# President's Message

WANDA BRANDT

Greetings Starfishes

This year is speeding by, and soon we will on be at Department Conventions which is right around the corner! Hope everyone has sent their chairman report in to their Department Chairman.

Department Chairman, please make sure you get these reports into Southern Division National Vice President and your respectful Chairmanship.

I was going to wait till convention and to speak about my travel's this year; however, the more I thought about it, the more I realize that you all did not want to listen to me for a few hours of talking, this is due to the fact I have a huge book and hundreds of cards and letters, and I have met so many friends along the way and gather so many great memories.

My first visit this year was to the 2nd district, Sept 10-11, where I met 2nd District President Kaye at the Quincy Golf Club along with PDP Kathee Coughlin and auxiliary members from Quincy Unit 217 and Tallahassee Unit 13, we had a wonderful luncheon and I was honored to meet a Korean War Veteran who joined us, along with his wife, a very valuable Auxiliary Member. His wife has been crocheting lap robes for the veterans even though she is legally blind, however he made the coasters that they gave me.

Then with President Kaye traveled the historic town of Sneads, visiting a museum, Kaye being the tour guide, telling me history and stories of Sneads. Then visit with past District President Nell Hewitt and husband Roger, for a great evening and dinner. Saturday it was Patriot Day and School of Instruction at Unit 217 Quincy, the unit members went overboard with decorations "under the sea theme" starting with the front of the building, with sea turtles on the sand crawling back to the water, when I walked through the door there was a Mermaid chair. The SOI started with a Patriot Day service and the SOI Chairman did great

job of training, we had lunch which was supplied by Members of Unit 217, these ladies can cook. The class ended with President Kaye playing Tim McGraw "Humble & Kind". What a way to end Patriot Day.

October brought me to the 17th District where President Toni met me at Ormond Beach Unit 267, we then proceeded to Port Orange Unit 270 where we had a Meet and Greet with several units within the 17th district, where we enjoy a meal and conversation as we talked about the ALA mission. Leaving there we visited Unit 361 South Daytona, spoke with the members and then back to Unit 120 Holly Hill for a fabulous steak dinner, cooked by Cookie and her daughter. We also visited with our extended family members, Detachment Commander Bryan Carter & Rita, and District 17 Commander James & Phyllis, and 1st Vice Commander David.

I meant Toni early the next day, and headed to the Coast Guard Station in New Smyrna Beach, I enjoyed our tour there, guided by three "Coastie". Then it was time to return to Unit 267 Ormond Beach for the Breast-Toberfest and German games. All monies being raised for Cancer. After that I was ready to get back to Jacksonville.

Dec 15th found me in the 16th District with President Sue Craft. We met at Unit 273 Madeira Beach, were we sat on the patio, listening to music and meeting Unit 273 members prior to our first stop. Unit 14, St. Petersburg, welcomed us, we enjoyed some Cuban sandwiches and laughs with President Bonnie and 18 Auxiliary members doing a round table discussion. We completed the day, relaxing on the patio, back at Post 273 Madeira Beach. Thank you to Commander Mike, 1st Vice Ed, President Cheryl and the entire Legion Family for the warm welcome! We were back again the next day for a meet and a great luncheon with the Auxiliary, from around the District, at Unit 273, Madeira Beach, with Delicious food and fellowship. The gifts, especially from Peggy, the beautiful art that she designed and created, already has a place in my home. We visit Unit 305

St. Petersburg Beach where we were entertained by a wonderful Fashion Show, ate great desserts, with all proceeds going to "My Warrior's Place". Then Friday found us at Unit 252 Seminole, pool side, being served by Auxiliary member by the pool with great Auxiliary members eating a great brunch, good conversation and a gorgeous day? The breakfast was exquisite fresh fruit, croissant, quiche, potato casserole, blueberry creeps. Thank You all from the bottom of my heart. What a great way to start a Friday morning.

Speaking of welcome home Treasure Island Unit 158 what a great idea they had to stuff mugs filled with love for our Veterans in the nursing home and the VA Clinic. We had a great time stuffing mugs with the members of the Unit and got to chat about their upcoming projects. Madame President Dee, just wanted to say, Thank You, for all you do to brighten the lives of our Veterans every day. Friday night found us at Safety Harbor Unit 238 having a seafood dinner meeting with members, and received a donation for Project Vet Relief for our Homeless Veterans. Auxiliary members of Unit 238 you rock! It had been a long day, and I was tired and needed to get to bed for an early start.

Saturday morning up early to get ready and go to New Port Richey Unit 79 for a Christmas Party for about 45 kids, I got to play Ms. Clause, handing out gifts to children, from 2 months to 9 years old. Afterwards it was off to the Wreaths Across America at Meadow Lawn and Pine Hill cemeteries where I was the guest speaker at Meadow lawn Cemetery.

Then it was home for a while, visiting family and enjoying the Christmas Holidays.

The New Year started in District 12 what a busy weekend that was. I met Diane at her house then went and met Kim, Karen and Jennifer at the Daily Bread and watched volunteers do veterans intake and give distribution of clothing and food. We proceeded over to the NVHS Transition housing with Jennifer where I met veterans Robert, Kevin and Steven we spoke how they like their accommodation and they were very grateful for Jennifer, we then toured NVHS office. It was off to Palm Bay Unit 394 where we met Auxiliary members, visit had a wonderful lunch and great

Then it was off to Barefoot Bay Unit 366, located on the Indian River Lagoon where I met some of the most wonderful ladies around. Most of the members here are Retirees with about 30% of those being full time residents. The rest are "Snowbirds". The Post and Auxiliary runs from October to the following May. The ladies made their own special cookies to share with us, we talked about the programs they are very active in their community, as well as advocates for the veterans that reside there. We finished the night off in Sebastian Unit 189 for Chicken Parmesan and a couple of glasses of wine and Membership Chairman Candace met us there to finish the visit with us.

Saturday started off with a little chill in the air, but when we met Merritt Island Unit 344 Auxiliary for breakfast it was warming up. Thanks to District 4 Natalie Scott for traveling with us for the day. Then we got a tour of the Veterans Memorial Museum where they hold all of their official meeting and business. Then off to Cape Canaveral Unit 348 for a little recreational and fun fishing raising money for My Warrior's Place (what a fun way to raise money). Off we go to Satellite Beach Unit 200 for a Mad Hatters Tea Party. What a great time! Members were all decked out, had their finest costumes what can I say, except we all had a blast!

Sunday morning it off to Palm Bay Unit 117, what a surprise when I found out it was "Breakfast with the Juniors". They presented me with photo book of the activities they did while at "My Warrior's Place" on their retreat and a drinking glass with "Dare to Commit" on it, will enjoyed my ice tea from it. My next visitation, was to Port St. Lucie Unit 318 about 40 Auxiliary members attended, I spoke with them on their activities in the community and what projects they were working. They then presented a donation to Project Vet Relief and we spoke about "My Warrior's Place".

Last stop of the day Fort Pierce Unit 40 Where I met Committee Member Robin Burke who is also President of the Unit and Edie Porter with about 10 members, we had a round table discussion about ideas to improve the programs, fun raising ideas and how

*President continued on page 5 >>*

January 13th I was in District 13th for my visitation. District President Joanne (Ms. Fine) met me at the hotel at 8:00 am. We headed at to Saint James City Unit 136, Met some wonderful ladies as we talked about ALA projects and discover they made \$5000 they raised in one day to put the ball across the pond. What a great idea if you have a pond in your backyard. President Angela gave me donations for both of my project this year. Then we were off to Cape Coral Unit 90 where we we meet with the Legion and Auxiliary members during a discussion concerning programs and membership. District President Joanne and I received a local bottle of rum and sea salt popcorn from Cape Coral. Next stop was Fort Myers Beach Unit 274, hosted a luncheon for us, met again some wonderful ladies and a great round table conversation and I was presented with a gift to both of my special projects. No time to waste so we are off to Bonita Springs Unit 303, where we met with several members and talked programs and I was presented with a wood plaque "Be Kind". This unit does a lot within their community, they have donated over 13,000 lbs. of non-perishable to the local food bank. Thank you all for what you do every day for the community and our Veterans. Next stop was Leigh Acres Unit 323 for dinner and a friendly greeting with family (TAL, AUX and SAL) also joining us was NEC Denis Boland and wife PDP Diane joined us after dinner they called me to stage after talking with everyone, they presented a donation for both of my special projects. Thank you, AL Family Post 323, for all your support to our Auxiliary. I soon felt very tired and knew I had another long day tomorrow with (Ms. Fine) night, night.

Next Visit was to Tice Fort Myers Unit 351 where this unit has 89 members however only a few members work the programs and what a job they do. I could not believe all they did each month for our Veterans and the Community. What a wonderful meet and greet at Tequesta Unit 271. Units came together to honor me by all contributing to the party. I was so awed by the beautiful cake, the decoration, the food, the friendship, and the generous donation to My Warrior place. The guest speaker Deb Doherty with the “Dedicated Devoted Solation” (DDS4VETS). Which she shared some wonderful insight to what our veterans face coming home. Then Unit 271 President Sandra joined District President Dawn, me, and PDP Fran Carlton on a trip to Renewal Coalition where we met up with Mary Hinton (Mary was a Girl Stater in 1963). DEE BELL

I never knew. DID YOU??

If you have ever been to a military funeral in which taps was played; this brings a new meaning to the song. Here is something Every American should know. We in the United States have heard the haunting song, 'Taps' It's the song

that gives us the lump in our throats and usually brings tears to our eyes.

But, do you know the story behind the song? If not, I think you will be interested to find out about its' humble beginnings. Reportedly, it all began in 1862 during the Civil War, when Union Army Captain Robert Elli was with his men near Harrison's Landing in Virginia. The Confederate Army was on the other side of a narrow strip of land.

During the night, Captain Elli heard the moans of a soldier who lay severely wounded on the field. Not knowing if it was a Union or Confederate soldier, the Captain decided to risk his life and bring the stricken man back for medical treatment. Crawling on his stomach through the gunfire, the Captain reached the stricken soldier and began pulling him toward the encampment... When the Captain reached his own lines, he discovered it was actually a Confederate soldier, but the soldier was dead.

The Captain lit a lantern and suddenly caught his breath and went numb with shock. In the dim light, he saw the face of the soldier, it was his son. The boy had been studying music in the South when the war broke out. Without telling his father, the boy enlisted in the Confederate Army.

The following morning, heartbroken the father asked permission of his superiors to give his son a full military burial, despite his enemy status. His request was only partially granted. The Captain had asked if he could have a group of Army band members play a funeral dirge for his son at the funeral. The request was turned down since the soldier was a Confederate. But, out of respect for the father, they did say they could give him one musician.

The Captain chose a bugler. He asked the bugler to play a series of notes he had found on a piece of paper in the pocket of the youth's uniform. The wish was granted, The haunting melody we now know as 'Taps' used at military funerals was born.

The words are:

Day is done.	Fading light.	Thanks and praise.
Gone the sun.	Dims the sight.	For our days.
From the lakes.	And a star.	Neath the sun.
From the hills.	Gems the sky.	Neath the stars.
From the sky.	Gleaming bright.	Neath the sky.
All is well.	From afar.	As we go.
Safely rest.	Drawing nigh.	This we know.
God is nigh.	Falls the night.	God is nigh.

I too have felt the chills while listening to "Taps" but I have never seen all the words to the song until now. I didn't even know there was more than one verse. I also never knew the story behind the song. I am passing it along so that everyone knows. I hope you as I have a deeper respect for the song.

Ladies,

The reports came rolling in and most are outstanding. Thank you for all of your hard work. I wish to especially thank the District

Presidents for contacting their Units, urging them to complete their reports. I hope you enjoy reading the article.

## Introduction of a Member

FRAN CARLTON

When I joined the American Legion Auxiliary in January, 1973 I was blessed to have my mother, Louise Whipple, as my first mentor. She had taught me about the auxiliary and to believe in service to **“God and Country”** from my childhood.

My mother was President of Palm Beach Unit 12 at the time I married Jim Carlton and got my eligibility. A little known fact is that I signed my auxiliary application at my wedding reception. It was the first place I could sign my married name and I proudly signed Mrs. James D. Carlton. As a member, I could now put into practice the things I had been taught. The Unit also had two Past Department Presidents, Alice Sprague and Winnie Wellman who helped guide me.

The following year, in 1974 I was asked to be the District Eleven Americanism Chairman. That's when I met Jean Mahoney, Jan Croft, Rita George, Alberdia Floyd and other members who were willing to help me learn and grow. I will be forever grateful to them all. My mother gave me the best advice I could have had when I first became a

member. She said, “go to every school, conference and convention that you can because you will learn something new every time.” She was right.

In my almost 50 years of membership, I have been blessed to serve in most Chairmanships and offices on either the Unit, District or Department level. In my early days Jean Mahoney taught me that a yellow highlighter can be one of your best friends. She said to highlight the important information in the Unit guide about the office or chairmanship held that year. Not only does it help find the information, it helps one learn when details are re-read.

One of the great honors in my life was to serve as Department President in 1985-1986. Over the past many years I find myself being called on by newer members to help guide them in officers' responsibilities or in understanding details of our programs. I'm always glad to help. My belief is that “Teaching and sharing what knowledge and information a person has does not make that person any less knowledgeable. Sharing just makes other people more knowledgeable”. The more we all know the stronger our organization will be. If I had my preference at this point in my Auxiliary life my goal would be to only serve as a mentor and leave being an officer and/or chairman to the newer members.

*Mentor of the Month continued on page 11>>*

<< *Mentor of the Month continued from page 10*

Becoming knowledgeable about the Legion and Auxiliary has been a family affair. My grandmother and two aunts became charter members of the Auxiliary in 1919 in Cleveland, Ohio. My mother learned from them and joined through her brothers' eligibility. My husband, Jim was an Army Veteran who served as Commander

of Palm Beach Post 12 and the Eleventh District. Our daughter, Debbie was Honorary Department Junior President and her daughter, Angelina is currently serving as Honorary Department Junior Historian. We continue sharing the love of "God and Country" and the programs of The American Legion and American Legion Auxiliary through the generations.

# Florida Happenings

District 5 - The Mighty Fifth District Juniors and Young SAL Members, proudly presented The Military Child Table Setting Presentation for the Fifth District Legion Family along with Madam Department President Wanda Brandt and other Department Leaders for Military Child Month, at Atlantic Beach Unit 316.

Unit 13 - Unit 13 gathered to make Easter baskets for the foster children of NW Florida Health Network. Our original goal was 100 baskets. However, we were able to deliver 176 beautiful crafted baskets while having "Fun". Thank you for everyone's donations and support

Unit 13 - On March 23, Unit 13 celebrated “Women’s History Month” with lunch and a pinning ceremony for members with 20 plus Continuous Service Years. Our members are outstanding women of “HISTORY” the American Legion Auxiliary history; without these ladies’ dedication to God and Country, we would not exist. So, thank you for all the wisdom and guidance you have shown Unit 13.

Unit 79 - Auxiliary Unit 79 presenting a check to AL Riders Chapter 79 to benefit Moon Lake mission on their Dice Run.

Unit 99 - A mini ABC class was held on Sunday April 3 2022 @ Andrew Jackson ALA Unit 99 in Brooksville. Current Dept. Leadership Chair Mary Kelly Perkins along with District 15 President Eileen Wilson & other Chairs gave a “crash course” FULL of wonderful information. This was a great learning experience for all who were in attendance. Lots of information was shared and many questions were asked and answered.

Unit 270 - Pictured Glenn Unit President Shirley Fraser Joseph and Treasurer Sue Pearce. ALA Unit 270 delivered gifts to Baracks of Hope. Gifts consisted of pillows, sheets and pillowcases and boxes of canned goods. What a happy bunch!

Unit 270 - President Shirley Fraser Unit 270 Pt Orange (left) and Eleanor Amato Historian ( 3rd left) delivered supplies for a delicious Easter Dinner including Ham, au graté potatoes, Honey carrots, Italian green beans, roll & butter, a variety of desserts and fresh made coffee for our veterans at Baracks of Hope. Also pictured resident manager

Brandi and resident Walter. God bless our veterans

Unit 291 - During the month of March 2022 American Legion Auxiliary Unit 291 of Steinhatchee held a diaper drive to help "Healthy Families Seven Rivers". On March 31st a delivery of 1,686 diapers and 1,960 diaper wipes was delivered to this worthy organization. From left to right is Brandi Turner with Healthy Families Seven Rivers and Karen Tidwell President Unit 291 Steinhatchee.

Unit 291 - On April 16 American Legions Auxiliary Unit 291 Adult Easter Basket was raffled off. The winner was Ty Barker a visitor from a Post on the East Coast. The Auxiliary raised 480.00 to help with on going projects.

Unit 291 - Jane Feber Unit 291 of Steinhatchee spoke to our Legion Family about a young man who was making a difference in his life. After hearing the story below the Auxiliary along with the Legionaries and the Son's of the Legion and other various other members donated \$1750.00 for gas cards to get him back and forth to school from Camp Blanding and a small amount to help him with graduation expenses.

Dalton Makatura turned 18 last summer and joined the Army. He's been stationed at Camp Blanding so he was able to return to Dixie County High School twice a week after school for tutoring to complete his courses to graduate. After graduation Dalton will be on his way to Fort Benning to start his Army career.

CANDACE MABRY

## When you wish upon a STARfish...

Your membership dreams will come true

May is a month full of graduations from pre-school and kindergarten, High School, and College. It is a time to reflect on past accomplishments and look towards new experience and goals. But before we can graduate, we must all ace all our finals. That means at the date this newsletter was written our great Department of Florida is at 97.13%. We have 3 Districts over 100%, one District only needs 10 more to reach 100% and 68 Units at or above 100%. April was a month for all to do their Unit, District and Department reports. That leaves this month for membership! Pick up that phone and make some calls. If you need phone numbers, I will be happy to email you all you would like of unpaid members.

I wrote this in our April newsletters, but only received one response so I am including again. All Lifeguards, Pelicans, and Sandpipers your help is needed! This year President Kathy Daudistel has a Department award in 2022 for Together We Serve Award. It will be presented by Division to the Department worked as the American Legion Family to enhance membership. Please email me with any of the following that your District or Unit participated.

\*Did your Unit do any revitalizations where the entire American Legion Family was invited to participate? Who was invited? How many members were

contacted? Was it successful?

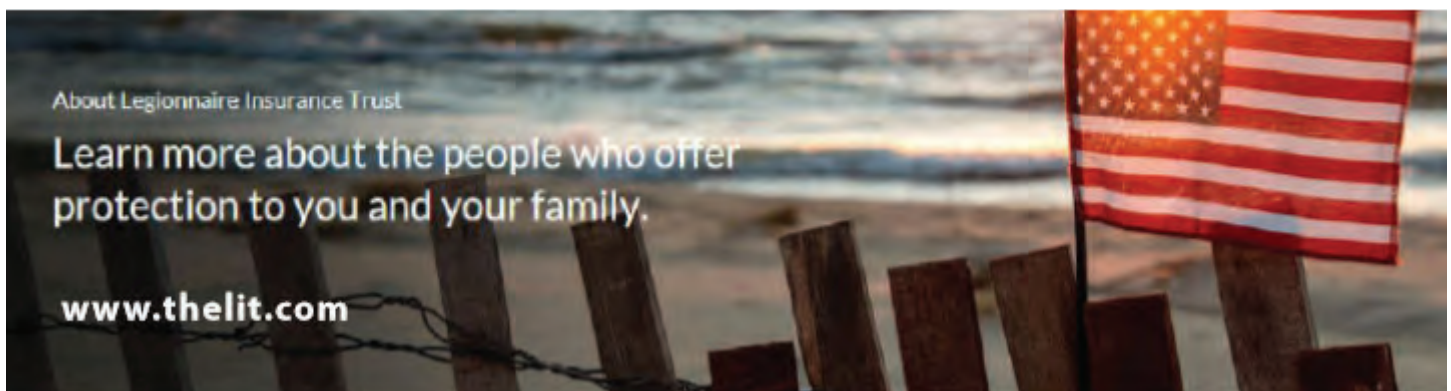

\*Did your Unit do a membership drive in your state as a Legion Family visiting local members?

\*Did you work together as a Legion Family on Buddy Checks to reach out to our members?

Did you do a phone bank? Did you do door-to-door visits to check on members or host Facebook Live or Zoom events?

\*What other things did you do as a Legion Family to enhance membership? \*Please be sure to include any stories you would like to share about your Legion Family working together. This is your chance to brag about your American Legion Family.

\*Please include photos of your events along with your narrative.
