

SERVICE THROUGH MEMBERSHIP: JUNIORS UNDER AGE 18

ALA Junior members volunteer with other girls in their age group in many engaging activities:

- Learning about patriotism and how to show respect for the American flag
- Helping military families in practical ways such as mowing yards and helping military kids become acclimated at a new school
- Distributing poppies and raising awareness, especially on

Memorial Day and Veterans Day, so our veterans know we care about them

- Practicing leadership by organizing service projects
- Earning service patches while learning about ALA programs
- Demonstrating responsibility for future scholarship, college, or military service applications

If you are a female ALA member 17 years of age or younger and love our country, imagine attending a regional or national meeting focused on Junior Activities with a hundred girls who could become your lifelong friends!

The American Legion Auxiliary encourages young women to lead the way in continuing its legacy of serving veterans, the military, and their families. For more information about Junior Activities, visit www.ALAforVeterans.org or follow us on Facebook at American Legion Auxiliary Juniors.

Millions of hours of Auxiliary outreach service are volunteered annually for veterans and military families. Will you step up and join us?

PERPETUATING OUR VALUES

For more than a century, The American Legion Family, which includes The American Legion, American Legion Auxiliary, and Sons of The American

Legion, has been steadfast in support of our nation's military. Our members promote patriotism, responsible citizenship, and national security while educating youth and advocating for veterans' rights.

While members of The American Legion Family are individually unique, collectively we are a multimillion-member powerhouse of caring advocates dedicated to service.

In the spirit of *Service Not Self*, the mission of the American Legion Auxiliary is to support The American Legion and honor the sacrifice of those who serve by enhancing the lives of our veterans, military, and their families, both at home and abroad.

ALA GIRLS STATE

American Legion Auxiliary units in all 50 states proudly host ALA Girls State, an amazing week of learning focused on responsible citizenship, leadership, and love for God and country. Female high school students who have completed their junior year are competitively

selected and sponsored by American Legion Auxiliary units for this program, where they learn about the political process by electing officials for all levels of state government and actively running a mock government. The girls are assigned to mock cities and either the "Federalist Party" or "Nationalist Party." Assistance from dedicated ALA volunteers ensures the program's nonpartisan governmental, patriotic, and civic objectives are carried out through interactive learning. Though the week is filled with many learning opportunities, there is always time for fun and the formation of long-term friendships.

The art of civil debate is one of the main skills learned at this premier program, hosted by the American Legion Auxiliary since 1937. Many ALA Girls State participants have gone on to a lifetime of service to our country in the military, civil service, or advocacy.

Candidates should be keenly interested in government and current events, have high moral character, and show strong leadership abilities. Because the structure of state and local government varies, ALA Girls State

programs may vary in content and method of procedure, but each adheres to the same basic core values.

Two outstanding girls are selected from each ALA Girls State program to attend ALA Girls Nation. These "senators" meet for a week in Washington, D.C., where they run for political office, campaign and debate for the passage of legislation, and meet with their real-life counterparts on Capitol Hill. Capping off the week of ALA Girls Nation is a possible meeting at the White House with the President of the United States.

Local businesses and community organizations ensure maximum participation by contributing to the ALA Girls State program, ultimately benefitting their communities

and ensuring educated leaders for future generations. www.ALAforVeterans.org/ALA-Girls-State
