Program Engagement Plan 2024-2025

Never doubt that a small group of thoughtful, committed citizens can change the world; indeed, it's the only thing that ever has. -Margaret Mead

Margaret Meads famous quote drives my actions as the Department of Florida Legislative Chair. I know that I am not alone; members of the American Legion Auxiliary Department of Florida are comprised of thoughtful citizens with a mission to improve the lives of our veterans and their families through legislative action. Relevant changes are implemented through targeted, well designed, thoughtful legislation. As Department Chair I will strive to give the Units the tools needed to create, support, and implement changes through education, developing relationships and taking targeted actions.

Districts and Units are encouraged to practice discussing legislation and verbalizing arguments supporting that legislation with elected officials. I encourage each Unit to identify issues facing Veterans and their families and encourage them to openly discuss and debate possible legislative solutions

System Change is difficult, but this group of dedicated members are indeed creating world change through their targeted legislative efforts.
