Mission Statement

In the spirit of Service, Not Self, the mission of the American Legion Auxiliary is to support The American Legion and to honor the sacrifice of those who serve by enhancing the lives of our veterans, military, and their families, both at home and abroad.

For God and Country, we advocate for veterans, educate our citizens, mentor youth, and promote patriotism, good citizenship, peace and security.

Vision Statement

The vision of The American Legion Auxiliary is to support The American Legion while becoming the premier service organization and foundation of every community providing support for our veterans, our military, and their families by shaping a positive future in an atmosphere of fellowship, patriotism, peace and security.

PRESIDENT'S MESSAGE

ANN KING-SMITH

As I sit down to write the final President's Message for Mail Call, I can barely believe that two years have passed since the beginning of this wonderful journey. During the past two years, so many of us have experienced days that seemed would never end, as we worried about our families, friends and Auxiliary members facing the horrors of Covid-19, now commonly known as "the pandemic." I am so proud of each of you, for not only the many accomplishments along this journey but also for the strength you have displayed.

When choosing my theme for the 2019-2020 year, many catchy phrases came to mind but at the end of the day, none seemed really fitting. From somewhere in my mind, or heart, "Florida ALA Strong" came to be. Perhaps it was a voice from a higher power, guiding and preparing me for what was ahead. Regardless of the reason, it came to be the perfect theme for the past two years.

There are so many people that have given so much of themselves during my term in office. It has truly been an honor of a lifetime serving with you and working together, as a TEAM, to find ways to continue serving our veterans, active-duty military, children and communities. I have been blessed to have such wonderful Department Officers, District Presidents and Department Chairmen to work alongside. I have also had the opportunity to appoint some wonderful members to some special positions and they have all served our Department well. I have been blessed with so many Past Department Presidents that have offered much needed and well taken advice along this path. Last, but not least, I would like to thank our staff at Department Headquarters for adapting to so much chaotic change and making the difficult transition look so smooth. I will never be able to thank them enough for all their hard work and dedication.

In so many ways, we have proven that we are "Florida ALA Strong." For 2019-2020, we reached our 100% membership goal, thanks to Membership Chairman, Terry Gallagher, whose enthusiasm and drive never slowed down as her "Revved 'Em Up for Membership." Now, after one of the most dark and depressing years in the history of our nation, we are once again nearing our goal as we strive to bring Florida to 1st place in the National membership standings. Every Unit in our Department, large or small, can take credit for this success.

From the very bottom of my heart, I would like to thank each of you that have volunteered for our Florida Honor Flight hubs. There are so many ways to help this organization, as they continue to fly our veterans to Washington, D.C. Some of you have donated your time by waving flags at airports, participating in drive-by birthday celebrations for Honor Flight veterans, donating snacks and sending Mail Call letters and get-well cards. So many of you have donated well needed dollars that will help Honor Flight continue their mission. I am eternally grateful for your support of this great organization and I look forward to once again becoming a volunteer in any way I can serve.

I send best wishes to 1st Vice President, Wanda Brandt, as she prepares for the journey of a lifetime. I know we are all there to support her in any way possible during the upcoming year. I wish Wanda much success and I hope her year is filled with only good things, as she leads the Department of Florida.

In the following days, I will continue to visit members, to learn of all the great things that are being accomplished as we forever strive to fulfill the ALA Mission. I recently had the pleasure of

Continued on page 4 >>

visiting with District 7 President, Faye Kirkland and her wonderful members. Our first stop was Unit #3 in Bartow, where we enjoyed visiting with President Diane Tucker and hearing of some great projects this "small but mighty" group has been working on. Their participation in community events and happenings makes them a particularly important part of their town. Later, we visited Unit 8 in Winter Haven and enjoyed their great Friday night fish fry while President Audra Anderson gave us a tour and introduced to many dedicated members. The view from the rear of Post 8 is breathtaking and something I will long remember.

After serving as Department President for two years, I thought I had heard of almost every community service-based project that could possibly happen, but the members of Unit 71 in Lake Wales asked me to join them in one of the most heartwarming projects I have seen. In Florida, foster children are no longer funded when they reach 18 years of age. In some cases, foster parents will allow them to remain in their homes without receiving payments from the State of Florida. Unfortunately, many of these young adults are forced to live in cars, on street corners or other places. Unit President Linda Hayes and her members met to stuff backpacks filled with snacks and essential items for the 18-year-olds that were graduating from high school. Such a wonderful way to remember our youth that deserve so much more from life.

President Faye knows how much I love Honor Flight, and no one supports all our veterans and Honor Flight like Mission BBQ. If you've never been at one of their restaurants at noon, you're missing a treat. Everyone becomes silent and rises to their feet as our National Anthem is played. This happens every day, at every location. In the week preceding our visit, they had served free meals to our veterans, honoring a different branch each day. This day was special, as they were recognizing Armed Forces Day. The National Anthem was played outdoors, and a 90-year-old female veteran was given special recognition.

Later in the day, we traveled to Unit 15 in Dade City where I had the great honor of presenting them

their charter. Afterwards, we had the opportunity to enjoy a question-and-answer session with them. I know that we will be hearing more from this enthusiastic group of members in the upcoming year.

Saturday ended sharing with a wonderful dinner hosted by members of Mulberry, Unit 72. I don't think I've ever enjoyed a more wonderful dinner with such amazing ladies. I can tell you that I have never tasted such authentically terrific Italian food. When we pulled in the parking lot, the aroma of fresh garlic was a hint that this was going to be a great meal.

On Sunday, District 7 held their Constitutional Conference at Unit 72 in Mulberry. It was so nice to see all the wonderful faces I had met during my visit in attendance. In addition, I was able to meet Unit 4 President, Pam Snyder at the meeting. The attendance and representation at their District Conference exhibited the unity and dedication of District 7. I had a special honor of presenting our Southern Division Junior Honorary President, Jasmine Harris, a medal and scholarship on the amount of \$2,000 from our National Organization. This scholarship was presented for use when she enters college as a tribute to her service to the Southern Division. As you know, Jasmine is also the Department of Florida Junior Honorary President. I would like to thank Faye Kirkland for stepping up and doing a wonderful job as District President after the resignation of Mary McElrath. It was great to see Mary during my visit. I am so happy that changing careers and going back to school hasn't stopped her from being "Florida ALA Strong."

This article is not a "goodbye"just a "see you later."

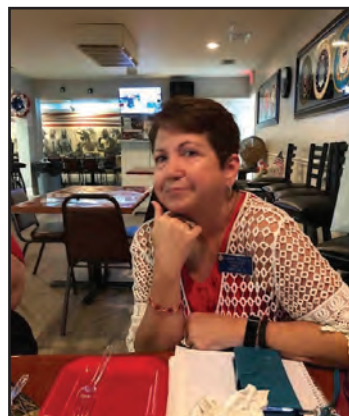

PRESIDENT'S PHOTOS

ANN KING-SMITH

Hello Lake Wales! President Ann visits with members of the ALA

This past year has proven to have its challenges for everyone. From zoom meetings, to drive by parades, curbside dinners, and virtual fundraisers. During these uncertain times, you have demonstrated how we as Auxiliary members, through our collective determination, can adapt and overcome, as we continued to carry out our mission of, Service Not Self.

As we finish celebrating our 100th Birthday, for a second year and as we move our organization into the next Century of service, more changes are ahead.

Some of you may recall, at the 2019 National Convention, the convention body passed several amendments to national committee structure changes, which was intended to streamline those committees and make them more efficient. This included eliminating Past Presidents Parley and Cavalcade of Memories committees altogether.

What does that mean for Unit Member of the Year and Servicemember of the Year? Unit Member of the Year will now fall under the Leadership Program and Servicemember of the Year will be part of the National Security Program. These changes will take effect immediately after the 2021 National Convention. You will see two resolutions at the Department Convention. Department of Florida members you will still need to vote to remove or keep these two programs.

Some great news regarding reporting... No Midyear Reports for the 2021-2022 Auxiliary year. That is correct No Midyear Reports!! Instead, National would like to hear from you the member. Tell how your Unit overcame some challenges or take pictures of your District working together as a Legion Family. Send in those "aha pictures" and stories and you may just see your Unit highlighted in the next Auxiliary Magazine. The American Legion Auxiliary National Unit Guidebook, (previously known as the "Poppy Book") has undergone several updates to provide important information for unit members. Although many small changes were made to help improve the guide,

primary changes included: updated membership eligibility, Legion Act, and inclusion of male spouses. Gender-neutral language to be inclusive of our male spouse members. Icons highlight important information for the unit. The online version includes clickable links to referenced webpages or Facebook group pages. The revised Unit Guidebook can be downloaded for free at www.ALAforVeterans.org in the MyAuxiliary member portal and is available for purchase from American Legion Flag & Emblem Sales.

Visit the ALA Academy at <https://member.legion-aux.org/member/online-training> for the latest updated training material. Live recorded sessions, Power Point Presentations, Department Leadership Conference and much more, the ALA Academy is a wealth of knowledge with 19 different topics of learning sessions.

National Convention is moving forward currently scheduled for Aug. 27-Sept.2, 2021 in Phoenix, AZ. The American Legion Family is focusing on creating a safe national convention experience for all who desire to attend. As part of that effort, there are many safety measures and protocols in place.

Attendees will be asked to adhere to COVID protocols including temperature checks, social distancing, and wearing of masks. Convention events are being planned as usual, at this time the only events being cancelled are the Parade and Band Contest. General Session is being planned to accommodate Delegates, Alternates, and guests registered with their department prior to arriving in Phoenix. The Commander's Banquet and States' dinner will have a limited number of tickets.

Speaking of the 2021 National Convention, the following proposed changes to the ALA Constitution & Bylaws will be voted on by delegates at the 2021 National Convention.

Continued on page 7 >>

1. The first change is to establish the Executive Committee to the NEC in the bylaws.
2. The second change to vote on at National Convention is renaming the NEC to the National Board of Directors.
3. The third item of change to the bylaws is creating the position of Executive Director at National Headquarters, its duty, authority, and to whom the position is responsible.

The proposed changes can be found in detail, in the May issue of the American Legion Auxiliary Magazine, page 43. <https://www.legion-aux.org/magazine>

Changes to Units Constitution & Bylaws has never

been more prevalent than this past year. Covid -19 has forced us to re-examine the way we do business, canceling conventions, election of officers, and the day-to-day operations. The Units governing documents must hold the answer to all these questions.

For more information on reviewing and changing your C&B please read the full article "It's Important to constantly review your C&B" on page 22 in the August 2020 issue of the Auxiliary Magazine.

On behalf of National President Nicole and myself, we thank you for your unwavering support and all you do for our veterans, military families, community, and children & youth. Thank you for allowing me to serve as your National Executive Committeewoman and I wish you continued success in the coming year.

SGT-AT-ARMS

JEANNE NADEAU

FLAGS AND BANNERS OH MY!

The city of Orlando in Florida has long been noted as the place of memorable and magical moments. This July, the Orlando Marriott will continue the tradition in a very special way by hosting the members of the American Legion, the American Legion Auxiliary, the Sons of the American Legion and the American Legion Riders during their annual convention. This convention is going to be one to remember!

Imagine going into the large banquet room and being surrounded by many spectacular flags and banners denoting 100 years of the American Legion Auxiliary. Units from all over the state are going to be bringing their individual flag and banners to display in the hall and there will be a ceremony to show honor to these flags, banners and Units from the last 100 years. The banners all represent the activities each Unit has participated in and is a valuable history lesson being preserved for posterity. The pictures from this event will win a place in the Auxiliary's Cavalcade of memories!

Over the many years, the American Legion Auxiliary has been true to its mission of service to all veterans and their families. During convention, new ideas and committees are discussed, and those who have been participating in the Unit in the past, go out of their way to assist and inspire new members.

American Legion Auxiliary members are all part of a large family, and like any other family, want to keep the traditions and lore alive by yearly reunions. This year will be more impressive than any from the past due to the Centennial celebration. We are looking forward to seeing all members of our family that can possibly attend. We strive to honor our motto For God and Country and want to continue to do so for the next 100 years!

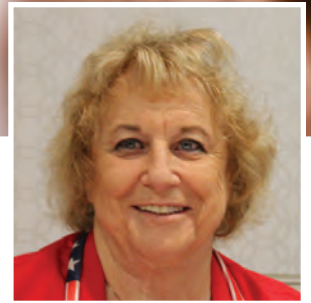

HISTORIAN

ELEANOR AMATO

Let me make this short and sweet. Thank you thank you thank you. You have joined the History Face book page and also watch the You Tube Fall Conference Video. It does show that you are submitted better narratives than previous years. We will work on this more if I am elected to the position.

Please except my sincerest gratitude for your support and continue to send in your unit's history. Thank you.

MEMBERSHIP

TERRY GALLAGHER

"REV UM UP" WITH MEMBERSHIP

Here it is another year of riding through our towns, counties, and state for membership. You never seem to stop for a break. With all that is going on in the world today you still make membership a priority. Many Units have come up with great ways of re-newing, rejoining, and recruiting new members. So many Units are so close to reaching 100%, I know you can do it. Close of books is June 17, 2021. So, keep revving those engines and shifting those gears.

We want to say welcome to all new members you only make's us stronger. This year has flown by quickly and as it comes to a close I would like to give my appreciation to all the support and love all of you have given me. It's been tough but you have pulled through and made these two years great. Second in the Nation last year and right now we are in 2nd place again. But not by much. Who knows with a little twist in that throttle you can ride us right into 1st.

CHILDREN & YOUTH

DEE BELL

Thank You for your membership and your continued support of the Children and Youth program. In these challenging times you have "Opened your Heart" wide thinking outside of the box to assist and support kids in Florida. It was truly inspiring to see your Facebook posts and read your year-end reports. Because of the pandemic, you reached out to your community, partnered with organizations and found new avenues to make a difference.

The lives of our military and veterans children, the homeless and those in need, hospitalized and medically challenged, and children in your

communities have been forever changed. Good deed and Hero awards were presented to many children and teens recognizing their extraordinary efforts. It has been an honor to serve the Department of Florida as your Children and Youth Chairman. Thank You for Opening your Heart!!!

CHAPLAIN

LOIS STACHELRODT

As we approach a new world, may the Lord continue to protect the Angels that he has called home. We know that their legacies will continue and they are never out of our hearts. May we all continue to learn and to change and be kind to others. We are still helping our Veterans and their families and please do not forget our Fallen Soldiers,

POW's and MIA's. We need to keep them forever in our minds and our hearts as we continue with our daily lives. Let us not forget the men and women in the Armed Forces who are still protecting our country.

COMMUNITY SERVICE

JILL LUX

Here we are at the end of another great year serving for the American Legion Auxiliary. Thanks to COVID-19 infection numbers being down, restrictions are easing up and many units were extremely active in our community service program. I do not want to reveal the total numbers here in the newsletter though, as it will be posted in my yearend report,

The Department of Florida officers and chairmen have made history by all serving in their positions for a 2-year term. It was totally unexpected, but everyone was up for the challenge. Some units held elections, some did not and stayed in their prospective positions also.

I would like to thank all of you for supporting

community service. You have gotten out and let your communities know that we are here for them, and to help in any way we can.

In ending the year, (or two), our reports were good, and our numbers were great! I even received an email from the National President thanking me for a great report and she was incredibly happy with our total numbers.

So, keep up the great work and I hope you will do even better next year for your new community service chairman. Thanks for all you have done and continue to do!

CONSTITUTION & BYLAWS

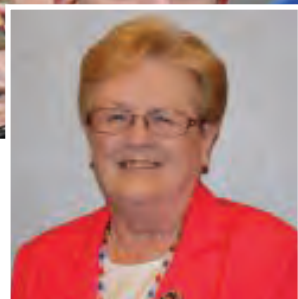

CATHIE MCMULLIN

While this has been a challenging year for sure but most of us managed to adapt to the many changes in our lives brought about by the pandemic. And changes never stop coming.

We were recently informed that approval of the Units' Constitution & Bylaws by the Dept. of FL Chairman was in violation of the National C&B. Therefore, Units no longer have to submit their updated governing documents for approval to the Dept. Chairman. After your Unit members have approved them and the signatures are in place, mail one complete set to: ALA Dept. of FL, P O Box 547917 Orlando, FL 32854-7917

As we accept the many changes happening, let's remember to stay focused on the mission of the American Legion Auxiliary so we can continue to get that "feel good feeling" by helping.

"In the spirit of Service, Not Self, the mission of the American Legion Auxiliary is to support The American Legion and to honor the sacrifice of those who serve by enhancing the lives of our veterans, military, and their families, both at home and abroad. For God and Country, we advocate for veterans, educate our citizens, mentor youth, and promote patriotism, good citizenship, peace and security."

GIRLS STATE

CHARLOTTE BASS

After having to cancel last year's Girl State, we are extremely excited that our Girls State Session is taking place this year. Our Session is June 9-17th.

We are sending 221 girls to Girls State this year. This less than in previous years but with all the setbacks and cancelling Girls State last year, we are pleased with the number of girls we are sending. Thank you to the Districts and Units that worked diligently to get our Delegates/Alternates. Also thank you to our District Girls State Chairman and Instructors for all that you have done to help the orientations run smoothly.

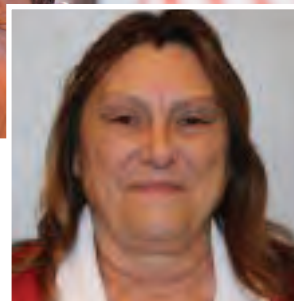

Girls State will definitely look a little different this year, but we are grateful that at least we can have it. We will still be able to hold it at Florida State University, with FSU COVID Guidelines in place. The first changes were that we are only allowed to have one girl per room instead of two as in times past. With this stipulation, we have had to change dormitories and the girls will be housed in two

dormitories, at Degraff Hall.

The girls will also have to wear masks, sanitize, and maintain social distancing. Instead of going to lunch and dinner at Food Services all together, we will have to split them into two groups with two different dining times. Breakfasts will be served in the dormitory.

One of the biggest changes this year is that we will not be able to hold sessions in the Capitol, as of right now. The girls will still be able to hold their offices, present their bills, and hold Supreme Court, but it will all be done in FSU auditoriums/classrooms. There may be more changes and updates once we get up to FSU, but all of our Girls State Staff are prepared to adapt and overcome. Things may be different this year, but I am looking forward to attending the 2020-2021 Girls State Session.

"Looking Forward, Backward Never, Within Ourselves
Our Future Lies.
(Girls State Motto.)

HONOR FLIGHT RAFFLE

LET'S GET OUR VETERANS TO WASHINGTON D.C.! ONLY YOU CAN HELP!!!

1. ALA Department of Florida RAFFLE (silent auction at convention) we need items from District, unit or self. Can be basket, item, and gift card, be creative.
2. We will need some volunteers to help man the table. The more the easier. Two hour increments. If you can help, please let Eleanor know.
3. There will also be a parade of checks. Get your picture taken with the big check.
4. If you need more information, please feel free to contact Historian/PR Chairman Eleanor Amato at 386-427-1168 or email:amatoellie@aol.com

NATIONAL SECURITY

RHONDA BRAILEY-MAURER

It's hard to believe that we are coming to the end of our fiscal year, better known as the year of the Pandemic. Those units that turned in year-end report, thank you. We all know what a rough ride it has been, but still many of you were unstoppable. The impact you have made in the lives of our active-duty Military and their families never seem to have waived. Although the numbers were down, which was expected, the love and support was apparent.

If anything, remember how important your volunteer hours are. That's the biggest impact we make to Congress when we advocate for our veterans, military and their families. It's not just while you are working on a program or project. It also includes all the time before and after, when you leave your home until you return. That may not seem like much to you, but it is to us and it adds up!

REMEMBER, that we now have six (6) branches of the service. They are the Army, Navy, Air Force, Marine Corps, Space Force and Coast Guard. When we say active-duty Military, it's because they are currently serving and can be deployed at any moment.

REMEMBER, that the Coast Guard in part of Homeland Security, mainly because they protect and defend our maritime borders and saves those in distress on the water. The only time the Coast Guard operates under the Navy is during times of war.

REMEMBER, that each branch of the service has its own military reserve. This is part of the Yellow Ribbon Reintegration Program, as they transition in and out of service.

REMEMBER, that the National Guard reports under the Governor for each state. During national emergencies, the President reserves the right to mobilize them. They are also part of the Yellow Ribbon Reintegration Program.

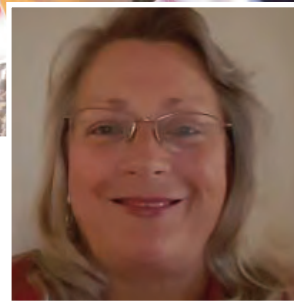

REMEMBER, all our military families, Blue Star mothers, spouses, and families. We also have our Gold Star mothers, spouses and families.

REMEMBER, our First Responders, not just the Coast Guard but also our Law Enforcement, Firefighters, Emergency Medical Technicians (EMT), also keep our homeland safe and protected.

REMEMBER, we support many junior programs under the American Legion, such as JROTC, Youth Cadet Law Enforcement Program, and Junior Shooting Sports. Our children are our future and our hope. Even though some may end up with a future in the Military or Police Academy, we hope they all end up as part of our great American Legion Family.

It has been a pleasure to serve as your National Security Chairman for the past 3 years now, and I have been honored to do so. I've been blessed by having my two committee team members, Lois Glosch and Corlene Ziegler by my side. They should get an award for just putting up with me (lol).

I hope that you stay encouraged, inspired and supportive of our Military Active-Duty service members and their families, along with our First Responders. You DO make a difference and you CAN change lives. I SALUTE YOU ALL!

Visit Your Local Tag Office and get yours today!

Proceeds benefit Veterans and their families in the State of Florida.

floridalegion.org

This year you proved how resilient, adaptable, and strong you really are. You are all dedicated members who care about our veterans and their families. It truly showed in your year-end reports. Please see The Book of Reports for the Department of Florida Veterans Affairs & Rehabilitation full report.

Thank you so much for your hard work and dedication over the past two years. You are amazing members, friends, and family. I am proud to be a member of the American Legion Auxiliary Department of Florida!

Stay focused on our Mission of Service, Not Self. Lean on each other for support and friendship. Keep accepting all volunteers! Utilize them for their individual skills. That is what makes us so strong. Keep mentoring others so they may become strong, engaged, and educated members. Share information with all who are interested.

Celebrate our differences. We are all unique individuals who have something to offer. Keep thinking outside of the box. You did that for the past two years. This pandemic proved we could change and adapt to the times.

Our veterans need us! We will always be there to comfort, support, and thank them for the sacrifices they made for us. America is the "Land of the Free Because of the Brave!"

Veterans' families are OUR family! We can understand what they have gone through, and are going through, because we have been there! Keep the caregivers in your support circle. We know how much they need us as well.

DISTRICT 4

ELIZABETH CHAVOUS

District 4 is preparing for our District Constitutional Conference on Sunday, May 16th. Every Unit is working hard on membership and we expect to be at 100% by the next Friday Report.

Many Units are having yard sales and quarter auctions to raise funds and bake sales are going strong. Poppy Day and Memorial Day ceremonies are coming quickly and we are all getting ready for the Memorial Day weekend.

On April 22 we had the honor of escorting the Gold Star Mother Ronna Jackson in the procession from Inverness to Crystal River Harley Davidson to deliver the Vietnam Memorial Wall to be assembled for display the following weekend.

There is a great video on my facebook page of the ride (page on fb is Bet Chavous).

I want to thank everyone at Department of Fla. for their help during my 3 years as District 4 President, special thanks Madam President Ann King Smith.

DISTRICT 6

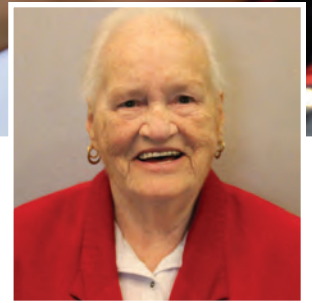

MARY LANOCE

I would like to take this opportunity to thank all the wonderful Units in District 6. You all have done such an incredible job during the pandemic. In spite of all the setbacks, you all did your best to serve veterans, community and the children in your area. Congratulations to all the Unit newly elected officers, I'm sure you will do a great job.

Our District Constitutional Conference was a success, a special thank you to Charlotte Bass and T.K. Wildrick for their assistance. You elected Paula

Fox as your next District 6 President. Paula has served the Auxiliary for many years and I know she will be a great president. Give her your help and cooperation to make her term outstanding.

Thank you all for allowing me to serve as your President for the past 3 years. You are the best of the best. May God Bless all of the American Legion family.

DISTRICT 7

FAYE KIRKLAND

Covid has hindered many activities that the Auxiliary usually does. It has not kept the Units of District 7 from working and serving. We have added a new Unit – Unit 15 in Dade City. These ladies are already active and planning for next year. Units have been having dinners to support their many projects. Supporting and encouraging our Firefighters, Law Enforcement and Educators, Units have had dinners to raise funds, taken goodies, cards and other gifts all to show their appreciation. Gold and Blue Star Mothers have been honored and helped with various projects. Coupons have been clipped by the

thousands. Needy families have been fed, clothed and Christmas provided. Two of our Units have been working with local food banks helping feed almost 18,000 people. School supplies, clothing and other needs of area school children have been met. All Units in District 7 work closely with their Legion Family. District 7 is an awesome district that works hard to serve our Veterans, our Community and our Legion family. For God and Country. Faye Kirkland

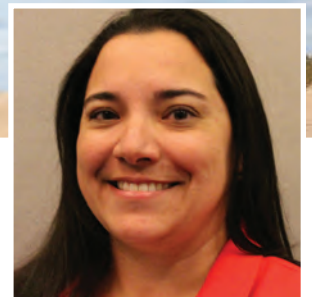

DISTRICT 14

STACY CUSANO

Hello Department of Florida! I would like to congratulate everyone on a year well served. Although COVID put a damper on things, we all really revved up our engines to help Veterans, Military and their families. Down here in District 14 we packed troop boxes, walked in parades, held drive thru events and much more. Can't wait to see everyone at Department Convention! Thank you,

Stacy Cusano, District 14 President.

On another note, unfortunately we did NOT have a quorum at today's DCC. We will need to caucus at the Convention.

DISTRICT 11

FRAN CARLTON

The Elegant Eleventh District has had an unusual 2020-2021 year. In June our District President Deidre "Dee" Butler who had served two outstanding terms announced that she was unable to continue for the extended term and had to resign due to some personal family matters. Since there had not been anyone appointed to serve as District President, Dee was left on the Department's email distribution list. She forwarded all of those emails to the Units keeping them informed. Our District Membership Chairman, Dawn Loff continued communicating with the Units as she had the two years prior. Past Department President/District Girls State Chairman, Fran Carlton was in contact with Units periodically. The three of us were available to answer questions and assist the Units if and when we were needed.

Units in the District participated jointly with the Legion in a Yellow Ribbon event for our Army National Guard Reserve #1218 when they deployed in October. Some Units began functioning in a relatively normal fashion while others continued meeting by phone or other distancing formats. A few of the Units were able to accomplish some of

their programs as usual using a little creativity. Other Units had more difficulty working the programs, but all Units did what they could.

In February, I was appointed District President to serve out the balance of the term and to conduct the Constitutional Conference. Through it all, with and without a District President the Units continued working on membership. I am proud to say the Eleventh District was the first to reach 100%. My thanks to every member who did her part to help us accomplish this goal. A special thanks to Stuart Unit 62 who was first to reach 100% with 131.55%, and Boca Raton Unit 277 with 102.02% and Boynton Beach Unit 164 with 101.43% as of this report.

Since I was appointed, Units have been receiving emails regarding end of year reporting, elections, Constitutional Conference and membership. We look forward to a good turnout for the Conference which will be held on May 16.

DISTRICT 15

MARY MCCOLGAN

I would like to thank all the members of the 15th District that stuck it out through probably one of the hardest years that the Auxiliary has seen in many, many years. You thought outside the box to continue working our programs and you did it while keeping other members safe.

I saw patience and generosity in a way that I have never witnessed before. Kudos to the District Chairmen! You were able to mentor through phone calls, emails and Zoom meetings, I asked you to give it your all and you went above and beyond. I wish you all the best and hope that you will continue to

grow and learn.

The information is out there, the mentors are out there, take advantage of it all.

Good luck with the upcoming year and God Bless.

DISTRICT 12

KAREN HUMANN

It is with a bittersweet feeling that I am writing this article today, as it is the last time I will be submitting an article to our Department Newsletter as District President.

When I decided to run for District President and began my term, I never dreamed that I would remain in office for more than 1 year, much less 3 years!

In reality, I only planned to serve for 1 year until I had completed installing a Unit at a Legion Family installation and Past Department Commander, "Big Al" Diaz stopped me in my tracks and TOLD me that I was going to remain in office for 2 years. He told me that the (at the time) current District Commander (who happens to be a good friend of mine) and I are a team and we need to stick together. As many of you know, "Big Al" passed away before my first term ended, so there was no question in my mind that I

would continue for a second term.

Although there have been problems (as all Districts have), the pleasure and comradery that the Units have given to me far outweighs those problems. I cannot express my gratitude enough to each and every Unit in the Mighty 12!

I have made so many new friends along the way over these past 3 years, not only in District 12, but throughout the state.

I would like to congratulate all of the incoming District Presidents. I'm sure they will make us all proud.

In the spirit of service, not self.

Ann presenting a National Scholarship to Jasmine Harris

FLORIDA ALA HAPPENINGS

DISTRICT 16

DISTRICT 7: Unit presidents I. District 7 reporting

UNIT 4: Lakeland Mission Barbecue salutes our flag at noon everyday Ann joins in

FLORIDA ALA HAPPENINGS

UNIT 5: On Saturday May 15, 2021 at American Legion U.S.S Tampa Post 5 we had the Special Memorial Bench dedication for Bill and Rosemary Hamblin. Many were in attendance from American Legion Family, friends, family members and the community . Both Bill and Rosemary were two very individuals whose lives centered around service to their flag, their country and every military individual, their family, their children. Their lives centered around the Post 5 Legion, Auxiliary and SAL...May they both rest in peace knowing that they have set the foundation for their beliefs among their Post 5 families....God Bless.

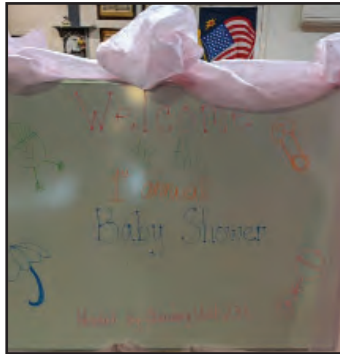

UNIT 15: Ann presents Dade City their charter

UNIT 71

THE AMERICAN LEGION AUXILIARY, DEPARTMENT OF FLORIDA

UNIT 233: For the Month of April, we decided to focus on Children and Youth! We came up with a idea of a great big Baby Shower for our Active Military at "Naval Station Mayport, FL." Our Unit 233 coordinated with AL Post 233, ALR 233, and the entire ALA 5TH District Units. A total of \$1,500.00 raised to support "our new military babies".

I would like to reach out about ALA Unit 233's First Annual Active Military Baby Shower! We asked and you'll delivered! A Big thank you to Aux Unit 88 for your generous donation and attending the Shower. I don't want to miss our Post 233 Family the Legionnaires and the Riders, both gave generous donations and support. I can't thank the Aux members enough for all their hard work and dedication to this baby shower.

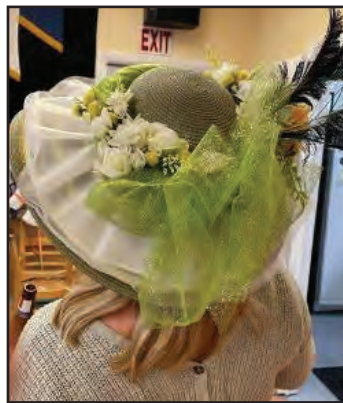

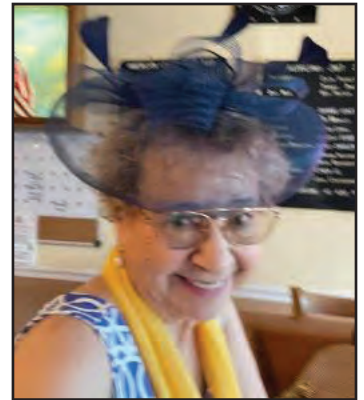

UNIT 241: Sneads's Garden Club traveled to Panama City for a visit to the Grace Lavender Farm. You never know who you will meet on your life journeys. Owner of this farm is an 11-yr. veteran of US Army, Jason Leabo & wife Kari. They are Christians and have a mission planned: to serve God and bring good to mankind. Pictured with Jason, left to right, Kaye Brown, President and Faye Walden, Treasurer of Unit 241.

FLORIDA ALA HAPPENINGS

UNIT 241: Unit 241 made more PVC cross flag holders and placed at veteran graves at Sinai and St. Peter's Missionary Cemeteries. Flags were placed again at Pope and Dykes Cemeteries.

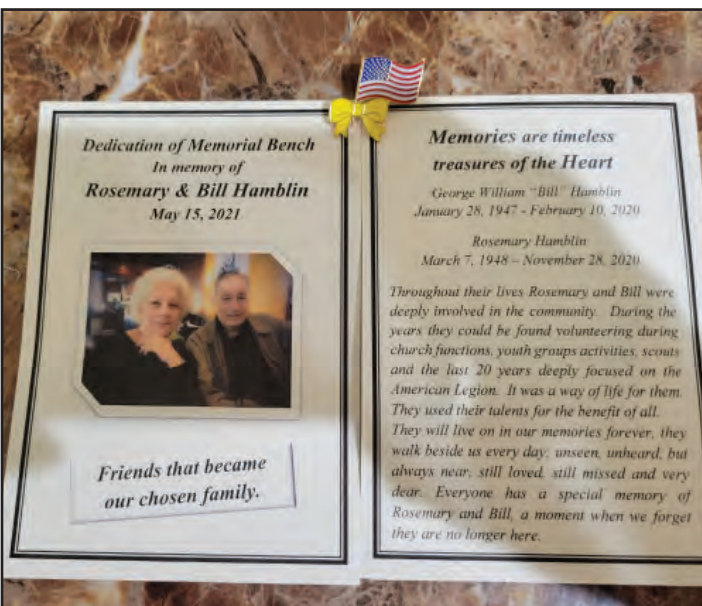

UNIT 277: On Saturday, May 1st, Post 277 Boca Raton held its' own Kentucky Derby Party. The ladies were decked out wearing their best hats in honor of the horses, hoping theirs would be the finalist. Congratulations, Kirsten and Maryanne the fashionistas, and winners of the Chapeau Contest!

Thanks to everyone who participated in the Kentucky Derby Pool. Because of so many participants, Judy needed to create two winning pots. We wish everyone could've been a winner but the top prizes went to Jim and Denis. Congratulations to both of them and good luck to everyone for next year! Post 277's own Stick Pony Race presented the winning jockeys with a small prize and free drink tickets. Hope you enjoyed feeling like a child again!

To everyone who donated appetizers and snacks, they were wonderful. They set a beautiful and delicious table. Thanks, again, we couldn't have pulled this off without you!

UNIT 340:
American
Legion Auxiliary
Escambia Unit
340 nominated
Destany McKim
for the National
Youth Hero Award
for acts of bravery
when she saved
her family when
their was on fire.

UNIT 348: April was a busy month for Auxiliary Unit 348 Cape Canaveral. The Unit held a Purple Up campaign to raise funds to purchase meals for deployed families of Patrick Air Force Base and to help a local military child complete his Eagle Scout project. Easter meals were distributed to 20 needy families in the community complete with baskets of treats.
