FROM THE PRESIDENT

DEPARTMENT OFFICERS AT GIRLS STATE - JUNE 2024

Greetings I am looking forward to an awesome year. My theme is "Securing Our Foundation to Build a **Stronger Future"** together we will be **#BuildingTheHouse**. My color is teal. Teal represents calmness, serenity, strength, growth, and clarity. Teal is a revitalizing color that symbolizes open communication and creative thinking, all characteristics that we need to remember when we are working together to Secure our Foundation and Build our House. My Charity is Operation 300, located in Stuart, FL. 501(c)3 Op300

provides camp for any child who has lost a father as a result of military service, pairing each child fatheraged, male mentor who spends the weekend doing things with the children that they might have done with their dad. Over the course of a camp weekend, attendees can expect to participate in a wide range from saltwater fishing, sailing, archery, shooting, camp competition and more. It was established in honor of SOC Seal Aaron Vaugn who was shot down in the Tangi River Valley of Afghanistan. Aaron left behind 2 children; a son not quite 2 years old and a daughter who was only 9 weeks old. Aaron's story, life

and legacy inspired the creation of Opp300. This camp is provided at no cost to the parent or child. For further information, please visit their website op300.org.

So, my year has started off full steam. I was installed on June 16th and then headed to FSU on June 20th to Girls State for their Opening Session and administered their oath. Also, at the Opening Session, the Mayor of Tallahassee, John Dailey, issued a Girls State Proclamation. It is always exciting to go to Girls State and see the great group of young ladies attending. What can I say, "Girls State is Great!" On June 29th, I was asked to speak at the Legion Training, about my theme and charity.

My next adventure was to visit Safety ⇒

SECURING OUR FOUNDATION TO BUILD A STRONGER FUTURE

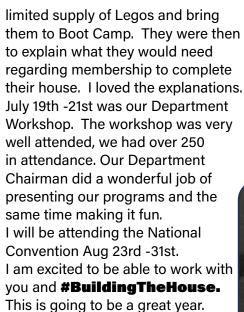

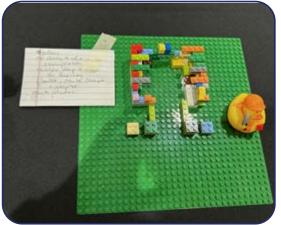

Harbor to participate in the 4th of July Parade and also speak at their Ceremony. Thank you to District 16 President Cheryl Adams for the invite and Unit 238, Safety Harbor for their hospitality.

July 4th was a busy day, right after the parade I went straight to Altamonte Springs for our Auxiliary Boot Camp. Where our Department Chairmen worked strong and hard developing the Program Engagement Plans for the current year. District Presidents also attended for instruction on how to make their year a successful one. The District Presidents were also given a task at Convention to start building a house out of a

Workshop and Schools of Instruction are completed and the Auxiliary Basic Concept Classes are being scheduled. ABC Classes do not cover our programs! What we do cover but not limited to is the organization, duties of officers and chairmen, governing documents, nurturing goodwill, mentoring, exploring new ways for members to become involved, membership responsibilities and understanding Unit reporting and its importance. These are the classes that are scheduled for the month of September 2024. I will post Octobers classes in the next issue. District Presidents and Leadership Chairmen remember to invite all facets of the American Legion Family. Put flyers on your Unit/ District social media pages, invite surrounding districts to attend. Jan Farrington membership@alafl.org

Welcome to 2024-2025 membership! I am so excited to be your Department Membership Chairman. I love seeing all the various ways the units are using their assigned tools to help "Build the House." Always remember **MEMBERSHIP IS THE KEY.** Every single one of you is a key to reaching our membership goals.

Workshop in August was a real success. It was great meeting and greeting so many of you and sharing lots of information on membership! Beginning September 1, every Unit can begin submitting their new members. It's been great seeing so many Units submitting 2025 renewals already. There have been many fun and creative ideas to encourage renewals from raffles, Early Bird

suppers and gift baskets to name a

If you need any assistance, there are people to help! Begin by asking your own Unit membership chairman. Each District president has appointed a membership chairman. Each Area also has a designated Area chairman. Pam Pannasch represents the Western area Districts 1&2. Natalie Scott is Northern Area Districts 3, 4, 5, and 17. Amanda Sherman is Central Area Districts 7, 15 and 16. Sandy Swafford is Southern Area Districts 9, 11 and 14. Char Kinlen covers Districts 6 and 12 and Kathy Reed is Southwestern area chairman Districts 8 and 13.

Our Department Goal Dates are listed in the box on page 5. Share these at your Auxiliary and District meetings. Awards will be based on membership entered into ALAMIS member database by the dates in the teal box. All this information and so much more can be found on

alafl.org/membership.

Under each folder labeled "Graphics and Brochures", "Membership," and "Links" click on the red + sign and that shows flvers, brochures, Membership Guides and the Program Engagement Plan just to name a few. (PAST PRESIDENT'S PARLEY)

Wanda Brandt pastpresidentparley @alafl.org

Past Presidents Parley (PPP) at every level are encouraged to promote mentoring opportunities of unit members. Past Presidents at all levels continue their support of the organization by accepting responsibility that the knowledge and wisdom of a past leader can make a difference. They are acting ambassadors of the organization. All Past Presidents strive to strengthen each level of the organization and promote growth through positive actions. This helps ensure a strong leadership for the organization.

Key Program Statements:

- To raise awareness of ALA Unit development and training opportunities.
- To strengthen leadership within the Unit and District!
- To promote participation in the available member training on the national website ALA Academy; Senior and Junior

- member Auxiliary Basic Leadership Course.
- To enhance knowledge about ALA history, programs, and organization.

Grow:

Have you heard about the ALA Academy? This is an incredible educational opportunity for you to learn about the Auxiliary and what we do. There are 8 main courses and many other live courses available to help mentor our newest members. I personally have completed all 8 of them and I was amazed at the history of our program and the amazing individuals that made it all happen. This is a great opportunity for our Junior members to learn about the Auxiliary as well. They are the future of our program. There are even some E-courses designed specifically with our juniors in mind. You can enroll in any of the self-paced courses. I encourage everyone to try them. You will not be disappointed! Find more details at **legion-aux.org**. Lastly, how can you get our Junior members involved in your units? In a recent Zoom meeting, we discussed the importance of mentoring our Junior members and involving them in our monthly meetings, fundraising events, preparing meals, and assisting in planning events and activities. Your juniors will amaze you with their use of technology and social media. Ask them to help with public relations and advertising your events. Juniors are our future. get them involved now. Get a few juniors excited to join

our organization and they will

reach out to others to help

grow our membership.

Being a member in the Auxiliary Legion Auxiliary, mentoring is your responsibility.

- Introduce yourself to a new member.
- Call and remind them of the meeting date.
- Tell them about an event that is taking place within the Post.
- Teach them about the "acronyms "we use within the Auxiliary and what they stand for.
- Be Consists Follow through.
 Mentoring moments are those times you take the opportunity to have a conversation that creates insight, explore options, or provides guidance, while you are doing something else.
 Please reach out to me if I can help in any way. Also, please read about the awards in the Program Engagement Plan.
 Start now, don't wait for April.

Start now, don't wait for April. Please schedule classes for mentoring within your unit and district levels. At your unit and district meetings, cover mentoring topics: these can be done through hand-outs, discussions, or chair reports.

FROM CONSTITUTION & BYLAWS

Welcome to a new Auxiliary year! As we join President Charlotte this year on "Securing Our Foundation To Build A Better Future", we need to review the Constitution & Bylaws.

Terms:

- C&B is an easy way to refer to your Constitution and Bylaws.
 They state your name, the leaders, and the purpose of your Unit.
- Bylaws: this defines the rules of your elections, duties of officers, and lists the Unit's committees.
- Standing Rules: they are specific to your Unit. It provides details about provisions listed in your Bylaws.

Helpful Hints:

- Make sure your Constitution & Bylaws are up-to-date.
- Make them accessible to EVERY member.
- Quote from them whenever possible so members become comfortable with the documents.
- Have your Unit's C&B Chairman present at a Unit meeting. They can pick something from the C&B to talk about or explain.
- Have FUN, don't be afraid of your governing documents.
- Informed members might be apt to sign up to be an Officer or Chairman. Start mentoring them NOW!

FROM THE HISTORIAN

Dara Oliver historian@alafl.org

History is meant to be shared, and it doesn't have to be The Historian to do it!

ANYONE can write a Member Remembers project or help in finding out your own History, whether it be about your post home, your Units History or a Veteran's History Project.

If you know about a member, (current or past member) you could share their story. If they are still living you could interview them and write about their experiences as an Auxiliary member.

When researching (prior to writing a History) you sometimes need to go way back to find out where it all started. You can use social media or the internet to assist in finding out answers, as well as interview long standing members.

As you research, sometimes knowing what to ask or what to look for, helps you in writing your History, Legacy Project or Ancestral Documentation.

Here are some questions to help you~

- What year did you join the ALA?
- Who did you gain your eligibility from and what was your relationship to them?
- What is your favorite ALA program or committee?
- What was the path that you took being in the ALA?
- Who was your mentor and what made them special?
- What was a favorite memory while working the Mission?

If you decide to write a History Project maybe about your Auxiliary Unit, Post Home or add to another History you could include the answers to these questions:

- What do you know about your Post Home?
- When and where did the Post home start?
- Have you always been in the same building?
 I'm sending out a challenge to EVERYONE - Can you find 1
- Did your Legion begin before your Auxiliary Unit or did they start together?
- What year was your Auxiliary Chartered?
- Do you have your documents framed, if so where are they?
- What kind of information is found on those forms?
- Do you have a photo of those documents?
- Do you know any of the names printed as Charter members?
- Can you write a history on any of them?
- Do you have a list of Officers that served from the beginning until now?

- Did any of your Past Officers serve as District or Department President or even higher?
- What information can you find and share about them?
- How far can you go back?

Other things to consider regarding the safe keeping of your Unit or Post home Histories, photo books etc... is Where are your important keepsakes kept?

- Are your books accessible to members so that they can see, read or go through them to share?
- Do you have a back-up of your History books or keepsakes?
- Have you ever thought about duplicating photos or other keepsakes digitally?

These are things to think about especially if a flood or natural disaster happens in your area. This way you can preserve those memories for years to come.

I'm sending out a challenge to

EVERYONE - Can you find 1
important piece of History of your
group, Unit or about your building.
It will be interesting to find out the
history of others! Does anyone else
wonder who the oldest "Unit" in
Florida is and are they still operating?
You can post your History snippet,
by using our Social Media

Facebook page - ALAFL History or feel free to email it to Historian@alafl.org.

FROM GIRLS STATE

My name is Eileen Wilson and I'm honored to be this years Girls State chairman. If you have been involved with Girls state before then you know **GIRLS STATE IS GREAT.** I urge all Units that sent girls to Girls State last June to invite them back to attend one of your meetings or speak at a dinner or special event. Let them tell you first hand about their inspiring, life changing, experience. These girls are a great source for spreading the word about this amazing program at the ground level.

School has already started so I encourage you to start spreading the word about this great program to your local High Schools. Try contacting the local School District, School Guidance Couselors, Government Advisors and even your Unit members. The date for this years Girls State is

June 19-27, 2025.

Remember to check out the new Department website for all the latest

Program Engagement plans. This document will give a month by month guide and all deadline dates for submitting your requests for sending girls. Great news is the cost is still \$400 per girl.

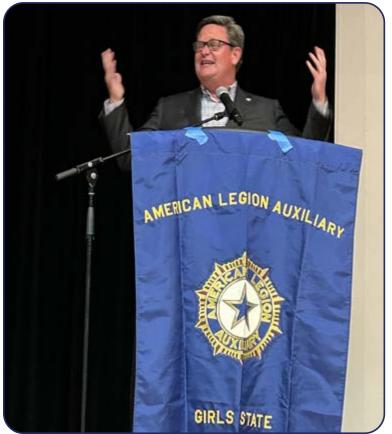

This year we are asking each Unit to donate a basket to be raffled off at Fall Conference, Nov 22-24, 2024. Just think of all the opporuntites for you to win. Of course you can also volunteer to help at the raffle table, just contact me

This is a great way to Build our Foundation for a Stronger Future. And remember:

FROM VA&R **VETERANS AFFAIRS & REHABILITATION**

Linda Knoblach-Harkness veteransaffairs@ alafl.org

I hope this message finds you well and brimming with anticipation. As we step into a fresh Auxiliary year, I can't help but share my excitement. Our Units have always been fueled by an unwavering passion for serving our 2. Mileage: If you travel to serve our Veterans, and this year promises to be no different.

Let's continue our tradition of compassion by **creating those** essential "comfort articles."

Remember, these small gestures make a world of difference to our Veterans. Whether it's a cozy lap robe, a pair of knit or crochet booties, or a thoughtful cap, every stitch carries warmth and care.

For instructions, turn to page 92 of the Unit Guide. Let's channel our creativity and love into these items, knowing they'll bring comfort to those who've served.

While our headquarters doesn't have Name Tapes available, fear not! You can order them through Flag and

> Emblem Sales. Let's ensure our Veterans' belongings are personalized.

I extend my heartfelt gratitude to each of you who has answered the call to serve in our VA Facilities across the state of Florida. Your selflessness and commitment make a profound impact on the lives of our veterans. However, our mission is not yet complete. We still have a need for a few more volunteers. If you have the time and willingness

to contribute, please consider joining our ranks. If you'd like to get involved, please reach out to me via email at veteransaffairs@alafl.org. We look forward to welcoming you to our dedicated team! I want to emphasize the importance of tracking a few key data points:

- 1. Hours: Keep a record of the hours you spend volunteering. Whether it's a few minutes or several hours, every moment contributes to our mission.
- veterans, note the miles driven. Your journeys matter, and this information helps us understand the scope of our impact.
- 3. Expenses: While we serve in the Spirit of Service, not Self, it's essential to track any out-ofpocket expenses. Whether it's gas, supplies, or other costs, these details provide a comprehensive picture of our efforts.
- 4. As you continue to serve our veterans, it's essential to understand how to accurately report your volunteer hours. Here's a crucial distinction:

If you are caring for a family member who is a veteran and lives with you, you can report 10 hours per week. Your dedication to their well-being matters, and this recognition ensures that your efforts are appropriately acknowledged.

If the family member veteran does not reside in your home, you can claim 5 hours per week. Even when physical proximity isn't possible, your commitment remains impactful. Why do we collect this data? Because it enables us to advocate effectively. The American Legion Auxiliary relies on these points to remind Congress just how vital our organization is. Your service matters, and these numbers tell a powerful story.

Your firm commitment to our **veterans** is truly commendable. Thank you for the compassion, time, and effort you invest in making a difference. I eagerly anticipate meeting many of you during my travels to VA Facilities across the state. Let's continue serving our heroes with passion and purpose!

FROM PUBLIC RELATIONS

Welcome to the new year, securing our foundation to build a stronger future. We will use our tools: social media, newsletters, flyers, and press releases to share our mission, which is to support The American Legion and to honor the sacrifice of those who serve by enhancing the lives of our veterans, military, and their families, both at home and abroad. For God and Country, we advocate for veterans, educate our citizens, mentor youth, and promote patriotism, good citizenship, peace and security.

September brings National Disaster Preparedness Month, Suicide Prevention Month, Service Dog Month, Patriot Day, 9/11 Day, POW/MIA **Recognition Day, 4th Annual POW/MIA Seven Bridges Remembrance Day Ride and Ceremony (see flyer on page** 12), and Gold Star Mother's Day.

These are all great opportunities to bring awareness and volunteer. Visit the media templates page at

ALAForVeterans.org

At the recent Public Relations Pre-Convention meeting, it was advised that your social media reflects branding and your members working the mission - Children & Youth, serving our military and Veterans. National wants to see action photos - for example, you are handing a food basket to a military family, distributing Christmas cards to Veterans, knitting a blanket for Camp Boggy Creek, etc. When sharing on social media or writing a media release/letter to the editor include...Who? What? Where? When?, Why?, How?, tell your story. Again, as a reminder, keep original photos on a desktop folder, phone storage, and/or backup storage. This will make it easier for you to choose high resolution jpeg pictures for end of year reports, award submissions, and recognition by National. Since,

Facebook compresses, resizes, and formats photos to make pages load faster. This can make downloaded images appear lower quality when inspected closely.

Make sure that you have joined our **FB page - ALAFL Public** Relations, check out the featured section, and the files tab for documents, Also, follow us on

Instagram, X , and Tiktok, user @ALAuxFlorida

Please do not hesitate to get in touch if you have any questions or would like more information on any subject. Patricia Grayshaw, Erin Hoffer, and I are here to help.

FROM CHILDREN & YOUTH

Lisa Hoyland childrenyouth@ alafl.org

Welcome to a new year in the American Legion Auxiliary. I am honored to serve as your 2024-2025 Department of Florida, Third Vice-President, Children & Youth Chairman. This year, we will be "Securing Our Foundation to Build a Stronger Future". The Children & Youth Program, a vital part of our mission, emphasizes on protecting, caring for, and supporting children and youth, particularly those of veterans' and military families. Here are a few ways that you can promote this program. Honoring Military Children & Youth. Kids of Deployed are Heroes 2 (KDH2) is an initiative honoring military children experiencing separation from one or both parents, whether deployed to a war zone, having a short tour, or on an extended temporary duty assignment. Coordinate with Family Readiness Groups for button distribution during family days. Work with the Post to possibly host

a military kids' celebration event. Supporting Veterans' Children in Need. Some of our homeless veterans also have children living on the streets with them. Contact your local churches, homeless shelters, and food pantries to identify homeless veterans' children. Contact local schools to find out what is needed for homeless children, i.e., supplies and clothes. Ask what their specific needs are and offer them your services. Support the Children & Youth in the Community by recognizing and rewarding the positive actions of our children and youth and presenting a Youth Hero/Good Deed award. These awards, which can inspire and instill hope, recognize youth who have demonstrated good citizenship, either through a brave physical act or a good deed. How can you find youth in the community to award: watching social and local news media, contact local schools, and other youth organizations in your area like after school programs and religious organizations.

Are you hosting a Halloween Children's party in October? You can download the Halloween coloring book from the National ALA website at legion-aux.org. Many low-cost coloring books are available that you could give to the children at events throughout the year.

Support Children's Hospitals in Florida. The Auxiliary supports the John Hopkins All Children's in St. Petersburg. Please refer to your Unit Guide and the Donations Remittance Form on the Department website. Locate a Florida Children's Hospital in your area and see how you can assist. Let us work together this year

securing our future for our next generation as we support them, encourage them and educate them. Your active participation is crucial in this endeavor.

As always, if you have any questions or suggestions, please feel free to contact me.

FROM EDUCATION

Thank you to all our Units that participated in Give 10 to Education, Operation Homefront's Back to School Brigade or any other school supply drive! Know that the students and teachers truly appreciate all of your hard work and dedication. They will put those items to good use. Now that school has started, **what else can you do to promote the ALA**

can you do to promote the A Education program?

- Have your members download the Box Tops for Education app on their smart phone. They can scan their receipts and earn money for a local school. If you have members that are unsure how to do this, have them bring their receipts to a meeting and scan them for them (remember the receipt can't be older than 14 days).
- Tutoring! Tutoring is needed all throughout the school year. Both child and adults need tutoring. Reach out to your local school, libraries and churches. Sign up to tutor on tutor.com/military which is funded by the US Department of Defense and Coast Guard Mutual Assistance to provide on-demand online tutoring at no cost to eligible students.
- Starting thinking about the Veterans in Community Schools program. Reach out to some Legionaries to see if they would be willing to go talk to some students in the classroom. Then reach out to the schools to see if when the veteran can come by.
- Scholarship! It is never too early to promote scholarship. The American Legion Auxiliary has 3 wonderful scholarships at the Department Level. You can find flyers and tri-fold handouts in the Link section of the Education Program on alafl.org.

The American Legion Department of Florida, the National American Legion Auxiliary and The National American Legion also have Scholarships that you can promote.

- November 18-22, 2024 is American Education Week. Plan something nice for the local educators. See if you can drop off breakfast or lunch. Make a Coffee Bar for them. Team up with their PTA or PTO so you both aren't planning something for the same day.
- Follow Us on Facebook to get updates and see what the other units in our Department are working on! facebook.com/groups/alafleducation

Don't forget to email your photos of your events to education@alafl.org. You can send them all throughout the year. You do not need to wait until year end reports are due. As always, feel free to call me or email me if you have any questions.

FROM MEMBERSHIP

Patsy Sewell membership@ alafl.org (407) 293-7411

Greetings everyone! Welcome to the 2024-2025 Membership Year. Just a few tips and reminders to make membership processing go smoother:

- Please either mark 2024 or 2025 on your recap sheets (not 2024-2025). We need to know exactly what year to be processed.
- If you have requested ALAMIS access, please be sure to check your junk/email folders for the email from National and complete training following the link (if full access requested).
- Please number your recap transmittals sequentially, for example, 1, 2, 3; you can do, 1-2025, 2-2025, etc. If they are named identically, it makes it difficult to research if needed.
- Please double check that your amount due is the same as the amount on your check.
- A junior member becomes a senior member at the beginning of the year they will turn 18.

- No need to send these forms in if you have already completed the process:
 - Address changes
 - Membership applications (if you have entered into ALAMIS)
 - Receipt for paid dues (if you have paid dues through ALAMIS for your unit)

Regarding online renewals and MCR emails: The online renewals are emailed to the unit membership email we have on file twice a month (around the 1st and 15th) and the MCR email is mailed around the last day of the month or first day of the month (depending upon what day of the week these days fall on). Your ACH, if money is owed, will be deposited at that time as well. Please make sure to share this information with your treasurer for reconciliation purposes. The online renewals will have the member's name and the amount owed your unit for that renewal. The MCR just lists the total amount owed to your unit. You will need both emails to reconcile.

As always, feel free to email or call me with any questions or concerns you may have. Looking forward to another great year! #membershipisthekey

ALWAYS DOUBLE CHECK

AMERICAN LEGION AUXILIARY DEPARTMENT OF FLORIDA

Yes, a man can join the American Legion Auxiliary if he has a direct personal connection to an active-duty service member, such as a granddaughter. Other eligible relatives include mothers, spouses, daughters, sisters, and grandmothers. However, steprelatives are not eligible, and the IRS only allows two degrees of a blood line, so great granddaughters and beyond are not eligible.

Unit 45, District 17 Submitted by Esme Coward

District 17 President, Mary Bryan installed our new officers: Sgtat-Arms Richard Bair, Members at Large Susie Stewart and June Landry, Treasurer Linda Sheppard, Chaplain Cathy Boyland, Historian Terry Cromer, Member at Large Marion James, Vice President Peggy Almodóvar, and President Esme Coward. One of our dual members, Air Force Veteran Dianne Perritt, had her brick installed at the Post Memorial Garden. Historian Terry Cromer and Chaplain Cathy Boyland delivered our collection of donated school supplies to Radio station 91.3 HopeFM. We donated more than 500 items for our local school children. At Unit 45 we have started something new. Because we are always baking for fundraisers and for gifts, we have formed a "Bakers and Makers" group. The makers recently met to work on Cool Ties for troops that are deployed from our local National Guard Unit and for a unit of one of our Blue Star Mothers. Cool ties are soaked in water and the crystals swell up, when placed around the neck, they help keep the wearer cool. The makers also began signing Christmas Cards for the troops as well as area nursing homes. We are ready! Bert Hodge Post 45 is a Centennial Post. Our Unit President, Esme

Coward, is digitizing the archives and has created this Centennial Wall. It features the Official American Legion Centennial poster which she framed and flanked with branch challenge coins. There is a ceremonial flag that was used at the post from 1920 to 1940 and a photo of Bert Hodge, the namesake of the post who was killed in action during "The Great War." Notebooks housing important post history are on display.

At the regular monthly meeting on August 10, 3 of the 4 girls state delegates that went to Tallahassee on behalf of unit 62 joined our meeting to give a summary of the experience they had while working with state representatives. They did such a great job! One of them has a bill in the works that will assist foster care children as they transition into adulthood.

Girls State Committee chair Rebecca Baruffi presented each of the girls

with a scholarship check for \$2,000 each to assist in their college journey. We cannot wait to see these young women rise!

At the conference in Orlando in June we represented the **ALA Florida department** as the Bicycle Bells. We were recognized for our membership efforts and our very own district President was given the honor as being chosen as the district president of the year! Well done unit 62 and dist 11 and congratulations to you Sandy Swafford.

Members of the
