PRESIDENT'S MESSAGE

ANN KING-SMITH

Who can believe that March has arrived, and Spring is in the air? It's once again time that Auxiliary members are compiling exceptionally long "to do" lists, filled with things that need to be completed by the end of the Auxiliary year.

I hope everyone is focusing on Unit elections for the upcoming year. Please remember to conduct elections per your governing documents. This will mean "in person" elections for most of you unless you have made changing to your Standing Rules to allow for electronic or telephonic meetings. Last year, your may have deviated from your rules because Florida was under an emergency ruling by Governor DeSanctis. This is not the case any longer. You must closely follow your Constitution, Bylaws and Standing Rules as they are written.

It's also time to be thinking about year end reporting. Rules and information for each program's reporting guidelines can be found online in each Program Action Plan. Please remember that, in most circumstances, Unit reports will be sent to your District Program Chairman and they will compile a report to sent to Department. Please keep in mind the importance of reporting. The information (especially volunteer hours and dollars spent) will be used to present to elected officials and will give us leverage for funding. It is important that every volunteer hour and dollar spent by your Unit be reported, regardless of how small it may be. When we add these numbers together, it really makes an impact.

Let's all work together on raising our membership numbers. We're doing incredibly good, considering that we're still dealing with a pandemic. Please make every effort to contact members that haven't renewed. It's important to not only check on them but to also let them know they are missed and needed. Assure them that the Unit is continuing

the ALA mission and that we need them to help us care for veterans, active-duty military, children and our communities. I hope you have taken time to read the February issue of our National ALA Magazine. On pages 32-37, there is a wonderful article about Membership Recruitment Made Easier. This great read is packed with some great information and tips that we can all use as a recruiting tool.

On February 8th, Department Secretary Patty MacDonald joined me for a conference call with our District Presidents. This call provided much information for District Presidents to share with Units. Near the end of the call, a great question, answer and comment time was held. It's amazing how much information can be shared in a group call. The District Presidents all seemed to enjoy the "meeting" and thanked us for the opportunity to join in.

The following Monday, February 15th, Department Membership Chairman Terry Gallagher, Secretary Patty MacDonald, Membership Processer Keny Gardner and I hosted a Membership conference call. Attending were our Area Membership Chairmen, District Membership Chairmen, District Presidents (when no Membership Chairman was available) and a few Unit Membership Chairmen. We had a great turn out and I think we all learned something new and had the opportunity to ask questions, get some great answers and share some new ideas. Although the meeting lasted almost two hours, everyone seemed enthused and excited about Membership when the meeting was over.

I was honored to be presented a beautiful American flag plaque by National Honor Flight Board President/Chairman Bill Welser and Florida

President Continued from page 3 >>

Honor Flight Council President Tim Olson in gratitude for the fund-raising efforts by Florida Auxiliary members last year. Once Honor Flight resumes their flights, later this year, approximately 100 veterans will be able to visit Washington, D.C. because of our efforts. Please remember that now, more than ever, donations to Honor Flight are critically important. Due to Covid-19, a long backlog has occurred. Honor Flight hubs across Florida will be trying to send more veterans than ever on the trip of a lifetime. Please remember to make donations to ALA Department of Florida, with President's Project – Honor Flight on the memo line.

Please remember to set your clocks ahead when you go to bed on Saturday, March 13th, as we "spring forward." I know that we all are looking forward to officially welcoming Spring on Saturday, March 20th. This has been a long winter for many of us, in so many ways. I can hardly remember what life was like before last March. After having our first vaccinations and being scheduled for our second (yes...I am OLD), we so look forward to family and outings. Let's all continue to be safe and work together to help end this dark chapter in our lives.

As Harriet Ann Jacobs wrote..."The beautiful Spring came and when nature resumes her loveliness, the human soul is apt to revive also." My hope is that every member can experience this revitalization.

Department President Homecoming 2021

Department President Ann King-Smith has decided due to Covid19 and wanting to keep our members safe she will not be holding a Homecoming.

In lieu of gifts, The Department President has requested a donation can be made to Honor Flight (President Special Project) through The Department Headquarters.

She would like to thank each and everyone of you for your support through the last two years. She is honored to have served as the Department President and looks forward to seeing all of you at the Department Convention in July.

BILL WELSER, HFN CHAIRMAN & TIM OLSON, FL HF COUNCIL PRESIDENT

Veterans Thank the Florida Auxiliary

Approximately 100 Veterans will benefit from the 2020 Florida American Legion Auxiliary Honor Flight focused fundraiser. Under the leadership of Department President Ann King Smith, over \$46,000 was raised and distributed to Florida's 10 Honor Flight Hubs – we cannot be more thankful for such generosity!

We were honored to present President Ann a Flags of Valor coin holder with the Honor Flight Network and Florida hubs' coins. It is presented in appreciation for the incredible support from all of the American Legion Auxiliary units throughout Florida. There is no better reminder of the sacrifices of Veterans than the American Flag – display it with great pride for your tremendous support.

The Florida Hubs are looking forward to getting back to flying Vets to Washington DC to visit their

memorials. The hubs were equally appreciative and honored to have the fundraising extended into 2021 based on the COVID 19 restrictions of last year.

Overall Honor Flight has flown over 225,000 Veterans on all expense paid trips from 128 hubs located in 45 states. Originally focused on WWII Vets, the program has expanded to honor Korean War and Vietnam Veterans. We encourage all interested in going on an Honor Flight as an Honored Veteran or Guardian to go to www.honorflight.org and find the hub they would like to fly with under the "Regional Hubs" tab. Applications are available at the individual hub websites.

It is through the support of communities and organizations like the Auxiliary throughout the United States that we are able to Honor the Veterans that make possible the freedoms we all enjoy today! Thanks to each of you!

DISTRICT 17

TONI ELLSWORTH

District 17 has had to slow our speed down to accommodate the terrible COVID-19 virus. But as Willie Nelson's song says, we are "On the Road Again" helping our veterans and the Community.

The Units have been busy with dinners, bingo, sticks and stones game, and supporting our community with goody bags to our first responders.

It's been a stressful and unforgettable year for all of us. But as we all know, we pick ourselves up and continue doing what we do best, helping our veterans.

We did a drive-by at Emory Bennett VA Nursing Home for Halloween, decorating our vehicles in ghost and goblins for the Veterans to see but without any contact. We are still not allowed to go into the Nursing Home to do horse races, bingo nor have our get-together parties. But we still try our best to support them during these times.

Units 120 Holly Hill, 267 Ormond Beach, 285 Edgewater made donations of clothing and personal

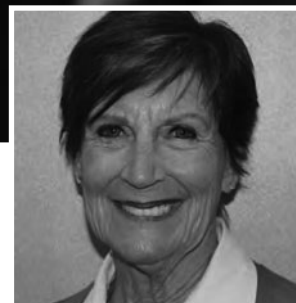

items to Barracks of Hope in Daytona, a sheltered housing facility for Veterans.

Finally, Unit 270 Port Orange moved into their new Post after the post was burnt to the ground over a year ago. They are up and running doing tacos, hot dogs and helping our Community with various donations.

During Christmas, Units made donations to various Veterans organizations, took meals to the needy families within their area.

We all must remember from the day we became an American Legion Auxiliary member, it's a never-ending commitment to doing whatever it takes to help the people we serve.

Just remember "take one day at a time" while dealing with these whirlwind times. Be safe and wear a mask and practice social distancing when required.

Children & Youth Month Purple Up! on April 15

The lives of children in a military family are challenging and constantly changing. These children learn to handle uprooting of their lives because of military reassignments. According to the

Military Child Education Coalition, children in a military family can expect to move six to nine times between kindergarten and high school graduation. Just imagine changing friends, schools, bedrooms, neighborhoods, houses of faith, athletic teams and extracurricular activities every other year. In 1986, April was designated Month of the Military Child by U.S. Defense Secretary Casper Weinberger under President Ronald Reagan. This year, April 15 is Purple Up Day! as part of the month long celebration. American Legion Auxiliary Units across Florida will be recognizing, celebrating and honoring the sacrifices these children make every day. To show support, raise awareness, and our appreciation wear purple on April 15!! The color purple symbolizes the blending of the colors of each branch of the U.S. military: Army green, Navy blue, Air Force blue, Marine red and Coast Guard blue.

There are several ways you and your Unit can honor these amazing youth. Please remember to adhere to social distancing, CDC and safety guidelines during the Covid 19 pandemic.

Kids of Deployed are Heroes 2 (KDH2) The American Legion Auxiliary pays tribute to military children separated from one or both of their parents to due deployment to a war zone, a short tour or a duty assignment. "I'm a Hero 2" buttons and stickers can be given to these kids.

Military child's Table Setting Ceremony Inspired by the POW/MIA table ceremony, each item placed on the table is symbolic of the sacrifices made by the military child. The ceremony is truly moving and powerful. This is a wonderful way to incorporate your Juniors and young S.A.L. members.

Children of Warriors National Presidents Scholarship The Auxiliary proudly sponsors this college scholarship.

Use of Social Media Post pictures of yourself, Unit or American Legion Family wearing PURPLE. Purple Up! on your outdoor Post signage. National Chairman, Lisa Williamson is encouraging everyone use the hashtag #PurpleUp with American Legion family members wearing purple in an effort to remember these kids!

These and other ideas can be found at www.alafl.org Children and Youth, www.ALAforVeterans.org Children and Youth, and www.MilitaryChild.org/MOMC_Toolkit.

NEWS ALERT THE CHILDREN AND YOUTH PICNIC HAS BEEN SCHEDULED FOR APRIL 3RD AT TITUSVILLE Post 1 12:00 – 6:00 P.M.

The Auxiliary has historically supported the Children & Youth picnic with raffle baskets, volunteering, and participating that day. I know it has been difficult this past year, but I am asking if your Unit can donate a basket for the raffle or volunteer, to please do so.

I will be glad to pick up or make arrangements to transport the baskets to the picnic. Please contact me at childrenyouth@alafl.org or 727-360-1423.

FLORIDA ALA HAPPENINGS

Unit 305: Long Key Unit 305 St Pete Beach, even though February is Americanism month our unit members thought it would be fitting to have a HONR FLIGHT fundraiser, and what better way than to kick it off on Valetine's Day. Some of our winners are pictured here, along with our very own Patty Gilmore aka Vanna White as the gift presenter. Our next one comes 2 days later on Mardi Gras/Fat Tuesday, the fun just never ends. We're also

doing a special project through the month called "Operation Once in a Lifetime" for when troops come home from deployment and are quarantined for 2 weeks. When they arrive at their barracks all they have is a bed and that's it, with a \$30 donation it would cover bedding and hygiene items for them, so far we have raised \$150 for 5 beds in just a few days.

LEADERSHIP

DOROTHY WALSH

Hello Everyone and welcome to March. I wanted to write a piece about promoting a culture of goodwill throughout the organization and lo and behold that is the topic of the Southern Division Leadership Chairman' February newsletter. So I'm going to borrow her piece and share it with all of you. Because I was quite surprised by the reports I received for the mid year and there was only 1 unit that reported working the program of Creating a Culture of Goodwill – what happened folks? The Department of FL receive an award for Promoting a Culture of Goodwill from the National Leadership Chairman. Where did it all go? We need to take care of one another. With that said – here's a message from our Southern Division National Leadership Chairman Linda Smiley:

This is a good time to check on friends that you have not seen in a while or living alone. Everyone likes to have someone check on them. Use your telephone, email, or social media to communicate since person-to-person is not the safest option.

Consider using the Leadership Program to promote a culture of good will;

1. Work to remove negativity and drama from all levels of our American Legion Auxiliary.
2. Treat all members with respect.
3. Be the solution rather than the problem.
- 4. It's not about having a title**, it's about getting the job done, a leader does not need a title.
5. We are all Unit Members no matter what office we hold, we need to work together.

In the Spirit of Service Not Self, For God, Country and Veterans,
Linda Smiley
Southern Division Leadership Chairman

Due dates for end of year reports is a month away – let's get ready and have a better turn out than we did Mid-Year. I understand it's been tough going – but as the saying goes "when the going gets tough, the tough get going". We got this ladies and gentlemen now let's show it!!

District 16: District 16 Legion Oratorical Contest Saturday, January 29 at Legion Post 252

District 5: Here is the corrected article for the Mail Call from The Mighty 5th District:

Jacksonville Unit 283 along with assistance from Jacksonville Unit 197, braved the cold weather on January 30th to provide clothing items and other essentials to give out at the City of Jacksonville Homeless Veterans Stand Down at the Jacksonville Fairgrounds.

Jacksonville Unit 197 didn't have any tables to setup, but wanted to volunteer at the event, so those ladies and a future Junior member, was welcome to team up with Jacksonville Unit 283.

This is an Annual Event provided by the City of Jacksonville which usually provide items and services to over 300 Homeless Veterans, however, due to the Coronavirus Crisis, only 75-100 Veterans attended this year.

Unit 5: When one of the members from unit 5 American Legion U.S.S. Tampa Florida was at the vaccination clinic last Wednesday at James A Haley, she stopped in to say Hi to the lead Nurse, Shannon... who was very appreciative of the ALA snack and goody bags. She looked at the stations where the vaccines were being administered and saw the felt red hearts that were made and had been taped on the walls... Sometime the smallest way of thanking someone and showing kindness is appreciated without words. We should all be grateful to the many nurses who are helping with the administering of the vaccine shots. We may be a small but we try to do things the right way and show appreciation for those in the community

Unit 5: American Legion U.S.S. Tampa unit 5 working together as a team, Shown in the photo is Patricia Delgado and Mimi Leroy-Marler For some reason I thought this was going to be pretty easy, With good patience from Miami one of our unit 5 auxiliary members. I completed the correct folding of a pocket flag.

Unit 5: American Legion U.S.S. Tampa Florida auxiliary unit 5 from district 15 once came together to help the community. We were able to make up home made valentines cards and filled up goody snack bags for a total of 25 nurses who were giving the covid-19 vaccine injections. It was a way giving a special Thank You to all the health care workers. for all they are doing. And a special vase with roses and wreath were given to the Fisher House. Both the vaccination clinic and the Fisher House are located at James Haley VA Hospital. Tampa Florida The Fisher House is right outside the hospital doors and the vaccination clinic is located in the Spinal Cord Injury Unit at James A Haley, Hospital these are both part of the hospital. Shannon is the head nurse who in the photo she is reading the card that was given to all the workers.

When I went home I was able to complete about 15 more. We were able to cover two ALA programs with the folding of the pockets flags and placing them in small bags along with a enclosed special note.

{ A flag for your pocket so you can always carry a little piece of home with you, We are praying for you Thank you for defending our country and our freedom }

Pocket flags are under the ALA Americanism program and these folded pocket flags will be placed in troop boxes going overseas for our military deployed along with lots of other items are troop love to receive plus TLC from home, Troop Boxes are under the ALA National Security program.

We all need to think our of the box how we work our programs and always remember that there is no I in the word team, we are in this together.

District 16: American Legion Auxiliary Unit 291 of Steinhatchee will be delivering 41 purses filled with necessities to the Refuge House for battered women. Unit 200: On January 13, 2021, ALA Unit 200 presented 75 one man tents with backpacks containing hats, gloves, blankets, reading glasses, personal hygiene products and other needed items, to the Homeless Outreach Program. The presentation was made at the monthly meeting held at the Veterans Memorial Center in Merritt Island. PR Chairman Christine Goldsworth headed the project and was assisted by Cyndi Lynch, Denise Loy, Tamara & Marty Rossi and S.A.L. Squadron 200. Donations were first collected in December 2020, and purchases for the project were made near the end of the month. The unit reached out to Department Chairman Dorothy Walsh who assisted the group with connecting with the Homeless Outreach Program.

Unit 240: Department President Ann suggested that I send these Photos separately for Mail Call.

1st District President Kim Edens and American Legion Auxiliary Unit #240 sent these Therapy Dog & Cat's to our Veterans at Clifford Chester Sim's State Veterans Home at Christmas 2020.
