

POINT OF LIGHT

By Randy Travis

There is a point when you cannot walk away
When you have to stand up straight and tall and mean the words you say.
There is a point you must decide just to do it 'cause it's right.
That's when you become a point of light.

There is a darkness that everyone must face.
It wants to take what's good and fair and lay it all to waste.
And that darkness covers everything in sight
Until it meets a single point of light.

All it takes is a point of light
A ray of hope in the darkest night
If you see what's wrong and try to make it right
You will be a point of light

There are heroes whose names we never hear
A dedicated army of quiet volunteers
Reaching out to feed the hungry
Reaching out to save the land
Reaching out to help their fellow man.

There are dreamers who are making dreams come true
Taking time to teach the children there's nothing they can't do.
Giving shelter to the homeless
Giving hope to those without
Isn't that what this land's all about

One by one from the mountains to the sea
Points of light are calling out to you and me

All it takes is a point of light
A ray of hope in the darkest night
If you see what's wrong and try to make it right
You will be a point of light

If you see what's wrong and you try to make it right
You will be a point of light
