## *Greetings,*

All I can say is WOW and Thank You. 104.18%!!! You all have done an amazing job "Securing Our Foundation" and #BuildingTheHouse. Each District took their tools and built their houses; some even had it rebuild their house. Thank you also to

our Department Membership Chairman, Jan Farrington and her team, the Area Membership Chairmen: Char Kinlen, Sandy Swafford, Andrea Sherman, Pam Pannasch, Kathy Reed, and Natalie Scott for being our Cheerleaders. Jan was our Energizer Bunny. I finished my last 2 District Visits in April with Districts 1 and 2. I started off on April 16th with District 1 in Navarre. Thank you District 1 Units for arranging for the awesome cabin accommodations and the basket of food, goodies, and snacks. My first Unit Visit on April 17th was to Unit 240 Pensacola. We had burgers and fellowship with Unit 240 members and were joined by Units 340 Pensacola and Unit 193 Pensacola. I was also able to assist Unit 33 with their Charter Application to get their Charter reinstated. On Friday, April 18th, I went to Unit 221 Niceville and was joined by Crestview Unit 75. Unit 221

provided a nice lunch. Unit 221 also had an article posted in the May National Auxiliary Magazine about their innovated ways to get the

word out about their Post/Unit with Burger Nights and Membership Days. Their Post Commander gave a very compelling speech about how vital the Auxiliary is to the Post Family. Thank you, Unit 221, for the gift basket and

Lilly. Saturday, April 19th was a fun-filled day hosted by Unit 382, joined by Unit 378 Gulf Breeze, Unit 78 Milton, Unit 235 Ft. Walton Beach, and They had not

one but two Easter Egg Hunts (one for the kids and one for the adults). It was a day filled with games, raffles, and a Dye Station for "Purple Up" where the kids got to dye shirts purple. To top it all off, the Easter Bunny made a special appearance

and gave photo opportunities. Unit 382 also treated Daryl and I to a wonderful steak Dinner. I was presented with many awesome gifts from all of the Units there. Sunday, April 20th, I was honored to spend Easter with Unit 402 Panama City Beach, Unit 356 Lynn Haven, and Unit 392 City. Unit 402 provided a nice Easter Dinner. It was a great

turnout considering it was Easter Sunday. I enjoyed my visit to District 1, thank you, District 1 President Sam Touchton and the entire District for hosting me. I love it when I get to meet with more than one unit at a time. It is nice to hear what each unit is doing and the camaraderie amongst the other units. My visit to District 1 ended with an overnight stay in Panama City Beach before heading to District 2.

On 4/21 I started my visit to District 2 with my first stop being at Unit 116 Port St. Joe. They are a new Unit. I met with President Wanda Warwick and the Post Commander. President Wanda then took Daryl and I out to lunch, followed by a visit to Veterans Park.

Even though they are fairly new they are working what programs they can. Then on to Tallahassee where we would be staying for the next three days. Upon arriving in Tallahassee, we met up with Unit 13 and Unit 13 President, Nell Hewitt at the Olive Garden joined by several members and their husbands. Great fellowship and dinner. Olive Garden is one of my favorite places to eat. 4/22, I met up with Units 241 Sneads and Unit 100 Marianna at Beef O'Brady's in Marianna. Got to

see some of my Girls State friends and hear what the units have accomplished this year. From Mariana, my final stop was to meet up with Units 217 Quincy and 84 Havana at Country Boys Restaurant in Quincy. I believe that the restaurant owners opened up the restaurant just for us to eat and have our Meet and Greet. I appreciate everything that the Units have done for me, our programs, and my special project Operation 300. It has been a wonderful and exciting year! You all have been amazing. Thank you for "Securing our

Foundation" and #BuildingTheHouse. See you at Convention.

# SECRETARY'S DESK

From the Department Secretary  
Here we are, the final edition of the Tool Box and it's been a great year working with our Members, Chairmen and Department Officers.  
Just a few reminders about the Unit elections; be sure that the Unit sends in the Unit Offers List within 10 days of the Unit Election. This can be scanned and sent as an attachment to [membership@alafl.org](mailto:membership@alafl.org)  
By now every Unit should have received their voting strength and delegate registration form for the Department Convention. Also in that mailing is a copy of the proposed amendments to be voted on at the Department Convention. Additional Delegate Registrations Forms will be available at the registration desk.  
District Presidents, even if you are a returning District President, please be sure that you return the District Binder and Box when you arrive at the registration desk. Also if you have notified me that you needed a new District Sash and District Presidents pin please be sure you see me no later than 6:00 PM on Thursday, June 12, 2025 to exchange the sashes.  
Department Chairman please be sure that you return your Chairmans Binder at the registration desk.  
All Books of Report are to be emailed to [Secretary@alafl.org](mailto:Secretary@alafl.org) no later than June 10, 2025.  
District Presidents and Department Officers you are given three (3) minutes of podium time to give your report, and you will be timed. Awards to be presented are not counted in that time span. Business attire is expected of all Department Officers and Chairmen so please keep this in mind when you are packing your suitcases.  
There will be a membership parade as always on Saturday afternoon immediately following the lunch break

and I am sure that our Department Membership Chairman will be getting that information out to all the District Presidents.

My final reminder is that we will be having nominations from the floor to elect delegates to National Convention being held at the Tampa Convention Center. When you are nominating a member please be sure to speak clearly so that we have the correct name. At this time I do not know how many delegates we will have so you will have to wait until Department Convention for that total. Back by popular demand will be a short class on how to complete your ballot. That class will be on Saturday morning and is listed on the Call to Convention.

**I am looking forward to seeing you at the Department Convention!**

# FROM CHAPLAIN

**Karen Marks**  
chaplain@al afl.org  
(904) 903-9552

I am sitting at my desk pondering as to what to write in this month's newsletter. I have written about so many tools that we use to continue our legacy in building a stronger future. I finally thought of a tool not listed in our membership list, but one that is extremely important. It is a tool that holds many items we may need in an emergency. It has a RED CROSS on it. Yes! A First Aid Kit!

Sometimes an accident will happen when using tools. Hammers, saws, or even rusty nails can injure us and cause us pain. The first aid kit has items inside that can help us clean and protect our wounds and our pain. It is filled with cleansing liquids, antiseptics, antibiotic cream, band aids and pain medications. These items help clean and treat our cuts, bruises, and pain so that we may heal from our injuries. We may need to seek medical treatment such as laboratory tests, x-rays, and other medical procedures and we wait for the results from our medical providers. Sometimes we need to be good patients with patience! We also must remember that doctors practice medicine. They sometimes learn as they go because of

unforeseen circumstances. Just as we do in life as difficult times arise. We need to remember that God is the key to our spiritual first aid kit. He is there for us when we have an emergency. He has the tools to cleanse our hearts and souls when we are damaged. He can heal our pain both physically and mentally. Sometimes our hearts hurt, and we should remember to go to Him. His first aid treatment to us is in healing. Whether we are having physical pain, illness, sadness, loneliness or even mental anguish, He is with US! Throughout this past year as Chaplain, I have received requests from our American Legion Family asking for prayers for those who need help. Opening God's first aid kit is the beginning step in opening our hearts to Him. We need to remember that He answers our prayers in His way, in His time. We also need to remember that He is with us through our troubled times as well as our best days. Let's remember He holds the key for us when we need to open His First Aid Kit!

In closing of this newsletter, please remember to send me all your deceased member forms so that when I put things together for our Memorial Service at Convention, my numbers are accurate. It has been an honor and a pleasure to serve as your chaplain for this past year. Praying God's Blessings flow among all of our legion family.

# FROM MEMBERSHIP

Department Of Florida Builders, I can't believe this year is almost over. It has been a fabulous year for Membership. Thank you all for your dedication and hard work and truly embracing "Building the House" across every district and unit. "Membership is the Key" was shared throughout the year as units actively renewed, rejoined, and recruited new members while supporting our military, veterans, Children And Youth and our communities.

I sure hope you found the ALA FL Membership Facebook page a valuable tool this year. We showcased the Department of Florida as we shared weekly membership reports, Department challenges and ways to increase Membership. Our units held so many events across Florida from initiations, hosting bingo, dances, talent shows and dinners. Our Membership drives within the community as well as our lunches for active duty, first responders and educators showcased what we do. It thrilled me to be able to mail out 100% membership pins and call units congratulating them on their achievements. Those phone calls were one of the highlights for me being the Membership chairman. It was so fun sharing your enthusiasm for doing a great job.

As we approach the end of the year, there's still time to process more memberships for 2025. Keep reaching out to those forgotten members. Keep those renewals coming in and remember not to hold onto memberships. National's "Close of Books" is set for July so we need to keep pressing forward and building houses. Keep making those phone calls and letting others

know why we matter. Congratulations to the Districts and Units who will receive the Department of Florida "Membership is the Key" awards. Units that reach 100% or more in membership as of Close of Books will receive 100% banner ribbons. Districts and Unit presidents that reached 105% by close of books will receive the Membership Key department award plaque at convention. Currently, we are at 104.18% as of the May 15, 2025 National Report. 45,087 members paid for 2025 an increase of 1798 compared to last year. We've had 124 units reach 100% Membership and many more that are over 105%. Our Membership parade at the Department convention promises to be an incredible celebration of our collective achievements. Let's use those tools to celebrate a job well done.

District Membership Challenge Congratulations to all the districts for participating in the district membership challenge. The District President's were given these challenges at this year's Department Workshop to see which district would have the highest membership percentage as of Close of Books. Each District with the lower percentage will donate up to \$50 to Department President Charlotte Bass's special project Operation 300.

In closing, serving as your Department Membership Chairman has been a true honor. Thank you to all the Area Chairman, Districts and Units for embracing all our tools and themes. Words can't capture the joy and excitement you all gave me. You each energized me to do a better job. A very special thank you to our Department President Charlotte Bass for having the faith in me and giving me the freedom to approach Membership in such a fun, engaging, and positive way. After all, Membership will always be the key to me and hopefully you as well. Be kind everyone.

# FROM PUBLIC RELATIONS

**Virna Luke**  
**publicrelations@**  
**alafl.org**

As we prepare to embark on a new term, now is the perfect time to set the foundation for a productive and meaningful year. Whether you're a seasoned officer or taking on a new leadership role, having a solid plan in place is essential. By using proven tools—like a planner, a content calendar, and a few strategic time management techniques—you'll be setting yourself and your unit up for success.

## **The Power of Planning**

Research shows that individuals who set specific goals and write

them down are more likely to achieve them. A well-organized planner allows you to lay out your objectives, deadlines, and key events for the year. Start by identifying department membership goals and reporting deadlines, unit/district/department meeting dates, events, and initiatives. Build your calendar around these anchor points, then add your local plans.

Not only does this reduce stress, but it also helps ensure you're prioritizing what matters most—supporting veterans, military families, and our communities.

**Why a Content Calendar Works**  
In today's fast-paced world, communication is key. A content calendar isn't just for social media or newsletters—it's a valuable tool for organizing your messaging throughout the year. Plan themes or focuses for each month in advance. For example:

- **September:** Honoring POW/MIA Recognition Day
- **November:** Veterans Day and giving thanks
- **March:** Women's History Month and ALA birthday

Scheduling posts, press releases, or newsletter topics ahead of time ensures consistent engagement with members and the public—and makes promoting your events much easier.

## **Give Yourself Time**

We all want to do our best, but waiting until the last minute often leads to missed opportunities and avoidable errors. Block out time in your planner each month for preparation and review. Reflect on what worked, what didn't, and how you can adjust. Consider creating a checklist for monthly responsibilities so nothing falls through the cracks.

**Pro tip:** Reserve time after major events to write thank-you notes, post recaps on social media, and gather photos for future reports. You'll thank yourself later when it's time to prepare your end-of-year narrative.

## **Final Thoughts**

As our department theme reminds us—"Securing our Foundation to Build a Stronger Future"—organization and preparation are critical building blocks. By planning with purpose, leading with evidence, and giving yourself time to do things right, you're not only helping your unit run smoothly—you're strengthening the mission of the ALA.

**Let's start the term strong—because a well-planned year is a successful year!**

## UNIT 219

Unit 219 of Fruitland Park hosted a homecoming celebration for our National and Department Historian: Dara Oliver, on Sunday May 4, 2025. The Unit provided a delicious luncheon and there were several surprise guests throughout the day.

Over 70 guests, Auxiliary members, family members and Love's Landing neighbors attended. Dara was fortunate to have four PDP's from Florida and one from New York there, whom she says are wonderful mentors to her. Each one of the ladies spoke, as well as gave a piece of advice and encouragement for future leadership. Shirley Fraser 1995-1996, Fran Carlton 1985-1986, Dara, Peggy Hearlson 2012-2013, Diane Rousseau 2011-2012 and in back NY PDP Cathleen MacInnes 1991-1992

Dara was also presented by Unit 219 President; Toni Stainbrook and Auxiliary Secretary; Diane Rousseau, her 40-year service pin and certificate.

Dara told a story how she began her Auxiliary membership as a Junior member in 1985 in hopes to be selected to attend Girls State.

Dara was very overwhelmed with joy and pride that so many people came to congratulate and applaud her service.

She thanked everyone for attending and coming a far distance. She especially thanked her Daddie for his military service and joining the Legion so she could gain her membership. She also thanked her mother-in-law MaryAnn for encouraging her to be an active Auxiliary member and her husband Kevin for allowing her to pursue her passion within the American Legion Auxiliary.

**CONGRATULATIONS DARA, We are all Very Proud of You!**
