

DATE: August 27, 2020
TO: All members of the American Legion Auxiliary Department of Florida
FROM: Ann King-Smith, Department President
SUBJECT: Cancellation of the 2020 Fall Conference

As you know, the health and safety of each one of our American Legion Family members is, and has been, a priority with our entire leadership team during the COVID-19 pandemic. We have received notification today that our Legion leaders have cancelled the Department Fall Conference, scheduled for November 6-8, 2020, in Orlando.

I realize that this is a disappointment for many of you that have been making plans to attend. I know that we were all looking forward to gathering and to share, learn and enjoy. The Legion has announced their plans for a Virtual Fall Conference. Currently, the Auxiliary has nothing comparable in place, but it sounds like a great idea. Rest assured that any information regarding new information or plans will always be shared with you.

I know that some of you have already made hotel reservations for the November conference. All rooms that were booked under the American Legion block will be automatically cancelled. The Conference hotel should be sending you an email to verify cancellation and refund information, if you prepaid.

My prayer is that each of our members will remain safe and continue to remain “Florida ALA Strong” during this pandemic.

For God and Country,

Ann King-Smith

Department President
