

NATS & FEDS

Political party assignments are made for the Girls State delegates. Those parties are: Nationalist and Federalist. Twelve staff members serve as Advisors to 25 delegates, comprising cities. The citizens of each city hold elections to select their city government. Two cities form a county out of which Senators, Representatives and Lobbyists are elected. The Nationalists and Federalists adopt party platforms, have pep rallies and hold nominations for state government.

GOVERNMENT IN ACTION

The citizens of Girls State elect their own Governor, Cabinet and other officials. The State officials write bills, debate bills, committee appointments are made; just like the real Florida Government.

When available, the State Capitol Senate Chambers and the House of Representatives Chambers are utilized to hold sessions.

Imagine the thrill of sitting in a Senator's chair, using the voting machine to approve and disapprove a bill, just being in the Capitol, is exciting and adds an important touch of reality to our sessions.
