

Past Presidents Parley Preamble

For God and Country,

We the Past Presidents associate ourselves

Together for the following purposes:

To uphold and defend the prestige
of the Unit, District and Department;

To maintain honor and dignity,

To foster and perpetuate interest and concern
for the future of the Unit, District and Department.

To preserve the memories and incidents of our
association throughout the past years.

Inculcate a sense of individual obligation to the
Unit, District, Department, and National organization.

To combat the lack of interest of the members,

In both the classes and the masses,

To make right our past mistakes,

To promote peace and goodwill, among all.

To safeguard and transmit to those who follow us,
the principles of dedication, sincerity and hard work.

To participate in and contribute to whatever tasks
others have asked of us.

To consecrate and sanctify our association by
our devotion to the Unit, District and Department
