2021-2022 Past Presidents Parley Program Action Plan

The Past Presidents Parley is a forum that brings together the experience of our former presidents and utilizes their expertise in active service to the

American Legion Auxiliary. Women who have been President of a Unit

District President  , or Department Presidents (Old Grey Mares)

are absolute Pearls  of knowledge.

In their wisdom, the National Organization made structural changes to the Past Presidents Parley, in order to streamline certain committees and make them more efficient. Past Presidents share their wisdom and provide ongoing mentorship to empower and bolster the Auxiliary’s present leaders, ensuring the continuity and strength of the organization at all levels.

Purpose Statement

To utilize past Auxiliary Presidents as ambassadors for the organization, to ensure a strong future for the Auxiliary, and “Dare to Commit” to mentor you.

All Chairmen should make their members aware that Mentors are available to them in ALL phases of the Auxiliary Programs.
