no report is submitted as "no activity".

It is also time to get those essay entries turned in. I have already started to receive them and to be honest they are heartfelt and wonderful. I look forward to reading those that have not yet been submitted.

As I read them, I got to thinking about what does patriotism mean. To me, it represents the embodiment of the life I have chosen to lead. From my early years as a Girl Scout celebrating the Nation's 200th birthday in 1976 dressed in a Betsy Ross costume while working an ice cream social at my home town's July 4th celebration. Through my years as an Army wife and Navy Mom and being present for deployments, homecomings, re-enlistment and retirement. Finally as I joined the American Legion Auxiliary I finally found a group that embraced the same ideals and fundamental beliefs that I did. I was home.

We all see Patriotism is pledging allegiance to the flag, singing the National Anthem, memorializing our heroes on Memorial Day, Honoring those that served on Veterans Day and remembering those not yet found on POW/MIA day. Yet it goes so much deeper than that. Patriotism is walking up to a stranger and thanking them for their service just because you see that they are wearing a baseball cap of the unit they served in. It is volunteering to serve a meal to those that need a little help. It is reading a book to a child because they have no one else to do so. Patriotism is jumping in help a community clean up after a disaster has occurred. It is packing boxes of goodies and signing cards for our deployed troops. It is offering a neighbor a ride to a doctor's appointment or the grocery store.

Our children are our best hope at future where Patriotism is in the forefront. We need to develop programs that will instruct our youth on how to understand the components of, care of, honor and retirement of our Flag. They need to understand the structure of our government in manner in which our government was intended to serve its citizens. This can be done by teaching the Declaration of Independence, The Constitution, and The Bill of Rights. This is why I created the Chairmans Award for the best Youth program by a Unit. I am very hopeful that many of the Units have put together a program that will inspire our youth to be the best Americans they can be.

Most of all I thank you all for being great American and the most awesome Auxiliary Department in the Nation.

Are you looking to other ways to help our veterans?

We NEED you!

We have Hospital Representative Openings for the following VA Hospitals:

- Bay Pines
- Gainesville

AUXILIARY EMERGENCY FUND

GEORGIA MACKENZIE

I hope all is doing well. I just wanted to give you a little information that I received from my zoom meeting with National for this 1st quarter.

- AEF Grant Awards- 1st Quarter , Fiscal 2022-2023
- AEF Dollars Awarded:

\$137,610.35

- Total Members Awarded: 103
- Breakdown of Awards.
- Total Awarded Disaster Applications: 82 Amount \$110,460.74
- Total Awarded Temporary Assistance Applications: 21-Amount \$27,149.61

Dean Sanders also from our National staff was in attendance of the meeting. Dean is on the committee

that goes thru the grant applications and processes them. He shared that in FY2022 there were 89 grants for a total of \$119,439.05. But in FY2023 so far, we have granted more than we did in the entire prior year. We have had some devastating storms and disasters this Fiscal Year and that has affected the grant application needs.

We need to get out there and raise funds to replenish this fund so we are ready. If you have fund raiser coming up that you would like to get out, please let me know and I will be glad to help out.

Please watch the Facebook page for more updates and events that may be going on.

And Always thank you for all you do to work our Mission.

CHILDREN & YOUTH

ROBIN BURK

Hello Ladies! First, I hope that you all have started your new year with a renewed enthusiasm for the Children and Youth program and projects. It's a great time to make a plan, include your members and juniors and attract new volunteers

for Children & Youth. We can always use fresh, exciting ideas for fundraisers and projects to meet the needs of our kids.

I thank the District and Units for their contribution of the Valentine's cards to be distributed at the two children's hospitals supported by the Auxiliary in Miami and Tampa. With very little expense and a little effort from the members, we are able to put a smile on the faces of children who are being treated at the hospitals. We wish them restored health and happiness.

Our next big event is the Children and Youth picnic on Saturday, April 15th. This year, the location is changed to Post #323 , Lehigh Acres. We are so fortunate this year that the picnic date falls on April 15th, which is PURPLE UP for Military Kids Day! We're asking everyone to wear purple in support of a children whose parents are deployed. They need our support and this small recognition goes a long way to encourage them and make them feel as special as they are!

The picnic is sponsored by the American Legion and Auxiliary and is our biggest fund-raiser of the year! Our Legion Children & Youth Chairman, Diane Boland has many exciting changes for the picnic this year and I think everyone is going to have a great time! We need support from the units for raffle baskets, cash donations for food, volunteers for selling raffle tickets and 50/50 tickets, manning games for the kids\members,

set-up and clean-up. We will be providing information on hotel accommodations in the area on the flyer posted on the Department website. For those of you in the southwest area, this should be an easy trip. Members from other areas, think about car-pooling.

The picnic is from 11 to 5 PM. Lunch is BBQ ribs and brats and sides by OUTCASTS. Lunch is served from, NOON 'til 3 P.M. \$5.00 per person – a real bargain! Christian Rapp is the entertainment in the Tiki Bar from NOON 'til 3 p.m. Baskets, the grill raffle and 50/50 raffles will be on display in the mail building all day long. The "Lee County Sheriff's Ice Cream Response Team" will provide free ice cream to all present @ 3 p.m. The raffle, games of skill and 50/50 winners will be announced at 4 p.m.

Please have the units contact me so I can start a sign-up sheet for volunteers. You can respond on the ALA FL C & Y Facebook page. I challenge your Unit to answer first and see which Unit will be sending the most volunteers for this very important event! Help make your UNIT be the one!

JUNIORS

DARA OLIVER

WILL YOU ACCEPT THE CHALLENGE

We all feel the Love that people have for our Juniors and that's evident, especially when hosting a fundraiser. But in hopes to increase our Junior membership in the Department, I have a little challenge for each of you. I hear all the time ... "We don't have Juniors!" Well – EVERY one of our 16 Districts actually has Junior Members! You may not have "active" Juniors but, we do have them! There are however, Units that don't have any and that's where I challenge each one of you to join 1 new Junior. Eventually, you won't be around to continue your Unit – Juniors Are Our Future!!

Our Juniors are active on the Department level, because our Leadership allows them to participate, but are you actively engaging them on the District or Unit levels? Do you have District or Unit Junior Officers? Do you invite your Juniors to events so they can learn or volunteer? It's important for all members to submit their Volunteer logs, juniors are no different - and they also are eligible for Bright Future scholarships for volunteering. Let them come to a Senior meeting or an event held at the Legion post that is age appropriate.

If we don't start growing our Juniors now, we won't have an organization in 20-30 years. Let's Recruit and start growing the ALA, so we can continue to be the World's Largest Patriotic Service Organization!

hundreds.

There is no year-end report due for membership.

However, I do ask that you email me pictures from your unit of your members working membership or any of our programs. I will use those in our slides for the membership parade at Department Convention.

Speaking of Membership Parade I hope you all are getting some ideas together. Let's honor our PDPs and celebrate their themes.

I just wanted to thank you for the mechanical kitty that my dad, John, received for Christmas from you. It has been such a comfort to him. He pets it, talks to it & loves it. We had cats growing up. He always was around them, so I think it took him back to earlier days. And Kitty is the only one that understands Dad's talking!! It makes visits with him a lot more enjoyable cuz he wants me to pet & love Kitty too. Thank you for giving dad something to hold on to & something to hold on to.

You made our little corner of the world a happier place to be!

CITY OF JACKSONVILLE HOMELESS VETERANS STAND DOWN and RESOURCE FAIR

On January 27th and 28th, the city of Jacksonville, Florida held a Veterans Stand Down, which included employment services, medical/dental services, hygiene kits, food, and clothing. Over 200 Veterans attended the Saturday event along with a several caregivers. The two day event had numerous organizations in attendance to help the Veterans with job searches, dental/medical needs, housing assistance, VA claims, clothing, and food. Some organizations represented were the Veterans Administration, Red Cross, Transportation Security Administration, Combat Vets, United Way, Northeast Florida Women Veterans, and even barbers giving free haircuts, just to name a few.

Our 5th District American Legion Auxiliary Unit 283 set up a table with membership information and several giveaways for Stand Down attendees. We handed out sunglasses, crocheted caps, small bags of toiletries, individually packaged crackers, cookies, trail mix, and peppermints along with promotional pamphlets for the Auxiliary, as well as the whole American Legion Family.

Each Veteran who stopped by our table was greeted and thanked for their military service to our country. Everyone seemed interested in speaking with us and were very pleased with the free items offered to them. It was a very rewarding and inspirational experience meeting and chatting with the Veterans. We were honored to be asked to participate this year, and we are excited to represent our American Legion Family again at next year's Stand Down. ALA Unit 283 strives to faithfully serve our Veterans, Military, and their families in our community and beyond in the spirit of SERVICE, Not Self. | Submitted by Suella Reynolds and Carmen Roden
