

Department Membership Surfing Awards **2021 – 2022**

Bottom Turn Award

Surfing's most important maneuver and the basis of surf riding. A special gift will be given to the Unit President and Unit Membership Chairman in each membership grouping with the highest percentage received by Department and **processed** by Department by POW/MIA day, September 17, 2021. (including recognition Conch Chatter).

Front Side Snap Award

A maneuver which the surfer comes from the bottom of the wave and attacks the lip and snaps to keep riding the wave face. A special gift will be given to the Unit President and Unit Membership Chairman in each membership grouping with the highest percentage received by Department and processed the week prior to Department Fall Conference, November 4, 2021.

Tube Ride Award

The ultimate greatest moment any surfer wants to experience, to ride well inside the barrel of a tube as they break. A special gift will be given the first Unit President and Unit Membership chairman in each membership grouping to achieve 100% in membership.

The 360 Award

Using the bottom of the surfboard, sliding on the wave pivoting off the back riding leg until the 360-degree turn is completed. 100% pins will be presented to All District President, District Membership Chairman, Unit Presidents and Unit Membership Chairman who achieve 100% by April 15, 2022.

100% membership ribbons for each District and Unit who Achieve 100% by Department's close of books

Hang 10 Award

When we perform a hang ten, our feet end up at the nose of the board, with our toes curled over the edge. The ultimate longboard surfing gesture, it's an old- school statement. A special gift will be given to each District and Unit President achieving **105% or better by close of books.**
