PRESIDENT'S MESSAGE

ANN KING-SMITH

I think April and May seem to be two of the most hectic months for Florida Auxiliary members, as we finish up one year and get ready to begin another. Thank you to all the Unit Chairmen that submitted year-end reports to your District Chairmen, and another thank you to all the District Chairmen that compiles all those reports and forwarded one report on to our Department Chairmen. I look forward to reading some reports and learning more about the outstanding things that have happened to fulfill the ALA mission.

In addition to reporting, most of you are getting ready to distribute Poppies in your community. This distribution will encourage people to always remember the ultimate sacrifice that so many soldiers have made for our country. I hope you will all submit pictures of your Poppy distributions for our final Mail Call in June.

Next, we have nominations and elections for Unit officers for the 2021-2022 Auxiliary year. I hope that each of you will consider seeking an elected office or accepting a chairmanship. For a Unit to operate, they must have officers to lead the membership. Please be willing to accept a nomination and serve, for the good of your Unit. There are mentors and many written tools to help you be successful.

My family and I were all fortunate enough to have received both doses of vaccine to help protect us from Covid-19. I have now resumed traveling and have had an exciting month. I attended the Department Children & Youth Picnic in Titusville in early April. This event is a cooperative effort between the entire American Legion Family. I can't begin to tell you how immensely proud I am of the outstanding job that our Department Children & Youth Chairman, Dee Bell, did in organizing the ALA's participation in this event. It was a beautiful

day for a picnic and the entire American Legion Family from Post 1 were wonderful hosts. The food was outstanding, and compliments were heard from all. ALA Junior members did a great job running a bake sale with a Candyland theme.

The following week, our Department Historian/PR Chairman, Eleanor Amato, accompanied me on a wonderful visit with District President Sue Craft and members of the 16th District. Our visit began with a Meet & Greet at Unit 305 in St. Pete Beach. I will tell you that this was great....in so many wonderful ways. The food was out of this world. I love pastry and this was some of the best that I have ever tasted. The members were so friendly and excited to tell me about all their many accomplishments during the past two years. As you know, hearing about Honor Flight always excites me and this Unit certainly got the visit off to a great and exciting start. On display was a wonderful Honor Flight painting that was created by the granddaughter of their Unit President. You can see the picture and read more about it in a Mail Call article found in this issue. Then, we were able to hear from a WWII veteran who has flown with Honor Flight to Washington, D.C. Next, I was presented a check from Unit 305 in the amount of \$1,000 for Honor Flight. This unit has 114 members and has worked extremely hard for the past four weeks to meet their goal for this donation. Next, came another surprise as Dee Bell and Liz Close presented another Honor Flight check in the amount of \$500 from Unit 158 Treasure Island for Honor Flight. I was smiling happy smiles and crying tears of joy in unison.

The following morning, we traveled to the beautiful little town of Safety Harbor to join the entire American Legion Family from Post 238

in a fun afternoon to raise money for their own Jane Hardacre, candidate for Department 1st Vice President. It was so nice to meet with members from this Unit and see the enthusiasm they have for the ALA. Before leaving, I was presented with another check, in the amount of \$1000 for Honor Flight and a beautiful gift basket filled with some craft supplies that had been on my wish list. As things always work out, Karen Collingsworth approached me about making a wreath for an upcoming fundraiser for a veterans organization in the area. I agreed to donate a wreath, using materials that were gifted to me in the beautiful basket.

Next stop was beautiful Post 273 Madeira Beach for Department Commander Rick Johnson's Homecoming. I had the pleasure of arriving with Rick and his family by boat. The event was Luau themed and everyone, even the men, were decked out in beautiful flowers. It was a genuinely nice evening, shared with many friends.

For years, I have heard about the great food that is always served at Unit 275 in Dunedin. Sunday morning breakfast there proved that all I have ever heard about their amazing breakfasts is true. I have to say, in all honesty, that this was the best breakfast I have ever had. The hospitality was great, and I will certainly be going back there again.

After a nice long breakfast, we hit the road just in time for the torrential rain to hit and follow us across the State. I have never seen a time that I-4 looked like an empty highway.

My next visit was a very somber one, as I attended a Celebration of Life for PDP Erna Schwabe at Post 117 in Palm Bay. Department Chaplain Lois Stachelrodt did an excellent job of officiating. PDP Shirley Frasier gave a very moving eulogy, based on the many years she and Erna had been friends and served together as members of District 17. When Erna was Department President, her theme was all about Lighthouses. Unit 117 had erected a lighthouse beside their lake and had dedicated it to Erna on one of her many visits with them. The lighthouse was rededicated to Erna and her service to our organization.

After an upcoming Finance Committee meeting at Department Headquarters, I will be traveling to District 7 for a visit. Please watch the website for my itinerary and join us if you can.

Thanks to all of you that are so supportive of Honor Flight, my special project for the past two years. Although they have not, for various reasons, been able to travel to Washington, D.C., their mission will be even greater when flights are able to resume. Their backlog of veterans is becoming longer, so more trips will be necessary. The Department Public Relations Committee are planning a basket raffle for Department Convention, with all monies benefitting Honor Flight. Please bring a basket to help with this event. We will also have a Parade of Checks at Convention.

It's going to be great to celebrate the culmination of two great years by seeing friends we haven't seen in an awfully long time. Until then, please stay safe.

DARA OLIVER

As you read this article ... pause for a minute and think ... "what will this organization or Department be like in the next 20 years?"

Will you be around? Will you still be helping our Veterans, Military & their families, our communities and our children & youth? How many of us will still be doing what we love and what we're doing now in 20 or 30 years? As our organization ages, have we put into place someone that can fill our shoes? Are we taking the steps to train someone that is capable of working the mission? Are we recruiting younger people that can be good leaders for our future to continue? This is the Junior Activities committee!

We need to ensure the ALA as an organization can continue to thrive. It is "our" responsibility to do these things and it only has to start with 1. If you have 1 member that is under 18 years old, encourage them to participate or help with events and activities that you're working on. Assist them in learning how the meetings run and invite them to be actively involved and engaging in what your Unit does. Educate them in proper procedures and protocols. Kids are smart, they are paying attention sometimes even when you think they are not listening and if you make it fun, they will love it - just as much as we do! We all have passion for the American Legion Auxiliary why not pass that along to someone that can continue to grow and teach them to do the same.

Due to Covid we did not get a lot of opportunities to have Juniors meetings, but we were fortunate to be able to have Juniors Installation via Facebook video chat.

Several active Juniors (& young SAL members) worked on the patch program as well as jumped in when our community needed help and assistance. I applaud the Junior Chairman and advisors for even when things were slow, separated and we couldn't meet to do things in person, they were creative and thoughtful in their Units and committees. Congratulations to all the Districts that submitted their Reports and had been able to hold events and activities.

The Best part of the Junior Activities committee is of course the girls, but the easiest part of this committee is ANY Junior can participate and help with ANY of our committees, programs or events, you just have to allow it and encourage it. We will never make it into the next 100 years if we don't start building a force to take over when we are gone. If you're interested in getting a Juniors group together but need some assistance contact me so that we can help get a plan and work the mission to build and grow.

Juniors are invited to Department Convention this year and please wear Purple for our theme color to honor Military Children. More information will be forthcoming.

The Mighty Fifth District Juniors hand-made (88) Easter Cards for the Veterans residing in the Clyde E. Lassen State Veterans Nursing Home. The cards were delivered to the Nursing Home by Jacksonville Unit 283, VA&R Chairman Carmen Roden.

April 11th, the entire Mighty Fifth District ALA Members, honored our Military Children by wearing Purple Attire to the last District Meeting of the Fiscal Year.

District Meeting 2-14-2021, most everyone wore red since the District meeting was on Valentines Day, some members snuck out, not wanting their picture taken.

The Mighty Fifth District celebrated St. Patrick's Day at the March Meeting by dressing up in Green.

The Mighty Fifth District Juniors and Young SAL Member, Honored our Military Children at their Fifth District Meeting by wearing their Purple Shirts on April 10th.

DISTRICT 12

KAREN HUMANN

We are proud to say that District 12 hosted the Annual Children and Youth Picnic on April 3 at Post 1.

It was a terrific turn out and it was great to see all of our friends from around the state. A big thank you to all the Units that donated baskets and money!

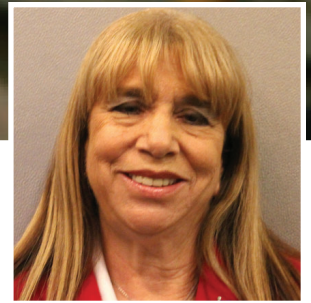

Prior to the picnic, the District 12 Juniors had their District meeting. They had a great time and they spent quite awhile learning how to make a motion. Their goal was to get a bowl of ice cream, a brownie, and cup of juice!

Since April was Military Children's Month, one of our Units decided to "purple up" by handing out clothes pins with purple ribbons (for a donation, of course). What a terrific idea!

One of our members, was nominated as "Prom Queen" for the Heroes vs Villains Prom. All of the proceeds are going to the Next Gen Veterans Program. The event is to be held on April 17.

Many Units are beginning to have health screenings and or COVID screenings to ensure that their members are doing well.

Of course, Nominations are in full swing in all Units and we are all looking forward to seeing each other at our District 12 Constitutional Conference on Saturday, May 8 at Unit 163.

DISTRICT 14

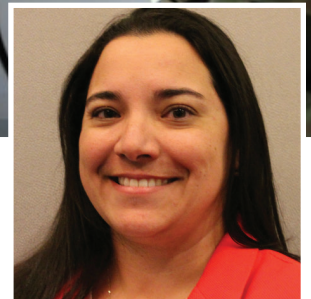

STACY CUSANO

Our district is finally starting to get back to normal. Being in Miami Dade County – we have been the "Hot Spot" in Florida throughout the pandemic. Our Electr Glide has been idling, but is now starting to rev up! Over the last few months our Post homes have reopened and our Units have been able to meet. One unit just had their first meeting in a year! North Miami Beach Unit 67 have been working with their local Boy Scouts to help them earn badges.

They have also been hosting lunches to raise money. Palmetto Bay Unit 133 participated in a drive thru Birthday for one of the Post members who turned 100 years old! Coral Gables Unit 98 gained some new members and is hoping to kick it in high gear soon. The Keys units opened up a few months before Miami Dade. Marathon Unit 154 held a craft bizarre and packed boxes for our troops. Unit 28 is preparing for Poppy Day.

They also participated in the #100 miles for Veterans. They started their walk in October and made quick work of making it to 100 miles. Some members opted to buy a shirt to support the cause instead. All in all we are happy that we get to see our Legion Family again. We are excited to be back working towards our goals for our veterans, military and their families.

See you at Department Convention!

DISTRICT 16

SUE CRAFT

Now that we are starting to get out more and the units are doing more the 16th District is revving up our Duce Motorcycle.

Our Department President Ann visited our district, what a time we had, starting out at a meet and greet at Unit 305 St. Pete Beach, this unit has come a long way. Then on Unit 238 Safety Harbor for Jane Hardacre's Bingo Bash Fundraiser, what a time

and the basket raffle was unbelievable. continuing on to to Commander Rick's Homecoming, at Post 273 Madeira Beach, what a time had Hula Girl and a full pig roasted. Sunday onto Unit 275 Dunedin for a great breakfast with the auxiliary members. All in all what a great time we had, we are known as the Golden Girls as we traveled around.

CHAPLAIN

LOIS STACHELRODT

As our World continues to change, may we all embrace what we need to do. During this month may we remember those who have sacrificed their lives for the love of our Country and remember that because of them we are here today. Never forget who they are and remember those who are still fighting today to keep us free. May the Lord watch over our Men and Women who are still deployed and bring them home soon. May this Memorial Day have a special meaning and place in our hearts, and no matter where we are on May 30th, may we all stop at 11:00 Am and say a prayer for everyone.

All our veterans and our fallen soldiers should be in our hearts and minds on that day, and we will never forget where they are or what they did. May our

sisters who have gone to live with the Lord know that we are continuing their legacies and we all know they are watching over us.

Father, we ask that you guide us through this storm that we have had for a year and bring us together as a family, never let us lose that feeling. Please guide and help those who are ill and heal them with your loving arms. We thank you for those you have healed along the way and we ask that you continue your healing. Thank you for our lives and our health. Thank you for all you do and for all the protection you are giving to everyone. All this we ask on thy holy name, Amen.
