

#buildabridge

### Instructions for the #buildabridge challenge

1. Using 4.5-inch craft sticks (popsicle sticks) write the name of the Units Community Service event on one side and the Number of the Unit hosting the event and the date the event occurred on the other side.
2. Complete one for every event the Unit hosts, however if you have an event recurs multiple times throughout the year, only submit 1 stick. Instead of the Date of the event note the frequency of the event, i.e. monthly, quarterly and so one.
3. There is no limit to the number of sticks you can submit. There sticks should be received by the Department Community Chairman no later than April 1<sup>st</sup>, 2024.

Mail to:
