President's Message

WANDA BRANDT

Happy Holidays to – all you Star Fishes!

December is special to all of us for many reasons. As we begin to celebrate the Holidays, let us not forget those Men and Women who have given us that right and to

those that are still fighting to keep that right for us. Sadly, homeless veterans, and their service, are almost completely forgotten or ignored so our mission is to end homelessness among veterans.

On any given night, over 37,000 veterans go without a safe place to live. We strive to honor their sacrifice and help veterans in crisis by connecting them to housing resources, employment services, and other benefits they have rightfully earned.

Remember ... their gift forevermore.

+++++

MEMBERSHIP, MEMBERSHIP, MEMBERSHIP. I cannot stress membership enough. It is the bloodline of our organization. It enables us to perform our missions to the Veterans and their Families, and supports not only National Programs but ours also. While you are out there recruiting new members, do not forget your current members, get them to renew in a timely manner.

Speaking of growing. It is everyone responsibility to gain new members and teach them, share your knowledge concerning the organization and WHY you belong and let them figure out their WHY and let then grow.

REMEMBER

WHO WE ARE

Founded in 1919 during the first National Convention of the American Legion, we have grown to be the largest women's patriotic service organization in the world. We are passionate about making a difference,

answering the call of Service, Not Self. You will find us in more than 9,500 local communities and in the USA and in 11 foreign countries.

WHAT WE DO

The American Legion Auxiliary (ALA) members and volunteers step up to advance our mission of service to veterans, military, and their families. Our annual volunteer service is worth nearly \$2 Billion.

WHY WE MATTER

Making our communities better places in which to live is another core value put into action by ALA members every day across the country. Whether hosting a stand down to bringing vital health and support services to homeless veterans, or coordinating a send-off or welcome-home event for a deployed military unit, ALA members and volunteers are continuously at work in their communities, demonstrating the compassion and heart we have for those who serve our country and protect our freedoms.

AND WHAT IS YOUR WHY? Why are you still a Member?

+++++

“Get Involved”

This comes from National webpage. Whether hosting a stand down to bring vital health and support services to homeless veterans, or coordinating a welcome-home event for a deployed military unit, ALA members are continuously at work in their communities, demonstrating the compassion and heart we have for those who serve our country and protect our freedoms.

In order for us to continue helping our Veterans, Military and their families; ***we must continue to grow.***

Let us not forget all the work we do in our communities, volunteer service activities, mentoring children, schools and so much more we do. Make sure

President continued on page 4 >>

you keep tracking of your time and do not forget to report it.

FOOD FOR THOUGHT

Membership . . . All of sudden, units are under the impression that members of the Auxiliary must belong to the unit associated with the post of the veteran they are joining under. This is not true. The veteran can join the post of their choice and the female can join the unit of her choice. They do not have to be the same. They can be in different states if they so desire. I have no idea how this got started.

We seem to have a problem in several units with illegal membership. Uncles do not provide eligibility, father-in laws do not provide eligibility and SAL membership cannot provide eligibility. Remember it is the Unit's responsibility to verify an applicant is eligible according to Nationals rules. No Unit can waive the rules. If we continue to get complaints, the Department President will have no choice but call for a membership audit of your Unit. Clean up your house so Department doesn't have to.

Hope each of you, have a safe and happy holiday season.

Thank You, for all you do for the American Legion Auxiliary.

Community Service

DENICE GRINIS

What does Community Service look like in your neighborhood? Look around: Do you know if people are aware of available programs and resources that need volunteers within the community? This may take a little research for answers. A good place to start is

with your local officials. Send an email and ask what are the needs in your community and how can we be of help? Make sure we are branded when we serve the public.

Our goal has been to make our communities a better place for everyone to live. With all the natural disasters occurring in our communities, help to develop a disaster, emergency or evacuation plan, setting up first aid or CPR classes, or helping with a blood drive are just a few ways to engage your community.

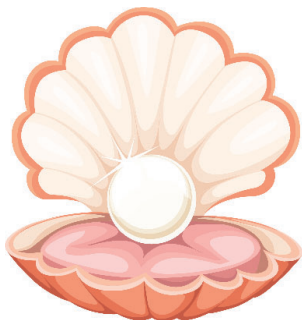

New for 2021-2022 year, National President Kathy Daudistel's focus is ***"Caring for Those Who Care for Others,"*** and we are going to recognize that special volunteer member with a Community Service Caregiver Award.

Do you have that one local unit member volunteer who goes above and beyond to help those in need?

Are they the first to spearhead a committee for the betterment of their community? Maybe they volunteer to take care of neighborhood members who aren't veterans but have mobility issues. They check on them to see what their needs are, prepare a meal for them, shop for them, or just spend time visiting with someone at risk. Let's recognize them for their efforts within the community. Encourage your members to report what they do for others. My unit 142 Pompano Beach puts out a spiral notebook at each meeting and members are encouraged to jot down what they do, how many hours did it take, and any money or in-kind donations given.

Units may wish to award certificates to several unit members in the communities who are outstanding volunteers. Each unit may submit only one nomination to their Department Community Service chairman to be received by May 1, 2022. Our department is encouraged to recognize the member nominations from every Unit submitted. Each department Community Service Chairman will select one winner and it will be emailed to the national Community Service Chairman by June 1, 2022.

Please take the time to honor those special members who give so much to our community. Forms and instructions may be found under the program "Community Service" on our website, ALAFL.org.

Leadership

MARY KELLY-PERKINS

As I was going through some old correspondence, I came across an email and I would like to pass the following to all members of the Department of Florida. I borrowed it from Linda Smiley, the 2019-21 Southern Division

Leadership Chairman.

Lead by example –

Who says leadership is a one-way relationship? As you work towards developing leadership qualities in yourself, don't forget to look to your fellow members for feedback and inspiration.

1. Pay attention to the things that have been effective in the past and always be on the lookout for new ways to inspire, motivate and reward members.
2. Be willing to delegate responsibility – use the talents of others.
3. Always instill a climate of goodwill.
4. Be respectful, remember those all important "shout outs" to deserving members and certainly the two most important words, "**THANK YOU**".
5. Do care about your members and strive to help leadership capacity in them.

I personally know that these five examples work as I have been working them and I can see a change in myself and so have others.

Chaplain

RUTH BURGESS

Dear Lord, this Holy Season let us:

Mend a quarrel.
Seek out a friend.
Dismiss our doubt with trust.
Write a letter.
Share some treasure.
Answer softly.

Encourage youth.
Show mercy in word and deed.
Keep a promise.
Find the time.
Forego a grudge.
Forgive an enemy.

Listen.
Apologize.
Try to understand.
Flout envy.
Examine our demands on others.
Think first of someone else.
Appreciate.
Be kind and gentle.
Laugh a lot.
Take up arms against malice.
Go to church.
Welcome a stranger.
Gladden the heart of a child.
And in your honor - Love. Amen

Girls State

IRMA WEHRLI

Girls State Information for 2022 Session

Remember you must have a minimum of 10 paid members and all unit quotas paid to department.

Check with your treasurer that these fees have been remitted into Department. Your Unit should have received the delegate registration forms for delegate and over-quota delegate. These forms must be into Department before January 31, 2022. Interested new Units should request an invoice along with registration paperwork from Department Headquarters

Now is the time to contact the schools to set up dates to interviews for your girl stater. Please don't interview any girl until you have the numbered application from department. If you interview before you have received your application because until you receive your application you aren't guaranteed a girls stater. If you don't have girls state in your Unit budget you need to have your Unit vote on these monies. Also don't promise any girl a slot for girls state. We don't want your Unit to be embarrassed if the program is, or you forget to mail in your monies to get a girls stater.

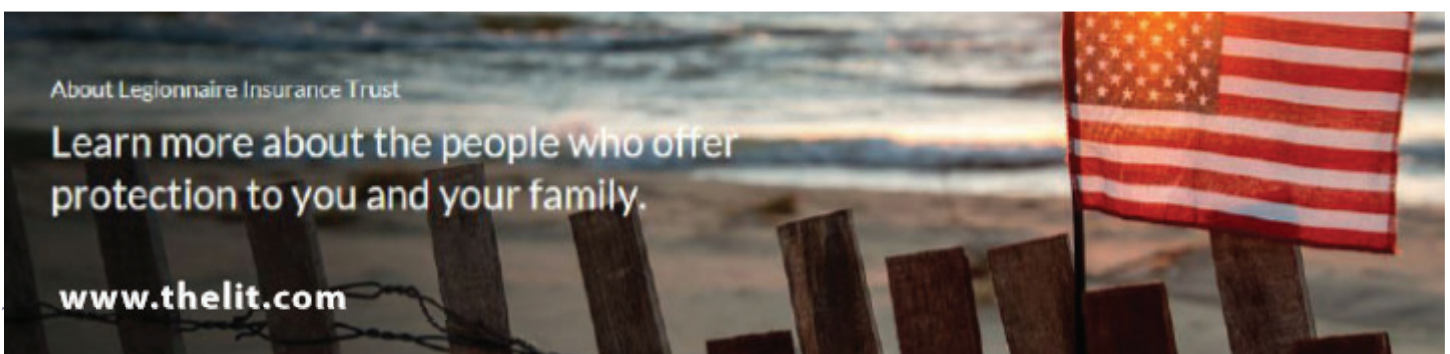

The Girls State session is being held June 7, 2022 through June 15, 2022. Help your girls stater get her online application uploaded to Department before April 4, 2022. They will not be excepted after the deadline. Just make sure your delegate isn't having any problem getting everything into department. There are a lot of the registration forms that have to be notarized and signed. They also need to attend an orientation, both the delegate and parent or guardian must attend. You can get the dates for all orientations around the

state from the department website. She may go to another districts if she has conflict with the date of her district. This is mandatory that they attend, if they don't their name will be removed from the girls state list of delegates to go. Orientations will be held starting April 2, 2022 through May 22, 2022. All orientations are held on a Saturday or Sunday during the month of April and part of May.

Familiarize yourself with the requirements for Girls State before you begin interviewing students. Please make sure the information you are giving your Units is correct. Our rules prohibit you from requiring citizenship for delegates. Who is eligible for Girls State, she must be a resident of the State of Florida. She must be in her junior year of high school and returning to her school for her senior year. She needs to possess, an interest in government, have strong leadership ability, good character and honesty, excellent scholastic standing, cooperativeness, community participation and service. Girls State delegates are a diverse group of women who share a common desire to learn.

If you need any assistance or questions you can call or email me. Email address girlsstate@alafl.org

Cell phone (386)-397-6966 or home (386)-755-3814. There are no dumb questions just the ones that don't get ask. I'm here to help each of you, we will have a successful girls state session. Please remember you are responsible for selecting your delegate, reminding them of the dates for registration, attending an orientation, and where they are getting on the bus on June 7, 2022. They shouldn't arrive at Florida State before 1:00pm. Check in is between 1:00pm – 3:00pm. Girls State is a GREAT program so lets send the best girls to represent your Unit.

Juniors

DARA OLIVER

The Department of Florida ALA Juniors had an amazing time at Workshop in August and Fall Conference that was held on Nov. 6th in Orlando. They have been continuing to raise funds for Department President Wanda's Project: My Warriors Place with the Gnarly Big Wave Challenge.

The Juniors collected \$1420. in Challenge #1 but came just shy of doubling that amount for Challenge #2. Winners were Membership Grouping 1 – Unit 344 Merritt Island, Group #2 – Unit 19 Orlando, Group #3 Unit 348 Cape Canaveral, Group #4 Unit 24 Bradenton and Group #5 Unit 283 Jacksonville. Unfortunately they didn't have anyone donate in Group #6.

The Juniors will be camping out at My Warriors Place, December 10-12, 2021 and ALL Juniors are invited to

attend at No Charge.

The Juniors had the opportunity to listen to Ms. Kelly Kowell's story she is the CEO of My Warriors Place and presented her with \$2325. in Gift Cards & checks.

The Juniors also signed Veterans Day and Christmas cards for local Veterans as well as completed some crafts, worked on their video's for the Public Relations committee and participated in the membership parade. National Miss Poppy & Dept. Honorary Jr. President Evelyn Derouin-Davidson spoke and Southern Div. Honorary Jr. VP got to meet Southern Div. VP Gabriele Barnett. It was a great Conference with 8 Juniors and 1 young SAL member in attendance.

Please find them on Facebook and Like - American Legion Auxiliary Florida Juniors and use the hashtag: #ALAFLJuniors.

National Security

CONNIE HENDRIX

Holiday greetings everyone! 2021 is rapidly coming to an end and our members have been doing a wonderful job supporting our active duty servicemembers, their families, and our first responders.

As you may or may not know, the Female Servicemember of the Year has been changed from Past President's Parley to National Security. However, it is now called "Salute to Servicemembers" honoring enlisted personnel who are currently serving our country in the Army, Navy, Marine Corps, Air Force, Coast Guard, Space Force, and the National Guard/Reserve. That's right all enlisted members.

Details regarding this award and the nomination form can be found on the National Security page of the Department's website. Each American Legion Auxiliary unit may submit one entry for each branch of service. The Nomination Form must be accompanied a written narrative or YouTube video.

One enlisted servicemember from each branch of service, as well as the National Guard/Reserve, will be recognized at the American Legion Auxiliary National Convention. Recipients will attend the National Convention as guests of the Auxiliary.

What a great opportunity to honor and show appreciation for those who serve our country.

VA&R

DEE BELL

WOW is the word to describe the National Creative Arts Festival fundraiser. All 17 amazing Districts and many awesome Units donated a total of 46 baskets or homemade crafts for the raffle. Thank You to the dedicated volunteers who manned the tables on Friday and Saturday. Thank You to the entire American Legion

Family for buying tickets, because of your support we raised \$6,100 through the raffle and \$1,300 on the eagle cross stitch.

THANK YOU FOR CARING

Do you do things for a family member who serves or served in that military that he or she can't do anymore?

Do you help a family member who serves or served in the military with stress, emotional issues, anger or depression?

Do you take a family member who serves or served to

medical appointments or arrange any form of health care for them.

Do you sometimes feel alone, isolated in your duties because no one around you does the same thing or understands.

Do you feel you do the care responsibilities for someone who served in the military because they are your spouse, son/daughter, sibling or other family member.

SERVICE TO VETERAN HOURS

Caregivers of family members can now be awarded "Service to Veterans" hours and earn hour bars "Caring for those who cared for us" providing that you do not receive professional compensation. If the caregiver lives with the veteran, they may be awarded 10 hours a week. If they do not live with the veteran relative, they may be awarded 5 hours a week. Please use the "Service to Veteran" hours worksheet to keep track of your hours.

Department Commander

JERRY BRANDT

CANDACE MABRY

Mele Kalikimaka...For those of you that don't speak surfer talk, that means Merry Christmas! We are in the middle of the holiday season. A wonderful time of year for a children's Christmas party, caroling for veterans, sending cards to active duty, feeding our community, but don't forget your membership! Remember, a Unit

cannot do all these wonderful and thoughtful programs without members. I would like each Unit throughout this great Department of Florida to squeeze in a membership moment during your awesome events. If you have a Christmas party for the children of you Post, are you asking if their daughters/granddaughters are juniors? Give them a STARfish if they sign up. Have the mothers/grandmothers renewed or are they even a member?

Be creative and crafty! For every member that joins/renews in December give a STARfish or create your District Under the Sea creature and cut it out and hand to them.

Thanks to all the Districts and Units that shared their AHA moments at Fall Conference. It was a wonderful parade and such creative costumes! Led by our Juniors...Our Stingrays of District 1...Seahorses from District 5...Freddy District 6 the Flounder...Who can EVER forget Lobster from 14, our Snapper in an aquarium from District 15 or Marlins from 16?

Please keep those AHA moments coming...Unit 80, St. Cloud along with the Post 80 Family, including Juniors held a membership drive at the Osceola County Sheriff's Department 1st Annual Veterans Appreciation Day, November 11th. I'm sure there were many Poppy moments on Veterans Day, but did you also let everyone know how

they can join this awesome organization? Please share and I'll be happy to put up on our Facebook page.

District 2, Sea Turtles are still leading the surfing contest with 65.51%. The Flounders, District 6, has slipped into 2nd, 61.70% passing District 4 the Scallops at 61.02%. I am happy to report that 10 of our 16 Districts are over 50%, but remember our goal as a Department is 75% by Pearl Harbor Day with National!

Let's start those membership drives and phone calls. I want to also congratulate Unit 11, Arcadia, who has joined Unit 365, Sunrise, to be at 100%. So radical!

Make sure you join our ALA Membership Facebook group.

Snow and STARfish is a scene we don't have to worry about here in the great Department of Florida!

We don't have to shovel snow, just sand to find and renew our STARfish. If you are planning a membership drive, reach out to me and possibly I can attend!!

Ride the Wave, 'cause we know you can DARE to Commit.
