892 Catfish Avenue
New Smyrna Beach, Florida 32169

District # _____ District Historian _____

Please list and explain at least three (3) significant events, happenings or newsworthy activities that have taken place in your unit since Department convention.

1) _____

2) _____

3) _____

District Historian's Instruction

Since there is no award or request for District Narrative, I am asking the District Historian to encourage the units to complete the unit's presentation in a correct manner and to send to Department Historian. Therefore, I would like to know what events you witnessed or know about that is well worthy to be put in the Department's narrative. This will be due by May 15, 2022.
