PRESIDENT'S MESSAGE

ANN KING-SMITH

Even though the calendar says that February has arrived, it's hard for me to believe. This time, one year ago, life looked very differently for so many of us. Mid-year reports were completed and we were all busy making plans for the wonderful accomplishments that would happen during the final months before Department Convention. I was on a whirlwind schedule of visits with members all over Florida. Although small mention of a new virus, first seen in China, had been on the nightly news, it was something that most of us had paid little attention to. Of course, when we turned the calendar page to March, the situation became vastly different and we're still dealing with that change.

I am so proud of our members and how you have managed to adapt to an entirely way of doing so many things. For instance, Florida is doing rather good with our membership renewals. As of 01/20/21, Florida has accomplished 77.43% of our 100% goal. Our goal is 38,043 members and we have joined or renewed 29,456 members. Florida now has 10 Departments that lead us in membership, with our National President's home Department of Iowa in first place with 84.36%. The following 9 Departments are pretty much "neck-to-neck" with only less than one percent between them. Let's take this "month of love" and remember how much LOVE we all have for our veterans and how much our organization means to their well-being. They are counting on us and we need a strong membership base to continue assisting them. Please take this month to call members from your unit that have not renewed. So many of our American Legion family are really struggling right now and I'm sure many need assistance with paying their dues. Possibly consider a fundraiser to help cover member dues. I have been seeing some great fund-raising ideas posted on our Facebook Public Relations Page.

As many of you know, my traveling has been limited this year due to the pandemic. My husband and son both have several underlying health issues and staying safe has been a priority of ours. I have been taking phone calls every day and trying to do a lot of problem solving for our units. I have been struggling to remain optimistic while trying to get us scheduled for a Covid-19 vaccination. After that happens, I will be hitting the road and ready to resume visits, still wearing my mask.

I am so proud of our outstanding Department office staff and would like to commend them for the great job they have been doing. Even while working from home, tasks are being accomplished in a very timely and efficient manner. Patty and I talk and discuss issues every day and sometimes more than once. As you can see from our membership numbers, Keny is doing a great job of keeping membership updated. Brandi now lives close to me and that has been a blessing for almost a year now. She and I can often be seen meeting in the parking lot of a local department store where we exchange paperwork and I sign checks. We even met up on New Year's Day!!! The next time you speak to our office staff, please give them a huge "thank you" for the great job they have been doing under difficult circumstances.

Honor Flight remains my President's Project for this year. Although no trips have been made to Washington this year, they will be resuming as soon as it is safe for our veterans to travel. They will need our financial support more than ever, as the backlog of veterans waiting to travel is growing. Florida Hubs were so very appreciative of your generous donations last year, so let's not forget them this year. If your unit wishes to donate, please remember to make donations payable to

"ALA Department of Florida" and add "Honor Flight" on the memo line.

We all need to realize and remember that we have many Florida units that are struggling to survive. We still have units that are unable to meet because of COVID-19, while others rarely have a quorum when meetings are held. Some have faced the resignation of key officers, only to face much

difficulty in getting anyone to hold an office. If you are in a unit that needs your help, please volunteer. The information you need to succeed is only a phone call away. Never forget the "importance of one person" and how much they can mean to a volunteer organization.

My Valentine's wish to each of you is love, good health and happiness. We are truly "Florida ALA Strong" and we will emerge from this pandemic together, with a new appreciation for others.

DEE BELL

Happy New Year Members,

Last year was very tough on everyone, but I was very happy to read the mid-year reports. Units thought outside the box and found ways to Open Your Heart and serve and support the children in Florida. With the ongoing pandemic it is still important to work

together as a Unit to work your programs.

Here's an idea for your Children & Youth and Community Service Chairmen to join forces and Open Your Heart and Make a Difference.

Hearts for Hometown Heroes

In 2020, ordinary local residents became extraordinary Hometown Heroes. American Legion Auxiliary Unit 158 would like to recognize and Thank them. But we need your **HELP. YOU** know who they are, nurses & doctors, first responders, hairstylists, grocery store, fast food and essential workers, bartenders, waitresses, veterans, active-duty & National Guard personnel, gas station clerks, garbage men, city officials, police, your neighbors, the list goes on.

 **Hearts** 

are available from an Auxiliary member for a donation. Simply write the name of your Hero and/or the Heroes occupation on your Heart.

Let's Rock the Wall!!

All proceeds to benefit the 2021 Treasure Island Kid's Summer Camp

Mail donations to A.L.A. Unit 158 111th 108th Ave.

Thanks for your Support

DISTRICT 15

MARY MCCOLGAN

District 15 has been busy, as many of us have had to throughout the organization, we have had to think creatively to continue working our programs. Unit 5 lost their Unit President Rosemary Hamblin, she was also a past District President and held 2 District chairmanships for me but the Unit came together and made her proud. They got together as a group, making cards for deployed military and wounded warriors at the James A. Haley VA Hospital, they folded pocket flags and cut coupons for the Troops.

They also did a wonderful job organizing Wreaths Across America at the American Legion Veteran cemetery located at their Post, Unit 138 was there to help. Unit 26 helped their Post decorate their Christmas tree and donated gifts to local children.

Unit 167 brought household supplies to Unit 248

to be distributed to Veterans in need as they get housed. Unit 186 held an Angel Tree Project and Christmas Food Giveaway serving nine HUDVASH children and 33 local children in need. They also went to Bushnell National Cemetery and placed wreaths for Wreaths Across America. Unit 248, with the help of so many from different organizations and many from the 15th District American Legion Family was able to provide Christmas gifts for over 200 children of HUDVASH Veterans, response throughout the community and District was amazing, they were also able to get out bags of food to Veterans in need.

The Units also worked very hard at getting their Constitution and Bylaws and Standing Rules updated, I am happy to say the District is now at 100% compliance thanks to their hard work and the leadership of district C&BL chairman Claudia Fischer.

Greetings from Department Headquarters! We hope this article finds you well.

I have received questions in reference to 2021 Girls State program and would like to address them in this article.

The 2021 Girls State is scheduled to held in person at FSU on June 9th – June 17th, 2021. At this time FSU has assigned dorms to us. We will follow all CDC and FSU guidelines for COVID during the Girls State program. Currently we do not know what they will be but FSU will provide that information to us when we get closer to time. Any information we receive will be provided to all Units participating in Girls State this year.

Delegate/Alternate registration forms will be going out the 1st of February. There will instructions in each packet for the Unit Girls State Chairman to go over. This year we have a new registration site that is locate on our Department website.

All forms must accompany the delegate/alternate

registration information when registering.

If a Unit finds that they can not obtain a delegate for Girls State they can email Brandi Seeber, Department Treasurer, at treasurer@alafl.org by February 14, 2021 for a full refund. We must receive the request in writing. If Brandi has the Unit banking information she will return the funds by ACH. If she does not a check will be issued.

If FSU cancels Girls State for the 2021 year all funds that Department has will be fully returned to each Unit and we will start fresh with Unit registration in 2022.

District Girls State Chairman's who need a head count for ordering buses please email me at Secretary@alafl.org after February 14, 2020.

I hope this answers some of your questions in reference to Girls State. As we receive updated information we will inform the Units.

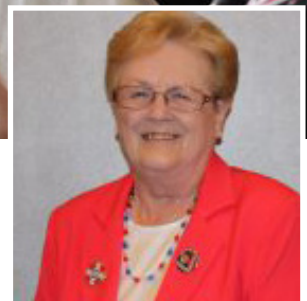

We are off and running into the New Year and I would like to remind you to update your governing documents if you have not already done so. Several Units have failed to incorporate the change to the Preamble and the many changes which now allow for male spouses as members such as changing "her" to "him/her" or "she" to "he/she". In other words, we can no longer be gender specific in our verbiage.

For those who are not aware, when you update your Constitution, Bylaws and Standing Rules, please email them to me first at cbylaws@alafl.org for review. I will respond within 1-2 days with comments of any changes that may need to be made. Once the corrections are made, then you

MUST mail two complete sets with original signatures to my home address, 3270 Heider Road, Titusville, FL 32796-1557, for approval.

After they are again reviewed and approved, I will return one set to you for your files and will send the other set to Dept. HQ for their files.

Now is the time to update your Standing Rules if you are considering increasing your dues. Any dues increases must be finalized and a copy of your approved governing documents on file at Dept. office before April 1 so when you complete the 2022 Unit dues information sheet for Dept., they match your Standing Rules.

CHAPLAIN

LOIS STACHELRODT

As our year has begun again, let us remember the Four Chaplains who showed us the bravery they had for our Country and for their fellow brothers and sisters. Let us never forget them. Let us remember all of our members who have left us to go home and be with our Lord. The prayer below is for the Four Chaplains.

Holy God, you inspired the Dorchester chaplains to be models of steadfast sacrificial love in a tragic

and terrifying time: Help us to follow their example, that their courageous ministry may inspire chaplains and all who serve, to recognize your presence in the midst of peril; through Jesus Christ our Savior, who lives and reigns with you and the Holy Spirit, one God, for ever and ever.

Amen.

PARLIAMENTARIAN

MARY KELLY-PERKINS

As you know The American Legion Department of Florida had cancelled the 2020 Department Convention.

The following is information that was received from National Executive Director, Kelli Circle, in the NEC briefing dated April 10, 2020.

"The national organization does not have authority to determine whether departments hold their conventions. As the American Legion NEC has stated we too strongly urge all American Legion departments follow a similar course of action, to-wit: (1) cancel their 2020 conventions and elections; and (2) maintain the status quo of their officers until next year. This is a recommendation not a mandate."

I know that you are probably wondering why this is being addressed again and the answer is that members have been inquiring about endorsements for District Presidents and they are confused with the term limits.

In April 2020, a letter was sent to the Auxiliary Executive Committee to cancel Convention due to COVID-19 Pandemic. The Executive Committee voted to cancel Convention and to keep all elected Department Officers which would include District

Presidents.

Our Governing Documents aka Constitution and Bylaws (Article VII Sec Sec 2 page 35 in Unit Guide) states a District President shall not be eligible for the same office for more than two terms in SUCCESSION.

After researching our Department Governing Documents and Roberts's Rules of Order here is the simple answer which I think you will understand.

If a member was elected to serve as District President for the year 2019-20 and she DID NOT serve for the 2018-19 year, then her actual first year term was 2019 to 2021 and she CAN be endorsed as a candidate and be elected for the 2021-22 Auxiliary year...

If the member did serve as District President in 2018-19 and again 2019-2021 (Due to Pandemic) then she CANNOT be endorsed or re-elected for the 2021-22 year.

If you have any questions concerning this information, please do not hesitate to contact me via email at Parliamentarian@alafl.org

I noticed that units are sending donations directly to various organizations. Did you know that we collectively send unit donations to a number of charities.

#1. The American Legion Auxiliary As a group shows a higher number donated to a specific charity

#2. In specific programs we use the amount that your unit donates through the department towards a possible award. This is the only way we can track what you generously donated.

#3. Department reports to National what we donate to charities.

Please send your donations along with this form to Department by April 30.
